L. COAL SEVERANCE TAX PROJECTS

(1) Projects Authorization and Appropriation: Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2004-2005 and fiscal year 2005-2006 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

PART III

GENERAL PROVISIONS

1. **Funds Designations and Sources:** Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. **Expenditure of Excess Restricted Funds or Federal Funds Receipts:** If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2004-2005 or fiscal year 2005-2006, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810 and this Act, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State

Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support Necessary Government Expenses. In the event that General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government Expenses during fiscal year 2004-2005 or fiscal year 2005-2006, respectively, then the appropriation increase may be approved. In the event that the review indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director, with the concurrence of the Secretary of the Finance and Administration Cabinet, may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Restricted Funds or Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the fiscal biennium 2004-2006 Branch Budget Request Manual and according to the following schedule in each fiscal year: (1) On or before the beginning of each fiscal year; (2) On or before October 1; (3) On or before January 1; and (4) On or before April 1.

3. **Appropriations Expenditure Purpose and Transfer Restrictions:** Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and the provisions of KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810. Compliance with the provisions of this section shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

4. **Permitted Appropriation Obligations:** No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

5. **Lapse of General Fund or Road Fund Appropriations Supplanted by Federal Funds:** Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account, respectively, to the extent the Federal Funds otherwise become available.

6. **Federally Funded Agencies:** A state agency entitled to Federal Funds which would represent 100 percent of the cost of a program shall conform to KRS 48.730.

7. **Lapse of Excess General Fund or Road Fund Debt Service Appropriations:** Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

8. **Interim Appropriation Increases:** No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630. Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

9. **Revision of Appropriation Allotments:** Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

10. **Continuing Appropriations:** All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act, except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this section, to the extent of the conflict, are suspended unless otherwise provided by this Act.

11. **Construction of Budget Provisions on Prior Fiscal Year Appropriations and Statutory Budget Administration Powers and Duties:** Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made heretofore or hereafter for the fiscal year ending June 30, 2004, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

12. **Interpretation of Appropriations:** All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and

Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

13. **Enacted Budget of the Commonwealth:** The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2004 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended Legislative Budget, State/Executive Budget and Judicial Budget as enacted by the 2004 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for fiscal year 2003-2004 and the 2004-2006 fiscal biennium, and based upon supporting documentation and legislative records as considered by the 2004 Regular Session of the General Assembly, and the statutory budget memorandum. This document shall include, for each agency and budget unit, a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and for the State/Executive Budget, and any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted State/Executive Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each Part of this Act and by KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810, and upon review and action by the Interim Joint Committee on Appropriations and Revenue.

14. **State Financial Condition:** Pursuant to KRS 48.400, the State Budget Director shall monitor and report on the financial condition of the Commonwealth.

15. **Prorating Administrative Costs:** The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

16. **Construction of Budget Provisions Regarding Executive Reorganization Orders:** Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in an Act of the 2003 Regular Session of the General Assembly or another Act of the 2004 Regular Session of the General Assembly. If any executive reorganization order issued from sine die adjournment of the 2003 Regular Session to sine die adjournment of the 2004 Regular Session was not confirmed by the 2004 Regular Session of the General Assembly, the Secretary of the Finance and Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 2003-2004 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 2004 Regular Session of the General Assembly.

17. **Employer Retirement Contribution Rate:** Notwithstanding KRS 61.565, the employer contribution rate for any entity participating in the Kentucky Employees Retirement System shall be as follows: from July 1, 2004, through June 30, 2005, the contribution rates shall be no more than 5.89 percent for nonhazardous duty employees, 18.84 percent for hazardous duty employees, and 21.58 percent for employees of the State Police Retirement System. PART VI

GENERAL FUND BUDGET REDUCTION PLAN

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected deficit in estimated General Fund revenue receipts of $7,171,300,000 in fiscal year 2004-2005 and $7,475,900,000 in fiscal year 2005-2006 as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected deficit.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

In the event of a revenue shortfall under the provisions of KRS 48.120, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act.

(2) Transfers of excess unappropriated and unbudgeted Restricted Funds other than fiduciary funds shall be applied as determined by the head of each branch for its respective budget units.

(3) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth.

(4) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the trust fund balance in fiscal year 2004-2005 and 50 percent of the trust fund balance in fiscal year 2005-2006.

(5) Notwithstanding the provisions of KRS 48.130 and 48.600, if the actions contained in subsections (1) to (4) of this section are insufficient to eliminate an actual or projected revenue shortfall in the enacted General Fund revenue receipts, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the

budget by such actions conforming with the criteria expressed in the preceding subsection. Other items that may be specified in this Act are exempt from actions that may be taken by the Governor pursuant to the provisions of this Act.

PART VII

GENERAL FUND SURPLUS EXPENDITURE PLAN

1. Pursuant to KRS 48.700 and notwithstanding KRS 48.140, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Expenditure Plan contained in this Part for fiscal years 2004-2005 and 2005-2006. Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance in excess of the amount determined in Part III, section (36), are appropriated for the purposes and in the priority sequence as follows: (1) Teacher salary funding support to public school districts in an amount sufficient to provide for the recurring impact in fiscal year 2005-2006 of the one and one-half percent pay increase provided by school districts in fiscal year 2004-2005 to the extent that amount is not already provided in this bill. The appropriate amount shall be calculated by the State Budget Director in consultation with the Commissioner of the Department of Education and the Secretary of the Education Cabinet. In the event that insufficient General Fund Surplus moneys are realized after the close of fiscal year 2003-2004 and fiscal year 2004-2005, the amount calculated as necessary by the State Budget Director shall be reserved and appropriated from the Budget Reserve Trust Fund for expenditure in fiscal year 2005-2006; and (2) Increased support to the Budget Reserve Trust Fund up to the amount necessary to provide a balance equaling five percent of actual General Fund revenues for fiscal year 2003-2004 and fiscal year 2004-2005, respectively.

2. The Secretary of the Finance and Administration Cabinet shall determine, within 30 days after the close of the fiscal year 2003-2004, and the close of fiscal year 2004-2005, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2004-2005 and fiscal year 2005-2006.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 2004, and June 30, 2005, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated respectively for expenditure in fiscal year 2004-2005 and fiscal year 2005-2006 pursuant to the Plan.

PART VIII

ROAD FUND BUDGET REDUCTION PLAN

There is established a Road Fund Budget Reduction Plan for fiscal year 2004-2005 and fiscal year 2005-2006. Notwithstanding KRS 48.130, in the event of an actual or projected shortfall in estimated Road Fund revenue receipts of $1,141,409,100 in fiscal year 2004-2005 and $1,162,506,700 in fiscal year 2005-2006 as determined by KRS 48.120(3), the Governor shall implement sufficient reductions as may be required to protect the highest possible level of service. No budget revision action shall be taken in excess of the actual or projected deficit.

PART IX

ROAD FUND SURPLUS EXPENDITURE PLAN

Notwithstanding KRS 48.140 and pursuant to KRS 48.710, there is established a plan of expenditures from the Road Fund Surplus Account. All moneys in the Road Fund Surplus Account shall be deposited in the State Construction Account and utilized to support projects in the fiscal biennium 2004-2006 Biennial Highway Construction Program.

PART X

PHASE I TOBACCO SETTLEMENT

(1) **General Purpose: Part X of this** Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as described in KRS 248.701 to 248.727. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking-related expenditures made over time.

(2) **State's MSA Share:** The Commonwealth's share of the MSA is equal to 1.7611586 percent of the total settlement amount. Payments under the MSA were made to the states in January and April of each year through 2003 and will be made annually in January thereafter.

(3) **MSA Payment Amount Variables:** The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, previously settled states adjustments, and the nonparticipating manufacturers adjustment.

(4) **Distinct Identity and Carry Forward of MSA Payment Deposits:** The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement payments shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement payments that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended. Phase I Tobacco Settlement payment receipts in excess of the appropriated amounts contained in this Part shall not be utilized as part of any General Fund Budget Reduction Plan, and shall be exempt from all requirements of a Plan implemented

under Part VI of this Act.

(5) **MSA Payment Estimates and Adjustments:** Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 2004-2005 is $108,800,000 and in fiscal year 2005-2006 is $108,600,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet. Certified payment receipts in a fiscal year that are in excess of appropriations contained in this Part for that fiscal year are appropriated to the Tobacco Settlement Agreement Fund in the General Fund for distribution in accordance with KRS 248.654, and shall be available for and subject to future appropriations by the General Assembly. The Secretary of the Finance and Administration Cabinet shall report to the Legislative Research Commission the amount of certified payment receipts for each fiscal year, noting the amount for each fiscal year, if any, of payment receipts in excess of appropriated amounts contained in this Part which have been deposited in the Tobacco Settlement Agreement Fund and distributed in accordance with KRS 248.654 pursuant to this section.

a. **State Enforcement:** Notwithstanding KRS 248.654, a total of $175,000 of the MSA payments received each fiscal year of the 2004-2006 biennium is appropriated to the Finance and Administration Cabinet, Department of Revenue for the state's enforcement of noncompliant nonparticipating manufacturers.

b. **Agricultural Development Initiatives:** Fifty percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be $54,312,500, and in fiscal year 2005-2006, estimated to be $54,212,500, is appropriated to the Kentucky Agricultural Development Fund to be used for agricultural development initiatives as specified below.

c. **Early Childhood Development Initiatives:** Twenty-five percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be $27,156,200, and in fiscal year 2005-2006, estimated to be $27,106,200, is appropriated for Early Childhood Development Initiatives as specified below.

d. **Health Care Initiatives:** Twenty-five percent of the MSA payments received, less the above enforcement appropriations, in fiscal year 2004-2005, estimated to be $27,156,300, and in fiscal year 2005-2006, estimated to be $27,106,300, is appropriated to the Kentucky Health Care Improvement Fund for health care initiatives as specified below.

PART XII

TAXATION MEASURES

Notwithstanding KRS 48.310, the following statutes shall be amended as follows and shall have permanent effect, subject to future actions by the General Assembly:

Section 1. KRS 134.460 is amended to read as follows:

(1) Certificates of delinquency shall bear interest from the date of issuance until collected at the rate of twelve percent (12%) per annum simple interest. A fraction of a month is counted as an entire month. ***The total amount of the certificate of delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in Section 2 of this Part shall be included in the base for the interest calculation.***

(2) Certificates of delinquency shall be prima facie evidence that:

(a) The property represented by the certificate was subject to taxes levied thereon, and was assessed as required by law.

(b) The tax bill was valid and correct in all respects.

(c) The taxes were not paid at any time before the issuance of the certificate.

Section 2. KRS 134.500 is amended to read as follows:

(1) ***A certificate of delinquency***[~~Uncollectible tax claims~~] shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The ***total amount of the certificate of delinquency***[~~sheriff's add-on fee provided in KRS 134.430~~], the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be ***included in the base for***[~~excluded from~~] the interest calculation[~~ except in counties containing cities of the first class or consolidated local government~~]. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

HR 173, A RESOLUTION urging Cinergy Corp. to reduce pollution emitted from its Gallagher Power Plant.

WHEREAS, Jefferson County and surrounding counties are affected by the pollution of industrial and utility sites, and by other sources of pollution; and

WHEREAS, in the coming years the Jefferson County metropolitan area is expected to be declared in non-attainment status for federal ozone standards and for federal 2.5 microns particulate matter standards and there will need to be reductions in nitrous oxides (NOx) and sulfur oxides (SOx) in order to move toward attainment; and

WHEREAS, the vehicle emissions testing program for Jefferson County has been ended by legislation of this General Assembly; and now, and in the coming years, pollution-reducing alternatives to vehicle emissions testing will have to be found in order to meet federal standards and to reduce levels of criteria and toxic air pollutants from industrial plants, utilities, and from other sources; and

WHEREAS, industrial plants and utilities in neighboring states contribute to air pollution in Kentucky; and

WHEREAS, the Cinergy Gallagher Plant located in Floyd County, Indiana, just across the Ohio River from Louisville, emits many more tons of Sulfur Dioxide (SO2) annually, and many more pounds of SO2 per British Thermal Unit (BTU), than any other utility plant in the area; and

WHEREAS, it is expected that Cinergy will not make significant reductions in NOx emissions at the Gallagher plant to comply with federal requirements to address long-range transport, known as the NOx State Implementation Plan (SIP) Call, but will instead likely install additional controls at other Cinergy plants to meet its system-wide average pounds of NOx per BTU required to address the long-range transport problem for the Northeast United States, and this approach will not benefit the Jefferson County Metropolitan area directly impacted by Cinergy Gallagher Plant NOx pollution; and

WHEREAS, residents of western Louisville have historically described frequent occurrences of dense, black smoke coming from the Gallagher Plant and the deposition of particles in their yards, and on their homes and cars, and the Gallagher Plant is permitted visible emissions to be a more lenient 40% compared with 20 % for LG&E; and

WHEREAS, the EPA has initiated federal new source review enforcement actions against electric utility plants for making modifications to coal-fired plants without receiving appropriate permits, and the Gallagher Plant is among those plants identified in this EPA initiative; and

WHEREAS, the mayor of the Louisville-Jefferson County Metro Government has discussed with Gallagher and Cinergy officials the above issues and concerns and the contribution to regional pollution reduction that the power plant should make;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. Cinergy Corp., and Cinergy Gallagher Plant officials, are herein strongly urged by the House of Representatives of the General Assembly of the Commonwealth of Kentucky to reduce the pollution created by the Cinergy Gallagher Plant by installing the best available control technology for NOx, SOx, and particulate emissions, and to engage productively in discussions with officials of the Jefferson County metropolitan area, the local air-quality task force, and the Commonwealth as they develop plans to meet required federal air quality standards, and as they seek the benefits of cleaner air for the citizens of the Jefferson County metropolitan area and the Commonwealth.

Section 2. The Metro Louisville Air Pollution Control District Board and the Natural Resources and Environmental Protection Cabinet are strongly urged to evaluate available mechanisms, including administrative and judicial remedies under state and federal common and statutory law, and to consider intervention in any administrative or judicial actions brought by the US Environmental Protection Agency, in order to assure that the Gallagher Plant conforms to all statutory and common law obligations to operate in a manner protective of public health, safety, and welfare.

Section 3. The Clerk of the House is directed to send, by certified mail, a copy of this Resolution to the following:

James E. Rogers, Chairman, President and Chief Executive Officer
Cinergy Corp.
139 East Fourth Street
Cincinnati OH 45202;
and to,

Except as provided by KRS Chapter 138, no other excise or license tax shall be levied or assessed on gasoline or special fuel by the state or any political subdivision of the state. The tax[~~ herein imposed~~] shall be paid by the dealer receiving the gasoline or special fuel to the State Treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all ***taxes imposed***[~~such tax~~] may be added to the selling price charged by the dealer or other person paying the tax on gasoline or special fuel sold in this state. (2) In addition to the ***highway user motor fuel***[~~excise~~] tax provided in subsection (1) of this section, there is[~~ hereby~~] levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. ***Effective July 1, 2004, the supplemental highway user motor fuel tax rate shall be four cents ($0.04) per gallon on gasoline and special fuels. The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, as provided for in subsection (3) of this section, and the average wholesale price computed for the quarter beginning July 1, 1986 and each succeeding quarter, as provided for in subsection (3) of this section. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax greater than five cents ($0.05) on gasoline or two cents ($0.02) on special fuel and, notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for any quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220~~].

(3) ***On or before April 1, 2006, and on or before April 1 of each succeeding year, the cabinet shall recompute and publish the rate for the taxes imposed under subsections (1) and (2) of this section. The new rate per gallon shall be calculated by multiplying the rate in effect at the time of the calculation by the amount obtained by dividing the annual average United States consumer price index for all urban consumers, United States city average, as determined by the United States Department of Labor, for the previous year by the annual average for the year before the previous year. The rate calculated under this subsection shall be rounded to the nearest one-tenth of one cent ($0.001) and shall be effective on the July 1 after the date of the calculation. However, the tax rate established by this subsection for gasoline and special fuels shall not exceed the average tax rate for gasoline and special fuels levied by Illinois, Indiana, Ohio, Tennessee, Virginia, and West Virginia on the effective date of the rate adjustment***[~~Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. 2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the cabinet may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the ***entity's*** [~~taxpayer's~~] property;

(c) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the ***entity*** [~~taxpayer~~] for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. 3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(4) If the apportionment provisions of this section do not fairly measure the ***entity's*** [~~taxpayer's~~] capital in this state, the ***entity*** [~~taxpayer~~] may petition for or the cabinet may require:

(a) The exclusion of any one (1) or more of the factors;

(b) The inclusion of one (1) or more additional factors which will fairly measure the ***entity's*** [~~taxpayer's~~] capital in this state; or

(c) The employment of any other method to produce an equitable apportionment of the ***entity's*** [~~taxpayer's~~] capital.

(5) No ***entity*** [~~corporation~~] required to pay an annual license tax under this section shall pay less than ***one hundred dollars ($100)***[~~thirty~~] ~~dollars ($30)~~.

"Section 3. KRS 138.140 is amended to read as follows:

(1) A tax shall be paid on the sale of cigarettes within the state at a proportionate rate of three cents ($0.03) on each twenty (20) cigarettes. This tax shall be paid only once, regardless of the number of times the cigarettes may be sold in this state.

(2) A surtax shall be paid on the sale of cigarettes within the state at a proportionate rate of seventeen cents ($0.17) on each twenty (20) cigarettes. This tax shall be paid in the manner provided in subsection (8) of Section 4 of this Part.

Section 4. KRS 138.146 is amended to read as follows:

(1) The cigarette tax imposed by KRS 138.130 to 138.205 shall be due when any licensed wholesaler or unclassified acquirer takes possession within this state of untax-paid cigarettes.

(2) The tax shall be paid by the purchase of stamps by a resident wholesaler within forty-eight (48) hours after the cigarettes are received by him. A stamp shall be affixed to each package of an aggregate denomination not less than the amount of the tax upon the contents thereof. The stamp, so affixed, shall be prima facie evidence of payment of tax. Unless such stamps have been previously affixed, they shall be so affixed by each resident wholesaler prior to the delivery of any cigarettes to a retail location or any person in this state. The evidence of tax payment shall be affixed to each individual package of cigarettes by a nonresident wholesaler prior to the introduction or importation of the cigarettes into the territorial limits of this state. The evidence of tax payment shall be affixed by an unclassified acquirer within twenty-four (24) hours after the cigarettes are received by him.

(3) The cabinet shall by regulation prescribe the form of cigarette tax evidence, the method and manner of the sale and distribution of such cigarette tax evidence, and the method and manner that such evidence shall be affixed to the cigarettes. All cigarette tax evidence prescribed by the cabinet shall be designed and furnished in a fashion to permit identification of the person that affixed the cigarette tax evidence to the particular package of cigarettes, by means of numerical rolls or

other mark on the cigarette tax evidence. The cabinet shall maintain for at least three (3) years information identifying the person that affixed the cigarette tax evidence to each package of cigarettes. This information shall not be kept confidential or exempt from disclosure to the public through open records.

(4) Units of cigarette tax evidence ***levied under subsection (1) of Section 3 of this Part*** shall be sold at their face value, but the cabinet shall allow as compensation to any licensed wholesaler an amount of tax evidence equal to thirty cents ($0.30) face value for each three dollars ($3) of tax evidence purchased at face value. The cabinet shall have the power to withhold compensation from any licensed wholesaler for failure to abide by any provisions of KRS 138.130 to 138.205 or any regulations promulgated thereunder. Any refund or credit for unused cigarette tax evidence shall be reduced by the amount allowed as compensation at the time of purchase.

(5) No tax evidence may be affixed, or used in any way, by any person other than the person purchasing such evidence from the cabinet. Such tax evidence may not be transferred or negotiated, and may not, by any scheme or device, be given, bartered, sold, traded, or loaned to any other person. Unaffixed tax evidence may be returned to the cabinet for credit or refund for any reason satisfactory to the cabinet.

(6) In the event any retailer shall receive into his possession cigarettes to which evidence of Kentucky tax payment is not properly affixed, he shall within twenty-four (24) hours notify the cabinet of such fact. Such notice shall be in writing, and shall give the name of the person from whom such cigarettes were received, and the quantity of such cigarettes, and such written notice may be given to any field agent of the cabinet. The written notice may also be directed to the secretary of revenue, Frankfort, Kentucky. If such notice is given by means of the United States mail, it shall be sent by certified mail. Any such cigarettes shall be retained by such retailer, and not sold, for a period of fifteen (15) days after giving the notice provided in this subsection. The retailer may, at his option, pay the tax due on any such cigarettes according to rules and regulations to be prescribed by the cabinet, and proceed to sell the same after such payment.

(7) Cigarettes stamped with the cigarette tax evidence of another state shall at no time be commingled with cigarettes on which the Kentucky cigarette tax evidence has been affixed, but any licensed wholesaler, licensed sub-jobber, or licensed vending machine operator may hold cigarettes stamped with the tax evidence of another state for any period of time, subsection (2) of this section notwithstanding.

(8) The tax levied under subsection (2) of Section 3 of this Part shall be paid at the same time as the tax is paid for the purchase of stamps under subsection (2) of this section.

Section 5. KRS 248.652 is amended to read as follows:

There is established in the State Treasury a permanent and perpetual fund to be known as the "Agricultural Diversification and Development Fund" to which shall be credited any increase in the cigarette excise tax levied under ***subsection (1) of Section 3 of this Part***[~~KRS 138.140~~] subsequent to July 15, 1998; gifts; bequests; endowments; grants from the United States government, its agencies and instrumentalities; any funds from the tobacco settlement agreement or related federal legislation for tobacco farmers or tobacco-dependent communities specifically appropriated to this fund by the General Assembly from the fund created in KRS 248.654; and funds received from any other sources, public or private. Section 7. KRS 438.337 is amended to read as follows:

(1) Except for violations of the provisions of KRS 438.311, 438.313, and 438.315 by a juvenile, which shall be under the jurisdiction of the juvenile session of the District Court, the Department of Alcoholic Beverage Control shall carry out the enforcement provisions of KRS 438.305 to 438.340.

(2) The Department of Alcoholic Beverage Control shall be entitled to the revenue produced by one-twentieth of one cent ($0.0005) of the three-cent ($0.03) per pack revenue collected by the Revenue Cabinet from the state excise tax on the sale of cigarettes as imposed by ***subsection (1) of Section 3 of this Part***[~~KRS 138.140~~] to be deposited in a trust and agency account created in the State Treasury, and to keep fifty percent (50%) of any fines collected under KRS 438.305 to 438.340 to offset the costs of enforcement of KRS 438.305 to 438.340.

WHEREAS, during World War II, over forty 3rd Division soldiers received Medals of Honor, more than any other Division; however, Lieutenant Garlin Murl Conner was not awarded the Medal of Honor due to an oversight and failure to process the paperwork; and

WHEREAS, Lieutenant Conner served in the 3rd Infantry Division with Audie L. Murphy, America's most decorated hero of all wars; as compared to Audie L. Murphy, Lieutenant Conner was awarded more Silver Stars for acts of valor, fought in more campaigns, served on the front lines longer, and was wounded more times; he was awarded many honors including the Distinguished Service Cross, the Silver Star with three Oak Leaf Clusters, the Bronze Star, the Purple Heart with six Oak Leaf Clusters, and other medals; and

WHEREAS, on June 20, 1945, Lieutenant Conner was awarded the Croix de Guerre, the French Medal of Honor, that was also awarded to Sergeant Alvin C. I've met and talked at length with many Medal of Honor recipients and am sure they would all agree that Lieutenant Conner more than deserves the honor of joining them"; and

WHEREAS, on April 3, 2001, 3rd Infantry Division leaders named the new EAGLE BASE in Bosnia-Herzegovina after Lieutenant Conner because of his gallantry in World War II and because "It's a company-grade forward operating base named after a soldier with a company-grade rank"; and

The Department of State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6), and (7) of this section.

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS

199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

(a) No concealed deadly weapon instructor trainer shall have his or her certification as a concealed deadly weapon instructor trainer reduced to that of instructor or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

The department, upon the request of a firearms instructor trainer or certified firearms instructor, may permit a class to begin on less than fourteen (14) days' notice. The notice need not contain the names of the students. The notice may be made by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the application. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(d) Each concealed deadly weapon instructor or instructor trainer who teaches a concealed deadly weapon applicant or concealed deadly weapon instructor class shall supply the Department of Criminal Justice Training with a class roster indicating which students enrolled but did not successfully complete the class, and which students enrolled and successfully completed the class which contains the name and address of each student, within five (5) working days of the completion of the class. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(e) An instructor trainer who assists in the conduct of a concealed deadly weapon instructor class or concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her certification. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon instructor or concealed deadly weapon class;

(f) An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;

(g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than thirty (30) days after its receipt. Failure to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the Department of Criminal Justice Training, following a hearing pursuant to KRS Chapter 13B, to not have received the training required by law shall be grounds for the Department of State Police to revoke the person's concealed deadly weapon license, following a hearing conducted pursuant to KRS Chapter 13B, at which hearing the person is found to have violated the provisions of this section or who has been found not to have received the training required by law;

(h) The department shall randomly inspect certified firearms instructor classes being conducted by firearms instructor trainers and shall randomly inspect applicant classes being conducted by firearms instructor trainers or certified firearms instructors to ascertain if the class is being conducted in conformity to the provisions of applicable statutes and administrative regulations and that the paperwork in the class matches the paperwork ultimately submitted by the firearms instructor trainer or certified firearms instructor for that same class. Section 11. KRS 68.178 is amended to read as follows:

(1) The fiscal court of any county may license off-site waste management facilities located within the county with the imposition of a license fee at a percentage rate not to exceed two percent (2%) per annum of the gross receipts of such a waste management facility owned or operated by self-employed individuals, partnerships, or corporations. The proceeds from the license fee shall be used to defray the general revenue requirements of the county where the facility is located. For purposes of assessing the licensing fee provided for in this section, off-site waste management shall consist of establishing and operating a facility whose principal purpose is treatment, storage, disposal, or a combination of these activities but shall not include those treatment, storage, or disposal activities which occur incidental to or which are not otherwise distinguishable from a broader manufacturing operation at the site of said operation.

(2) (a) The fiscal court of a county or the urban-county council of an urban-county government may license a solid waste landfill located within the county or urban-county area. The license fee may be set at not less than one cent ($0.01) but no more than fifty cents ($0.50) per ton of waste received by the landfill or set at up to five percent (5%) of gross receipts of the landfill.

(b) The license fee as set may be increased by an amount up to one-quarter (1/4) of the base fee per ton or on gross receipts of waste received at the landfill which originates from outside of the planning area. For purposes of this section, planning area shall mean those areas within Kentucky as indicated in solid waste management plans filed with the cabinet by a county, multicounty area, or waste management district. However, before a fee differential may be imposed the county or urban-county government shall demonstrate that the differential is reasonably related to additional government services which must be undertaken because of the landfilling of nonplanning area waste. This demonstration may be made by showing an unplanned for reduction in waste disposal capacity and a need to provide for future disposal capacity or impacts on roads, litter control or emergency services.

(c) The proceeds from the license fee shall be used to defray the government services provided to the landfill, necessary clean-up operations or emergency responses related to operation of the landfill or transporting waste to the landfill, necessary maintenance, improvement or construction of roads, and for the general revenue requirements of the county or urban-county government where the landfill is located.

(d) ~~[Five percent (5%) of the license fee shall be remitted annually to the Natural Resources and Environmental Protection Cabinet until July 30, 1990. The cabinet shall use the amount received for state solid waste management activities.]~~Ten percent (10%) ***of the license fee*** shall be remitted annually in equal shares to all counties and urban-county governments in the planning area served by the landfill from where the fees originated which shall be used for local solid waste planning and plan implementation. Counties or urban-county governments desiring to impose the fee provided for herein are authorized to accept payments in lieu of the fee under duly-executed contracts between the county and the permitted site or facility. The fee provided for in this subsection shall be in lieu of the provisions of subsection (1). Special waste, as defined in KRS 224.50-760, except for waste from sanitary wastewater treatment facilities, shall be exempt from this subsection.

(3) In the case of hazardous waste facilities involving land disposal, including a regional integrated waste treatment and disposal demonstration facility as defined in KRS Chapter 224, the rate levied under this section shall be not more than five percent (5%) per annum of the gross receipts and shall be calculated so as to produce sufficient revenue to compensate the county for any additional costs incurred by it from having a hazardous waste facility located in its jurisdiction, including, but not limited to, the loss of ad valorem property tax revenues from the property on which the facility is located, the loss of ad valorem property tax revenues from abutting properties or other affected properties, the cost of providing any additional emergency services, the cost of monitoring air, surface water, ground water to the extent that other monitoring data is not available, and other costs established as being associated with the facility and for which the county is not otherwise compensated.

(1) [~~There is created within~~]The *Environmental and* Public Protection[~~ and Regulation~~] Cabinet, *Department for Environmental Protection, Division of Waste Management*[~~Office of the Secretary, the Office of Petroleum Storage Tank Environmental Assurance Fund.~~

~~(2) The Office of Petroleum Storage Tank Environmental Assurance Fund~~] shall*, among its functions*:

(a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the *division*[~~office~~] may distinguish between types, classes, and ages of petroleum storage tanks. The *division*[~~office~~] may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the ***division***[~~office~~] for reimbursement from the fund for the performance of corrective action. At a minimum, the ***division***[~~office~~] shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the ***division***[~~office~~] shall obligate funds necessary to meet these requirements;

(b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The ***division***[~~office~~] may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the ***division***[~~office~~] on or before January 15, 2004. To insure cost effectiveness, the ***division***[~~office~~] shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the ***division***[~~office~~] may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

(c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the ***division***[~~office~~];

(d) Establish a small operator assistance account within the fund which may be used by the ***division***[~~office~~] to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

(e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, 2009. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2002, the ***division***[~~office~~] shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The ***division***[~~office~~] shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the ***division***[~~office~~] shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

(f) Hear complaints brought before the ***division***[~~office~~] regarding the payment of claims from the fund in accordance with KRS Chapter 13B;

(g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

(h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the ***division***[~~office~~], for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The ***division***[~~office~~] shall, by administrative regulation, set the entry level for participation in the fund;

(i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;

(j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the ***division***[~~office~~] may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;

(k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;

(l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The ***division***[~~office~~] may collect soil or water samples or require storage tank owners or operators to split samples with the ***division***[~~office~~] for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the ***division***[~~office~~] to collect or split samples shall make the facility ineligible for fund participation;

(m) Have ***inspectors***[~~assurance fund auditors~~] on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the ***division***[~~office~~] schedule an ***inspector***[~~assurance fund auditor~~] to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an ***inspector***[~~auditor~~] fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the ***division***[~~assurance fund~~] no later than ten (10) days prior to the proposed date that an ***inspector***[~~auditor~~] is not available on the proposed date, in which event a representative of the ***division***[~~assurance fund~~] shall contact the operator and schedule a new date. If no ***inspector***[~~auditor~~] is present at the rescheduled date, the removal may then proceed without penalty; and

(n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter or by July 15, 2010, whichever is earlier. Claims received after July 15, 2010, are not eligible for reimbursement.

The funding and operations of the small operator assistance account and the small operator's tank removal account shall end on July 15, 2004.

(2)[~~(3)~~] The ***division***[~~office~~] may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.

(3)[~~(4)~~] The ***division***[~~office~~] may sue and be sued in its own name.

(4)[~~(5)~~] The ***division***[~~office~~] may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The ***division***[~~office~~] may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (2)(c) of this section.

(4) The safety analyst shall have the same powers as a mine inspector of the department, but these powers shall be considered secondary to the primary responsibilities provided in subsection (3) of this section. Each time a safety analyst enters a mine to perform his primary responsibility, he shall confer with the foreman as to the conditions of the mine and the work practices of the employees.

(5) The safety analyst shall keep mine management, representatives of the employees, and the commissioner informed about all hazardous conditions and all matters which may improve the safety of mines.

(6) The ***program administrator for mine safety analysis***~~[Division]~~ shall assist the Division of ***Mines and Minerals***~~[Miner Training, Education, and Certification]~~ in assessing the effectiveness of miner training programs.

(7) The commissioner shall at his discretion assign safety analysts to all mines in the state taking into consideration such

factors as the history of accidents at the mine, experience of the work force, physical condition of the mine, and size of the mine.

(8) The commissioner may coordinate the assignment of safety analysts with the appropriate federal authorities to minimize duplication of accident prevention efforts.

Section 28. KRS 353.5901 is amended to read as follows:

(1) In all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, a well operator shall submit to the ***Division of Oil and Gas Conservation***[~~department~~] an operations and reclamation proposal at the time of filing an application for permit to drill, deepen, or reopen a well. The proposal shall be filed on forms provided by the ***division***[~~department~~] and shall include:

(a) A proposal to prevent erosion of and sedimentation from the well site and all disturbed areas, including roads;

(b) A narrative description of the location of all areas to be disturbed, including the location of roads, gathering lines, the well site, tanks and other storage facilities, and any other information that may be required by the ***division***[~~department~~]. Accompanying this narrative description shall be a plat depicting the location on the land of all of these disturbances or facilities;

(c) A signed agreement by the surface owners of all disturbed areas to the operations and reclamation proposal; and

(d) Any additional information that the ***division***[~~department~~] may require.

(2) In all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface and the surface owners of all disturbed areas have not signed agreements with the well operator agreeing to the operations and reclamation proposal, at the time of filing the application the well operator shall cause to be delivered to the surface owners of all disturbed areas who have not agreed to the operations and reclamation proposal, by certified mail, return receipt requested:

(a) A copy of the operations and reclamation proposal required by paragraph (a) of subsection (1) of this section, and the narrative description of land disturbances and plat required by paragraph (b) of subsection (1) of this section; and

(b) A notice to read as follows: "If you do not agree with the proposed use of your land by the well operator, the well operator may request mediation of your dispute by the General Counsel's Office of the ***Environmental and Public Protection Cabinet***[~~Department of Mines and Minerals~~]. If mediation is requested, and you decide to participate, each party to the mediation will be charged one hundred dollars ($100) to help cover the cost of mediation. You will be notified of the time and place for mediation, if the well operator chooses mediation, and of your right to participate."

The certified mail receipt, when returned, shall be filed by the well operator with the ***division***[~~department~~] and made part of the permit application.

(3) If the well operator has been unable to reach agreement with the surface owners of all areas to be disturbed in all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, the permit required by this chapter shall not be issued until the dispute has been referred to mediation by the[~~General Counsel's~~] Office of ***Legal Services of*** the ***Environmental and Public Protection Cabinet***[~~Department of Mines and Minerals~~], and mediation has been concluded either by agreement between the parties or by a report of the mediator, in accordance with subsection (4) of this section.

The ***division***[~~department~~] shall notify the well operator and all surface owners of areas to be disturbed by drilling who have not agreed to the operation and reclamation plan of the date and time mediation shall be conducted by certified mail, return receipt requested. The ***division***[~~department~~] shall conduct mediation at the site proposed to be disturbed within fifteen (15) days from the date requested, if practicable. At

the mediation, the mediator will attempt to facilitate an agreement between the well operator and the surface owner. If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director ***of oil and gas conservation*** recommending that the director ***of oil and gas conservation***:

(a) Accept the proposal as submitted by the well operator; or

(b) Accept the proposal with modifications set forth by the mediator.

(5) If an agreement between the well operator and the surface owners of all disturbed areas is not forthcoming after mediation, the mediator shall consider the following factors as to the reasonable use of the surface by the well operator in issuing a report to the director ***of oil and gas conservation***, which recommendations shall become permit conditions:

(a) The location of roads, gathering lines, and tank batteries;

(b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;

(c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;

(d) Whether the proposal includes a plan for timely, effective reclamation of all disturbed areas; and

(e) Any other information deemed appropriate by the mediator.

(6) The director ***of oil and gas conservation*** shall act upon the recommendation of the mediator within five (5) days of the receipt of the mediation report.

Section 29. KRS 353.630 is amended to read as follows:

(1) Whenever any separate tract of land is so situated because of size or other condition that it does not contain a location at which a well for oil or gas may be drilled, deepened, or reopened by reason of the spacing provisions of KRS 353.610, the ***Division of Oil and Gas Conservation***[~~department~~] shall order, after notice and a hearing, the pooling of all oil and gas interests in the separate tract or in a portion thereof with all like interests in a contiguous tract or tracts, or portions thereof, as are necessary to afford the pooled tracts one (1) location for the drilling, deepening, or reopening of a well for the production of oil or gas in compliance with the spacing requirements of KRS 353.500 to 353.720. The ***division***[~~department~~] shall require the development and operation of all pooled acreage as a single leasehold estate in accordance with regulations and rules promulgated under KRS 353.500 to 353.720.

(2) Whenever an operator proposes to drill, deepen, or reopen a well at a location that would require the pooling of separate tracts or interests in order to comply with the spacing requirements of KRS 353.610, and the operator has secured the written consent or agreement from the owners of at least fifty-one percent (51%) of the interests in each tract, or portions thereof, included in the proposed pooled acreage, the ***division***[~~department~~] shall, where it finds that the requirements of this subsection have been met, order, after notice and a hearing, the pooling of all oil and gas interests in all tracts, or portions thereof, that are included within the proposed pooled acreage as established by the spacing requirements of KRS 353.610. For purposes of this section, any unknown or nonlocatable owners shall be deemed to have consented or agreed to the pooling, provided that the operator has complied with the publication requirements of KRS 353.640(1) with respect to the unknown or nonlocatable owners. The ***division***[~~department~~] shall issue a permit to drill, deepen, or reopen the well and require the development and operation of the pooled acreage as a single leasehold estate in accordance with administrative regulations promulgated under KRS 353.500 to 353.720.

(3) Whenever an operator proposes to drill, deepen, or reopen a well at a location that would require the pooling of interests or tracts in order to comply with the spacing requirements of KRS 353.610, and the operator owns or controls the right to develop the oil and gas underlying one hundred percent (100%) of the interests in each tract, or portions thereof, included in the proposed pooled acreage, the ***division***[~~department~~] shall, where it finds that the requirements of this subsection have been met, order, after notice and a hearing, the pooling of all oil and gas interests in all tracts, or portions thereof, that are included within the proposed pooled acreage established by the spacing requirements of KRS 353.610. The ***division***[~~department~~] shall issue a permit to drill, deepen, or reopen the well and require the development and operation of all pooled tracts as a single leasehold estate in accordance with administrative regulations promulgated under KRS 353.500 to 353.720.

(4) No pooling as permitted by this section shall be ordered except:

(a) When an application has been filed to drill, deepen, or reopen a well within the distance limitations prescribed in KRS 353.610; and

(b) When a lessee or owner of an oil or gas interest in the tract shall request the pooling.

(5) No pooling as permitted by this section shall be ordered with respect to any tract or portion thereof upon which a well is drilled, deepened, or reopened:

(a) Unless the pooling was requested prior to the commencement of the drilling, deepening, or reopening of the well by a lessee or owner of an oil and gas interest in a contiguous tract pursuant to subsection (1), (2), or (3) of this section; and

(b) Unless the request, if made by the owner of an operating interest who elects to participate in the risk and cost of the drilling, deepening, or reopening of the well, is accompanied by a bond or other security satisfactory to and in an amount set by the director ***of oil and gas conservation*** for the payment of such owner's share of the cost of drilling, deepening, or reopening the well.

(6) Production from any well which is ordered pooled pursuant to KRS 353.500 to 353.720 shall be deemed for all purposes to have been so produced from each tract or portion thereof included in the pool in proportion to the amounts established in the pooling order.

Section 30. KRS 353.640 is amended to read as follows:

(1) The operator shall provide a list to the ***Division of Oil and Gas Conservation***~~[department]~~ of all persons reasonably known to own an oil or gas interest in any tract, or portion thereof, proposed to be pooled in an application to the ***division***~~[department]~~ for a pooling order. A pooling order shall be made only after the ***division***~~[department]~~ provides notice to all persons reasonably known to own an oil or gas interest in any tract, or a portion thereof, proposed to be pooled after a hearing has been held. In the event of the filing of an application for a pooling order under KRS 353.630(2) where unknown owners or nonlocatable owners exist, the operator shall cause to be published, at least twenty (20) days prior to the hearing on the application for the pooling order, one (1) notice in the newspaper of the largest circulation in each county in which any tract, or portion thereof, proposed to be pooled is located. If the holder of an operating interest has obtained the interest by lease or other agreement granting the right to conduct operations to anyone other than the holder of the oil and gas estate, and if the owner of the operating interest does not make an election under the pooling order, the holder of the operating interest shall be deemed to have elected to share in the operation of the well as a nonparticipating operator on a carried basis after the proceeds allocable to his or her share equal two hundred percent (200%) of the share of the costs allocable to his or her interest.

(6) A person whose interest is subject to an oil or gas lease or other agreement which grants to another the right to operate or conduct operations shall not own an operating interest for the purposes of subsection (3) of this section.

(7) A certified copy of any pooling order entered under KRS 353.500 to 353.720 shall be entitled to be recorded in the office of the county clerk of the county or counties in which all or any portion of the pooled tract is located, and the record of the order, from the time of lodging the order for record, shall be notice of the order to all persons.

share of production from the tracts or portions thereof pooled accruing to the interest of such other owner, exclusive of any royalty reserved in any lease or leases of such tracts or portions thereof or exclusive of one-eighth (1/8) of production attributable to all unleased tracts or portions thereof, until such proceeds equal the sums payable by or charged to the interest of the other owner plus a reasonable charge for interest on such sums.

(2) If a dispute shall arise as to the costs of drilling, deepening or reopening, and operating a well, the director ***of oil and gas conservation*** shall determine and apportion the costs.

(h) The transportation characteristics of the medium or matrix into which the material was discharged or released;

(i) Any present or proposed remedial action by the person at the site of the discharge or release;

(j) The name, address, and phone number of the person who can be contacted for additional information concerning the discharge or release; and

(k) Any other information that may facilitate an emergency spill response, or remediation of the site.

(13) Timely notification received under the release notification requirements of this section or information obtained in a notification received under the release notification requirements of this section may not be used against the person making the notification in any criminal proceeding, except in a prosecution for submitting a false or untimely notification to the cabinet. Notification received by the cabinet of a threatened release or discharge shall not be deemed a separate incident.

(14) The cabinet shall be the lead agency for hazardous substance, pollutant, or contaminant emergency spill response and, after consultation with other affected federal, state, and local agencies and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the release of a hazardous substance, pollutant, or contaminant. The contingency plan shall:

(a) Provide for efficient, coordinated, and effective action to minimize damage to the air, land, and waters of the Commonwealth caused by the release or threatened release of hazardous substances, pollutants, or contaminants;

(b) Include containment, cleanup, and disposal procedures;

(c) Provide for remediation or restoration of the lands or waters affected consistent with this section;

(d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;

(e) Provide for the identification, procurement, maintenance, and storage of necessary equipment and supplies;

(f) Provide for designation of persons trained, prepared, and available to provide the necessary services to carry out the plan; and

(g) Establish procedures and techniques for identifying, containing, removing, and disposing of hazardous substances released or being released.

(15) The cabinet shall have the authority, power, and duty to:

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual and necessary costs expended in response to a threatened release, an environmental emergency, or a release of a hazardous substance that is reportable under this section. Except as provided in paragraph (b) of this subsection, this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof, or the amount of liability of any person;

(b) Notwithstanding paragraph (a) of this subsection, recover its costs incurred in the removal of oil or hazardous substances discharged in violation of Section 311(b)(3) of the Federal Clean Water Act from any person liable therefor under Section 311 of the Federal Clean Water Act subject to limitations of liability and defenses provided in the section. The limitations of liability shall apply to the total of state and federal expenses; and

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the release or threatened release is unknown, the cabinet or its agent may contain, remove, or dispose of the hazardous substance, pollutant, or contaminant or take any other action consistent with this section, including, but not limited to, issuance of an emergency order as provided in KRS 224.10-410 to the person possessing, controlling, or responsible for the release or threatened release as necessary for the protection of the environment and public health, safety, or welfare.

(16) Any duly authorized officer, employee, or agent of the cabinet may upon notice to the owner or occupant enter any property, premises, or place at any time for the purposes of this section, if the entry is necessary to prevent damage to the air, land, or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(17) The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant, or contaminant. In preparing the inventory, the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the

environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.

(18) Any person possessing or controlling a hazardous substance, pollutant, or contaminant which is released to the environment, or any person who caused a release to the environment of a hazardous substance, pollutant, or contaminant, shall characterize the extent of the release as necessary to determine the effect of the release on the environment, and shall take actions necessary to correct the effect of the release on the environment. Any person required to take action under this subsection shall have the following options:

(a) Demonstrating that no action is necessary to protect human health, safety, and the environment;

(b) Managing the release in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, provided that the management may include any existing or proposed engineering or institutional controls and the maintenance of those controls;

(c) Restoring the environment through the removal of the hazardous substance, pollutant, or contaminant; or

(d) Any combination of paragraphs (a) to (c) of this subsection.

(19) Unless otherwise required by the cabinet, a person required to characterize the extent of a release and correct the effect of the release on the environment under subsection (18) of this section may take those actions without making the demonstrations to the cabinet required by subsections (18) to (21) of this section, if:

(a) The release is less than the reportable quantity of a hazardous substance, pollutant, or contaminant;

(b) The release is of a pollutant or contaminant for which a reportable quantity has not been established by administrative regulation promulgated pursuant to subsection (2) of this section, if the release does not present an imminent or substantial danger to the public health or welfare; or

(c) The release is authorized by a state or federal permit.

(20) If a person required to take action under subsection (18) of this section demonstrates to the cabinet that, pursuant to subsection (18)(a) of this section, no action is necessary to protect human health, safety, and the environment or, pursuant to subsection (18)(b) of this section, the release will be managed in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, the cabinet shall not require restoration of the environment through the removal of the hazardous substance, pollutant, or contaminant pursuant to subsection (18)(c) of this section.

(21) A person required to take action under subsection (18) of this section who does not restore the environment through removal of the hazardous substance, pollutant, or contaminant in accordance with subsection (18)(c) of this section shall demonstrate to the cabinet that the remedy is protective of human health, safety, and the environment, by considering the following factors:

(a) The characteristics of the substance, pollutant, or contaminant, including its toxicity, persistence, environmental fate and transport dynamics, bioaccumulation, biomagnification, and potential for synergistic interaction and with specific reference to the environment into which the substance, pollutant, or contaminant has been released;

(b) The hydrogeologic characteristics of the facility and the surrounding area;

(c) The proximity, quality, and current and future uses of surface water and groundwater;

(d) The potential effects of residual contamination of potentially impacted surface water and groundwater;

(e) The chronic and acute health effects and environmental consequences to terrestrial and aquatic life of exposure to the hazardous substance, pollutant, or contaminant through direct and indirect pathways;

(f) An exposure assessment; and

(g) All other available information.

(22) A person who submits a proposal to the cabinet pursuant to subsection (18) of this section may request in writing a final determination on the proposal no sooner than thirty (30) days after its submission. When a final determination on the proposal is requested, the cabinet shall make its final determination within sixty (60) working days from the date the request is received by the cabinet. After a final determination has been made, the person requesting the final determination may request a hearing pursuant to the provisions of KRS 224.10-420. Nothing in this subsection shall relieve any person of any obligations imposed by law during an environmental emergency, nor shall it require the cabinet to approve a proposal which would violate this chapter or the administrative regulations promulgated pursuant thereto.

(23) (a) The cabinet shall have a lien against the real and personal property of a person liable for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the property of the person is located.

(b) If a financial institution exempted from liability by subsection (26) of this section conveys the site it has acquired, then the cabinet shall have a lien against the site for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the site is located.

(24) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but shall be used to provide the Commonwealth with a mechanism for additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants.

(25) Defenses to liability, limitations to liability, and rights to contribution shall be determined in accordance with Sections 107(a) to (d) and 113(f) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.

(26) In addition to the defenses and limitations provided in subsection (25) of this section, a financial institution that acquired a site by foreclosure, by receiving an assignment, by deed in lieu of foreclosure, or by otherwise becoming the owner as a result of the enforcement of a mortgage, lien, or other security interest held by the financial institution, shall not be liable under this section with respect to the site, if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before its acquisition;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before its acquisition;

(c) The financial institution did not participate in the day-to-day management of the site before its acquisition;

(d) The financial institution, at the time it acquired the site, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time of acquisition, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection, and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (9) of this section.

(27) In addition to the defenses and limitations provided in subsection (25) of this section, a financial institution serving as a fiduciary with respect to an estate or trust, the assets of which contain a site, shall not be liable under this section with respect to the site if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before it became a fiduciary;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before it became a fiduciary;

(c) The financial institution did not participate in the day-to-day management of the site before it became a fiduciary;

(d) The financial institution, at the time it became a fiduciary, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time it became a fiduciary, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection, and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (9) of this section.

Section 35. KRS 224.60-140 is amended to read as follows:

(1) There is hereby created the petroleum storage tank environmental assurance fund. The fund shall consist of a financial responsibility account and a petroleum storage tank account. Each account shall be maintained as a separate and distinct interest-bearing account. Interest credited to an account shall be retained in that account. All of the following amounts shall be deposited in the fund:

  (a) Four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145 to the financial responsibility account;

  (b) One cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145 to the petroleum storage tank account;

  (c) Money appropriated by the General Assembly for deposit in each account;

  (d) Any money recovered by the fund pursuant to this section shall be deposited in the appropriate account; and

  (e) Any money collected in the form of penalties levied pursuant to KRS 224.60-155 shall be deposited to the appropriate account.

(2) Money in the fund, financial responsibility account and the petroleum storage tank account shall be used by the office for the following purposes:

  (a) To reimburse petroleum storage tank owners or operators for the costs, expenses, and other obligations incurred for corrective action required by the cabinet to be undertaken as the result of a release into the environment from a petroleum storage tank. Reimbursement shall be limited to only those costs, expenses, and other obligations incurred to comply with corrective action requirements established in law or administrative regulation by the cabinet. Additional costs related to compliance with a local program operating under KRS 224.60-105(4) shall be neither reimbursable by the fund nor imposed on the owner or operator. Reimbursement shall not include the costs related to the removal, or actions incidental to the removal, of a tank system except as authorized under KRS 224.60-130***(l)***[~~(2)~~](j);

  (b) For payment of or reimbursement for third-party claims for bodily injury and property damage, related to a facility eligible for participation in the financial responsibility account, which are asserted against a petroleum storage tank owner or operator as a result of a release into the environment from a petroleum storage tank;

  (c) To pay the reasonable, prorated costs incurred by the office in administering each account; and

  (d) The cost to operate the small operators' assistance account pursuant to KRS 224.60-130***(l)***[~~(2)~~](d), the small operators' tank removal account pursuant to KRS 224.60-130***(l)***[~~(2)~~](j), to perform or contract for the performance of financial audits conducted under KRS 224.60-130***(l)***[~~(2)~~](k), and to employ sufficient ***inspectors***[~~assurance fund auditors~~] to carry out the provisions of KRS 224.60-130 and to set forth their duties. These costs shall be prorated to each account.

(3) The use of the fund shall not exceed one million dollars ($1,000,000) per occurrence for corrective action and one million dollars ($1,000,000) per occurrence for compensating third parties for bodily injury and property damage.

(4) Money in the fund may be used by the cabinet for costs incurred by the cabinet for corrective action taken pursuant to KRS 224.60-135(2) and (4).

(5) The fund shall be used to guarantee payment of reasonable costs and expenses to a contractor performing corrective action under contract with a petroleum storage tank owner or operator subject to entry level amounts payable by the petroleum storage tank owner or operator. Money in the fund shall be obligated to secure the guarantee.

(6) A petroleum storage tank owner or operator may apply to the office for reimbursement from the fund of costs to perform corrective action, except that the petroleum storage tank owner or operator shall be responsible for and shall not be

reimbursed for an amount equal to the entry level into the fund as set pursuant to administrative regulation of the office.

(7) The office or its designated agent shall issue all decisions made on claims filed pursuant to this section in writing, with notification to all appropriate parties, within ninety (90) days after submission of the claim, unless all parties to the claim agree in writing to an extension of time. The office shall by phone or facsimile transmission immediately notify the claim applicant and its consultant, if applicable, when the claim is determined to be deficient. The notification shall provide sufficient information to allow the applicant and its consultant, if applicable, to begin to correct the deficiency. The office shall then notify the applicant and its consultant, if applicable, by certified mail of the deficiency. The notice shall indicate how many days remain in the ninety (90) day review period from the time of mailing. The review period shall be tolled pending submittal of information responding to the deficiency, but not to exceed thirty (30) days. When the office receives information that corrects the deficiency, or at the end of the thirty (30) day period, the office shall complete the review of the claim within the time remaining in the ninety (90) day review period. Nothing in this section shall be construed as preventing the fund from making partial reimbursement as appropriate.

(8) Except as provided in subsection (9), any costs incurred and payable from the fund for corrective action taken pursuant to KRS 224.60-135(2) shall be recovered by the office from the petroleum storage tank owner or operator which released the petroleum or petroleum products into the environment.

(9) The liability of a petroleum storage tank owner or operator subject to a cost recovery under this section shall not exceed an amount equal to the entry level into the fund, the office's cost incurred in the cost recovery, and any penalties applied in accordance with KRS 224.60-155. This amount shall include any expenditures made by the petroleum storage tank owner or operator for the release into the environment from the petroleum storage tank that is the subject of the cost of recovery.

(10) The amount of costs determined pursuant to subsections (8) and (19) of this section shall be recoverable in a civil action. This subsection does not deprive a party of any defense the party may have.

(11) Money recovered by the office pursuant to this section shall be deposited in the appropriate account.

(12) Upon motion and sufficient showing by any party, the court shall join to the action any person who may be liable for costs or expenditures recoverable pursuant to this section.

(13) (a) Any party found liable for any costs or expenditures recoverable under this section who establishes that only a portion of those costs or expenditures are attributable to their actions, shall pay only for that portion.

(b) If the trier of fact finds the evidence insufficient to establish each party's portion of costs or expenditures pursuant to subsection (12) of this section, the court shall apportion those costs or expenditures, to the extent practicable according to equitable principles among the defendants.

(c) The appropriate account shall pay any portion of the judgment in excess of the aggregate amount of costs or expenditures apportioned under paragraphs (a) and (b) of this subsection.

(14) (a) No indemnification, hold harmless, conveyance, or similar agreement shall be effective to transfer any liability for costs recoverable under this section. This subsection shall not bar any agreement to insure, hold harmless, or indemnify a party to the agreement for any costs under KRS 224.60-105 to 224.60-160.

(b) The entry of judgment against any party to the action shall not bar any future action by the fund against any other person who is later discovered to be potentially liable for costs paid from the fund.

(c) Payment of any claim by the fund pursuant to KRS 224.60-105 to 224.60-160 shall be subject to the state acquiring by subrogation the rights of the claimant to recover those costs of corrective action for which it has compensated the claimant from the person responsible or liable for the release.

(15) This section shall not be construed as authorizing recovery for costs of corrective action resulting from any release authorized or permitted pursuant to state or federal law.

(16) The cabinet shall attempt, to the maximum extent practicable, to secure or obtain funds that may be available for corrective actions under federal laws. However, nothing in this subsection shall prevent the cabinet from expending any funds available under KRS 224.60-105 to 224.60-160 if such federal funds are determined to be unavailable.

(17) The fund shall not be used for corrective action, reimbursement, or third-party liability resulting from releases from petroleum storage tanks used exclusively for storage of fuel used in the operation of a commercial ship or vessel oil tanks used exclusively for storage of fuel used for the purposes of powering locomotives.

(18) (a) Any person filing a claim for reimbursement from the office shall, prior to filing the claim for reimbursement, ensure full payment of the claims of all vendors and subcontractors who have performed work or supplied materials related to corrective action at an underground storage tank facility, where labor or materials supplied by a vendor or subcontractor form a basis for at least part of the claim for reimbursement.

(b) A vendor or subcontractor may waive, in writing, his right to receive full payment before the person files the claim for reimbursement. Any vendor or subcontractor who waives, in writing, his right to full payment shall also waive, in writing, his right to take legal recourse against the office and the underground storage tank facility owner or operator for nonpayment from a prime contractor for work performed or materials supplied to the prime contractor during corrective action at an underground storage tank facility. Any vendor or subcontractor who waives, in writing, his right to full payment prior to the filing of the claim for reimbursement shall acknowledge in the written waiver that his, his heirs', successors', and assigns' sole recourse for the nonpayment of work performed or materials supplied to a prime contractor during corrective action at an underground storage tank facility is to proceed against the prime contractor for whom he performed the work or supplied materials. Any vendor or subcontractor who waives, in writing, his right to full payment prior to the filing of the claim for reimbursement shall release and discharge any liens filed as a result of work performed or materials provided at the underground storage tank facility. Subcontractor and vendor waivers must be made on standard forms furnished by the office. Their signatures must be notarized.

(c) Unless the provisions of paragraph (b) of this subsection apply, any person filing a claim for reimbursement from the office shall certify, by affidavit, on standard forms furnished by the office, that all vendors and subcontractors who have performed work or supplied materials related to corrective action at an underground storage tank facility, where labor and materials supplied by a vendor or subcontractor form a basis for at least part of the claim for reimbursement, have been paid in full as of the date of submission of the claim for reimbursement. A single affidavit may be made for each claim for reimbursement, provided, however, that the representations made in the affidavit shall be applied to each vendor or subcontractor individually, and, where false, shall be treated, as to each vendor or subcontractor, as a separate violation for the purpose of applying any criminal statute.

(d) Any person with responsibility for administering the office who believes, or has information, that an affidavit submitted pursuant to this subsection contains false or misleading information, or any person with responsibility for administering the office who believes or has information that an application for financial assistance or a claim for reimbursement contains false or misleading information, shall provide that information to the Commonwealth's attorney whose jurisdiction includes the county where the majority of the subject underground storage tank facility is located. That person may additionally provide the information to any other interested prosecutor with jurisdiction to prosecute crimes pertaining to an application for financial assistance or the claim for reimbursement.

(19) Any person who knowingly makes a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be responsible for and shall not be reimbursed for any amounts incurred based upon the false statement, representation, or certification. Any costs incurred and paid from the fund which are based on a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be recovered by the fund administrators from the person who asserted the false statement, representation, or certification.

Section 11. KRS 68.178 is amended to read as follows:

(1) The fiscal court of any county may license off-site waste management facilities located within the county with the imposition of a license fee at a percentage rate not to exceed two percent (2%) per annum of the gross receipts of such a waste management facility owned or operated by self-employed individuals, partnerships, or corporations. The proceeds from the license fee shall be used to defray the general revenue requirements of the county where the facility is located. For purposes of assessing the licensing fee provided for in this section, off-site waste management shall consist of establishing and operating a facility whose principal purpose is treatment, storage, disposal, or a combination of these activities but shall not include those treatment, storage, or disposal activities which occur incidental to or which are not otherwise distinguishable from a broader manufacturing operation at the site of said operation.

(2) (a) The fiscal court of a county or the urban-county council of an urban-county government may license a solid waste landfill located within the county or urban-county area. The license fee may be set at not less than one cent ($0.01) but no more than fifty cents ($0.50) per ton of waste received by the landfill or set at up to five percent (5%) of gross receipts of the landfill.

(b) The license fee as set may be increased by an amount up to one-quarter (1/4) of the base fee per ton or on gross receipts of waste received at the landfill which originates from outside of the planning area. For purposes of this section, planning area shall mean those areas within Kentucky as indicated in solid waste management plans filed with the cabinet by a county, multicounty area, or waste management district. However, before a fee differential may be imposed the county or urban-county government shall demonstrate that the differential is reasonably related to additional government services which must be undertaken because of the landfilling of nonplanning area waste. This demonstration may be made by showing an unplanned for reduction in waste disposal capacity and a need to provide for future disposal capacity or impacts on roads, litter control or emergency services.

(c) The proceeds from the license fee shall be used to defray the government services provided to the landfill, necessary clean-up operations or emergency responses related to operation of the landfill or transporting waste to the landfill, necessary maintenance, improvement or construction of roads, and for the general revenue requirements of the county or urban-county government where the landfill is located.

(d) ~~[Five percent (5%) of the license fee shall be remitted annually to the Natural Resources and Environmental Protection Cabinet until July 30, 1990. The cabinet shall use the amount received for state solid waste management activities.]~~Ten percent (10%) *of the license fee* shall be remitted annually in equal shares to all counties and urban-county governments in the planning area served by the landfill from where the fees originated which shall be used for local solid waste planning and plan implementation. Counties or urban-county governments desiring to impose the fee provided for herein are authorized to accept payments in lieu of the fee under duly-executed contracts between the county and the permitted site or facility. The fee provided for in this subsection shall be in lieu of the provisions of subsection (1). Special waste, as defined in KRS 224.50-760, except for waste from sanitary wastewater treatment facilities, shall be exempt from this subsection.

(3) In the case of hazardous waste facilities involving land disposal, including a regional integrated waste treatment and disposal demonstration facility as defined in KRS Chapter 224, the rate levied under this section shall be not more than five percent (5%) per annum of the gross receipts and shall be calculated so as to produce sufficient revenue to compensate the county for any additional costs incurred by it from having a hazardous waste facility located in its jurisdiction, including, but not limited to, the loss of ad valorem property tax revenues from the property on which the facility is located, the loss of ad valorem property tax revenues from abutting properties or other affected properties, the cost of providing any additional emergency services, the cost of monitoring air, surface water, ground water to the extent that other monitoring data is not available, and other costs established as being associated with the facility and for which the county is not otherwise compensated.

Section 15. KRS 224.60-130 is amended to read as follows:

(1) [~~There is created within ~~]The ***Environmental and*** Public Protection[~~ and Regulation~~] Cabinet, ***Department for Environmental Protection, Division of Waste Management***[~~Office of the Secretary, the Office of Petroleum Storage Tank Environmental Assurance Fund.~~

~~(2) The Office of Petroleum Storage Tank Environmental Assurance Fund~~] shall***, among its functions***:

(a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the ***division***[~~office~~] may distinguish between types, classes, and ages of petroleum storage tanks. The ***division***[~~office~~] may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the ***division***[~~office~~] for reimbursement from the fund for the performance of corrective action. At a minimum, the ***division***[~~office~~] shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the ***division***[~~office~~] shall obligate funds necessary to meet these requirements;

(b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The ***division***[~~office~~] may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the ***division***[~~office~~] on or before January 15, 2004. To insure cost effectiveness, the ***division***[~~office~~] shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the ***division***[~~office~~] may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

(c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the ***division***[~~office~~];

(d) Establish a small operator assistance account within the fund which may be used by the ***division***[~~office~~] to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

(e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, 2009. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2002, the ***division***[~~office~~] shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The ***division***[~~office~~] shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the ***division***[~~office~~] shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

(f)[~~Hear complaints brought before the office regarding the payment of claims from the fund in accordance with KRS Chapter 13B;~~

~~(g)~~] Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

(g)[~~(h)~~] Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the ***division***[~~office~~], for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The ***division***[~~office~~] shall, by administrative regulation, set the entry level for participation in the fund;

(h)[~~(i)~~] Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;

(i)[~~(j)~~] Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the ***division***[~~office~~] may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;

(j)[~~(k)~~] Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;

(k)[~~(l)~~] Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The ***division***[~~office~~] may collect soil or water samples or require storage tank owners or operators to split samples with the ***division***[~~office~~] for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the ***division***[~~office~~] to collect or split samples shall make the facility ineligible for fund participation;

(l)[~~(m)~~] Have ***inspectors***[~~assurance fund auditors~~] on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the ***division***[~~office~~] schedule an ***inspector***[~~assurance fund auditor~~] to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an ***inspector***[~~auditor~~] fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the ***division***[~~assurance fund~~] no later than ten (10) days prior to the proposed date that an ***inspector***[~~auditor~~] is not available on the proposed date, in which event a representative of the *division*[~~assurance fund~~] shall contact the operator and schedule a new date. If no *inspector*[~~auditor~~] is present at the rescheduled date, the removal may then proceed without penalty; and

(m)[~~(n)~~] Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter or by July 15, 2010, whichever is earlier. Claims received after July 15, 2010, are not eligible for reimbursement.

The funding and operations of the small operator assistance account and the small operator's tank removal account shall end on July 15, 2004.

(2)[~~(3)~~] The *division*[~~office~~] may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.

(3)[~~(4)~~] The *division*[~~office~~] may sue and be sued in its own name.

(4)[~~(5)~~] The *division*[~~office~~] may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The *division*[~~office~~] may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (2)(c) of this section.

If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director ***of oil and gas conservation*** recommending that the director ***of oil and gas conservation***:

(a) Accept the proposal as submitted by the well operator; or

(b) Accept the proposal with modifications set forth by the mediator.

(5) If an agreement between the well operator and the surface owners of all disturbed areas is not forthcoming after mediation, the mediator shall consider the following factors as to the reasonable use of the surface by the well operator in issuing a report to the director ***of oil and gas conservation***, which recommendations shall become permit conditions:

(a) The location of roads, gathering lines, and tank batteries;

(b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;

(c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;

(d) Whether the proposal includes a plan for timely, effective reclamation of all disturbed areas; and

(e) Any other information deemed appropriate by the mediator.

(6) The director ***of oil and gas conservation*** shall act upon the recommendation of the mediator within five (5) days of the receipt of the mediation report.

Section 29. KRS 353.630 is amended to read as follows:

(1) Whenever any separate tract of land is so situated because of size or other condition that it does not contain a location at which a well for oil or gas may be drilled, deepened, or reopened by reason of the spacing provisions of KRS 353.610, the ***Division of Oil and Gas Conservation***~~[department]~~ shall order, after notice and a hearing, the pooling of all oil and gas interests in the separate tract or in a portion thereof with all like interests in a contiguous tract or tracts, or portions thereof, as are necessary to afford the pooled tracts one (1) location for the drilling, deepening, or reopening of a well for the

production of oil or gas in compliance with the spacing requirements of KRS 353.500 to 353.720. The ***division***[~~department~~] shall require the development and operation of all pooled acreage as a single leasehold estate in accordance with regulations and rules promulgated under KRS 353.500 to 353.720.

(2) Whenever an operator proposes to drill, deepen, or reopen a well at a location that would require the pooling of separate tracts or interests in order to comply with the spacing requirements of KRS 353.610, and the operator has secured the written consent or agreement from the owners of at least fifty-one percent (51%) of the interests in each tract, or portions thereof, included in the proposed pooled acreage, the ***division***[~~department~~] shall, where it finds that the requirements of this subsection have been met, order, after notice and a hearing, the pooling of all oil and gas interests in all tracts, or portions thereof, that are included within the proposed pooled acreage as established by the spacing requirements of KRS 353.610. For purposes of this section, any unknown or nonlocatable owners shall be deemed to have consented or agreed to the pooling, provided that the operator has complied with the publication requirements of KRS 353.640(1) with respect to the unknown or nonlocatable owners. The ***division***[~~department~~] shall issue a permit to drill, deepen, or reopen the well and require the development and operation of the pooled acreage as a single leasehold estate in accordance with administrative regulations promulgated under KRS 353.500 to 353.720.

(3) Whenever an operator proposes to drill, deepen, or reopen a well at a location that would require the pooling of interests or tracts in order to comply with the spacing requirements of KRS 353.610, and the operator owns or controls the right to develop the oil and gas underlying one hundred percent (100%) of the interests in each tract, or portions thereof, included in the proposed pooled acreage, the ***division***[~~department~~] shall, where it finds that the requirements of this subsection have been met, order, after notice and a hearing, the pooling of all oil and gas interests in all tracts, or portions thereof, that are included within the proposed pooled acreage established by the spacing requirements of KRS 353.610. The ***division***[~~department~~] shall issue a permit to drill, deepen, or reopen the well and require the development and operation of all pooled tracts as a single leasehold estate in accordance with administrative regulations promulgated under KRS 353.500 to 353.720.

(4) No pooling as permitted by this section shall be ordered except:

(a) When an application has been filed to drill, deepen, or reopen a well within the distance limitations prescribed in KRS 353.610; and

(b) When a lessee or owner of an oil or gas interest in the tract shall request the pooling.

(5) No pooling as permitted by this section shall be ordered with respect to any tract or portion thereof upon which a well is drilled, deepened, or reopened:

(a) Unless the pooling was requested prior to the commencement of the drilling, deepening, or reopening of the well by a lessee or owner of an oil and gas interest in a contiguous tract pursuant to subsection (1), (2), or (3) of this section; and

(b) Unless the request, if made by the owner of an operating interest who elects to participate in the risk and cost of the drilling, deepening, or reopening of the well, is accompanied by a bond or other security satisfactory to and in an amount set by the director ***of oil and gas conservation*** for the payment of such owner's share of the cost of drilling, deepening, or reopening the well.

(6) Production from any well which is ordered pooled pursuant to KRS 353.500 to 353.720 shall be deemed for all purposes to have been so produced from each tract or portion thereof included in the pool in proportion to the amounts established in the pooling order.

Section 30. KRS 353.640 is amended to read as follows:

(1) The operator shall provide a list to the ***Division of Oil and Gas Conservation***[~~department~~] of all persons reasonably known to own an oil or gas interest in any tract, or portion thereof, proposed to be pooled in an application to the ***division***[~~department~~] for a pooling order. A pooling order shall be made only after the ***division***[~~department~~] provides notice to all persons reasonably known to own an oil or gas interest in any tract, or a portion thereof, proposed to be pooled after a hearing has been held. In the event of the filing of an application for a pooling order under KRS 353.630(2) where unknown owners or nonlocatable owners exist, the operator shall cause to be published, at least twenty (20) days prior to the hearing on the application for the pooling order, one (1) notice in the newspaper of the largest circulation in each county in which any tract, or portion thereof, proposed to be pooled is located. The notice shall:

(a) State that an application for a pooling order is being filed with the Division of Oil and Gas in the department;

(b) Describe any tract, or portion thereof, proposed to be pooled;

(c) In the case of an unknown owner, identify the name of the last known owner;

(d) In the case of a nonlocatable owner, identify the owner and the owner's last known address; and

(e) State that any party claiming an interest in any tract, or portion thereof, proposed to be pooled should contact the operator at the published address and provide a copy of the notification to the director of the Division of Oil and Gas in the department within twenty (20) days of the date of publication.

(2) A pooling order shall authorize the drilling, deepening, or reopening, and the operation of a well for the production of oil or gas on the tracts or portions thereof pooled; shall designate the operator to drill and operate the well; shall prescribe the

time and manner in which all owners of operating interests in the pooled tracts or portions thereof may elect to participate therein; shall provide that all reasonable costs and expenses of drilling, deepening, or reopening, and the completing, operating, plugging, and abandoning the well shall be borne, and all production from the well shall be shared by all owners of operating interests in proportion to the net mineral acres in the pooled tracts owned or under lease to each owner; and shall make provision for the payment of the reasonable actual cost thereof, including a reasonable charge for supervision, by all those who elect to participate therein.

(3) A pooling order shall establish a procedure for the owner of an operating interest who does not decide to become a participating operator to elect to either:

(a) Surrender, by means of sale or lease, the interest to a participating operator on a reasonable basis and for a reasonable consideration, which if not agreed upon shall be determined by the director ***of oil and gas conservation***; or

(b) Share in the operation of the well as a nonparticipating operator on a carried basis after the proceeds allocable to his or her share equal two hundred percent (200%) of the share of the costs allocable to his or her interest.

(4) An oil or gas owner whose identity and location remain unknown at the conclusion of a hearing concerning the entry of a pooling order for which public notice was given and whose interest is pooled pursuant to KRS 353.630(3) shall be deemed to have elected to lease the interest to the oil or gas operator, exclusive of one-eighth (1/8) of the production attributable to the unleased interest, and shall not be entitled to make the election established in subsection (3) of this section.

(5) Except as provided in this subsection, an oil or gas owner who does not make an election under the pooling order within thirty (30) days of the entry of the order shall be deemed to have leased the oil or gas interest to the oil or gas well operator in the manner established in subsection (4) of this section. If the holder of an operating interest has obtained the interest by lease or other agreement granting the right to conduct operations to anyone other than the holder of the oil and gas estate, and if the owner of the operating interest does not make an election under the pooling order, the holder of the operating interest shall be deemed to have elected to share in the operation of the well as a nonparticipating operator on a carried basis after the proceeds allocable to his or her share equal two hundred percent (200%) of the share of the costs allocable to his or her interest.

(6) A person whose interest is subject to an oil or gas lease or other agreement which grants to another the right to operate or conduct operations shall not own an operating interest for the purposes of subsection (3) of this section.

(7) A certified copy of any pooling order entered under KRS 353.500 to 353.720 shall be entitled to be recorded in the office of the county clerk of the county or counties in which all or any portion of the pooled tract is located, and the record of the order, from the time of lodging the order for record, shall be notice of the order to all persons.

Section 31. KRS 353.650 is amended to read as follows:

(1) If one (1) or more of the owners of any operating interest in any portion of the pooled tract shall drill, deepen or reopen and operate, or pay the costs of drilling, deepening or reopening and operating a well for the benefit of another owner of an opening interest, as provided in the pooling order, then such owner or owners shall be entitled to the proceeds from the share of production from the tracts or portions thereof pooled accruing to the interest of such other owner, exclusive of any royalty reserved in any lease or leases of such tracts or portions thereof or exclusive of one-eighth (1/8) of production attributable to all unleased tracts or portions thereof, until such proceeds equal the sums payable by or charged to the interest of the other owner plus a reasonable charge for interest on such sums.

(2) If a dispute shall arise as to the costs of drilling, deepening or reopening, and operating a well, the director ***of oil and gas conservation*** shall determine and apportion the costs.

Section 32. KRS 353.670 is amended to read as follows:

(1) All rules, regulations and amendments promulgated under KRS 353.500 to 353.720 shall be promulgated by the ***Division of Oil and Gas Conservation***[~~department~~] after notice and a hearing. At all hearings held to consider any rules, regulations or amendments thereto, any interested person shall be entitled to be heard.

(2) All hearings held under this section shall be held at such time and place as is specified by the ***division***[~~department~~], and according to rules and regulations promulgated under KRS 353.500 to 353.720. A written record of each hearing shall be kept, unless the keeping of a record shall be waived by all parties who participate therein. All interested persons shall be entitled to be heard at all hearings conducted under KRS 353.500 to 353.720.

(3) The director ***of oil and gas conservation***, or his representatives, shall attend all hearings under this section conducted by the ***division***[~~department~~].

(4) All rules, regulations and orders promulgated or issued under KRS 353.500 to 353.720 shall be in writing, shall be entered in full and indexed in books to be kept by the ***division***[~~department~~] for that purpose, shall be public records open for inspection at all times during office hours, and shall be filed in accordance with the provisions of KRS Chapter 13A. A copy of any rule, regulation or order, certified by the commissioner or director ***of oil and gas conservation***, shall be received in evidence in all courts of this Commonwealth without any further authentication thereof.

Within seven (7) days of providing any written notification to the United States Environmental Protection Agency, the person shall submit to the cabinet a copy of the release notification submitted to the United States Environmental Protection Agency. The cabinet shall not require additional information pursuant to subsection (5) of this section if the release notification is in compliance with this subsection, unless a written report is required under subsection (8) of this section or the release or threatened release constitutes an environmental emergency.

Notification received by the cabinet of a threatened release or discharge shall not be deemed a separate incident.

(14) The cabinet shall be the lead agency for hazardous substance, pollutant, or contaminant emergency spill response and, after consultation with other affected federal, state, and local agencies and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the release of a hazardous substance, pollutant, or contaminant. The contingency plan shall:

(a) Provide for efficient, coordinated, and effective action to minimize damage to the air, land, and waters of the Commonwealth caused by the release or threatened release of hazardous substances, pollutants, or contaminants;

(b) Include containment, cleanup, and disposal procedures;

(c) Provide for remediation or restoration of the lands or waters affected consistent with this section;

(d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;

(e) Provide for the identification, procurement, maintenance, and storage of necessary equipment and supplies;

(f) Provide for designation of persons trained, prepared, and available to provide the necessary services to carry out the plan; and

(g) Establish procedures and techniques for identifying, containing, removing, and disposing of hazardous substances released or being released.

(15) The cabinet shall have the authority, power, and duty to:

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual and necessary costs expended in response to a threatened release, an environmental emergency, or a release of a hazardous substance that is reportable under this section. Except as provided in paragraph (b) of this subsection, this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof, or the amount of liability of any person;

(b) Notwithstanding paragraph (a) of this subsection, recover its costs incurred in the removal of oil or hazardous substances discharged in violation of Section 311(b)(3) of the Federal Clean Water Act from any person liable therefor under Section 311 of the Federal Clean Water Act subject to limitations of liability and defenses provided in the section. The limitations of liability shall apply to the total of state and federal expenses; and

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the release or threatened release is unknown, the cabinet or its agent may contain, remove, or dispose of the hazardous substance, pollutant, or contaminant or take any other action consistent with this section, including, but not limited to, issuance of an emergency order as provided in KRS 224.10-410 to the person possessing, controlling, or responsible for the release or threatened release as necessary for the protection of the environment and public health, safety, or welfare.

(16) Any duly authorized officer, employee, or agent of the cabinet may upon notice to the owner or occupant enter any property, premises, or place at any time for the purposes of this section, if the entry is necessary to prevent damage to the air, land, or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(17) The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant, or contaminant. In preparing the inventory, the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.

(18) Any person possessing or controlling a hazardous substance, pollutant, or contaminant which is released to the environment, or any person who caused a release to the environment of a hazardous substance, pollutant, or contaminant, shall characterize the extent of the release as necessary to determine the effect of the release on the environment, and shall take actions necessary to correct the effect of the release on the environment. Any person required to take action under this subsection shall have the following options:

(a) Demonstrating that no action is necessary to protect human health, safety, and the environment;

(b) Managing the release in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, provided that the management may include any existing or proposed engineering or institutional controls and the maintenance of those controls;

(c) Restoring the environment through the removal of the hazardous substance, pollutant, or contaminant; or

(d) Any combination of paragraphs (a) to (c) of this subsection.

(19) Unless otherwise required by the cabinet, a person required to characterize the extent of a release and correct the effect of the release on the environment under subsection (18) of this section may take those actions without making the demonstrations to the cabinet required by subsections (18) to (21) of this section, if:

(a) The release is less than the reportable quantity of a hazardous substance, pollutant, or contaminant;

(b) The release is of a pollutant or contaminant for which a reportable quantity has not been established by administrative regulation promulgated pursuant to subsection (2) of this section, if the release does not present an imminent or substantial danger to the public health or welfare; or

(c) The release is authorized by a state or federal permit.

(20) If a person required to take action under subsection (18) of this section demonstrates to the cabinet that, pursuant to subsection (18)(a) of this section, no action is necessary to protect human health, safety, and the environment or, pursuant to subsection (18)(b) of this section, the release will be managed in a manner that controls and minimizes the harmful effects of the release and protects human health, safety, and the environment, the cabinet shall not require restoration of the environment through the removal of the hazardous substance, pollutant, or contaminant pursuant to subsection (18)(c) of this section.

(21) A person required to take action under subsection (18) of this section who does not restore the environment through removal of the hazardous substance, pollutant, or contaminant in accordance with subsection (18)(c) of this section shall demonstrate to the cabinet that the remedy is protective of human health, safety, and the environment, by considering the following factors:

(a) The characteristics of the substance, pollutant, or contaminant, including its toxicity, persistence, environmental fate and transport dynamics, bioaccumulation, biomagnification, and potential for synergistic interaction and with specific reference to the environment into which the substance, pollutant, or contaminant has been released;

(b) The hydrogeologic characteristics of the facility and the surrounding area;

(c) The proximity, quality, and current and future uses of surface water and groundwater;

(d) The potential effects of residual contamination of potentially impacted surface water and groundwater;

(e) The chronic and acute health effects and environmental consequences to terrestrial and aquatic life of exposure to the hazardous substance, pollutant, or contaminant through direct and indirect pathways;

(f) An exposure assessment; and

(g) All other available information.

(22) A person who submits a proposal to the cabinet pursuant to subsection (18) of this section may request in writing a final determination on the proposal no sooner than thirty (30) days after its submission. When a final determination on the proposal is requested, the cabinet shall make its final determination within sixty (60) working days from the date the request is received by the cabinet. After a final determination has been made, the person requesting the final determination may request a hearing pursuant to the provisions of KRS 224.10-420. Nothing in this subsection shall relieve any person of any obligations imposed by law during an environmental emergency, nor shall it require the cabinet to approve a proposal which would violate this chapter or the administrative regulations promulgated pursuant thereto.

(23) (a) The cabinet shall have a lien against the real and personal property of a person liable for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the property of the person is located.

(b) If a financial institution exempted from liability by subsection (26) of this section conveys the site it has acquired, then the cabinet shall have a lien against the site for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the site is located.

(24) Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but shall be used to provide the Commonwealth with a mechanism for additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants.

(25) Defenses to liability, limitations to liability, and rights to contribution shall be determined in accordance with Sections 107(a) to (d) and 113(f) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.

(26) In addition to the defenses and limitations provided in subsection (25) of this section, a financial institution that acquired a site by foreclosure, by receiving an assignment, by deed in lieu of foreclosure, or by otherwise becoming the owner as a result of the enforcement of a mortgage, lien, or other security interest held by the financial institution, shall not be liable under this section with respect to the site, if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before its acquisition;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before its acquisition;

(c) The financial institution did not participate in the day-to-day management of the site before its acquisition;

(d) The financial institution, at the time it acquired the site, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time of acquisition, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection, and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (9) of this section.

(27) In addition to the defenses and limitations provided in subsection (25) of this section, a financial institution serving as a fiduciary with respect to an estate or trust, the assets of which contain a site, shall not be liable under this section with respect to the site if:

(a) The financial institution served only in an administrative, custodial, financial, or similar capacity with respect to the site before it became a fiduciary;

(b) The financial institution did not control or direct the handling of the material causing the environmental emergency, or control or direct the handling of the hazardous substance, pollutant, or contaminants, at the site before it became a fiduciary;

(c) The financial institution did not participate in the day-to-day management of the site before it became a fiduciary;

(d) The financial institution, at the time it became a fiduciary, did not know and had no reason to know that a hazardous substance, pollutant, or contaminant was disposed at the site. For purposes of this paragraph, the financial institution shall have undertaken, at the time it became a fiduciary, all appropriate inquiries into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. What actions constitute all appropriate inquiries shall be determined by taking into account any specialized knowledge or experience on the part of the financial institution, the relationship of the market value of the site to the value of the site if uncontaminated, commonly known or reasonably ascertainable information about the site, the obviousness of the presence or likely presence of contamination at the site, the ability to detect the contamination by appropriate inspection, and any other relevant factor;

(e) The financial institution, when it undertakes actions to protect or preserve the value of the site, undertakes those actions in accordance with this chapter and the administrative regulations adopted pursuant thereto;

(f) The financial institution, its employees, agents, and contractors did not cause or contribute to an environmental emergency, or to a release or threatened release of a hazardous substance, pollutant, or contaminant; and

(g) The financial institution complies with the release notification requirements of subsection (9) of this section.

Section 35. KRS 224.60-140 is amended to read as follows:

(1) There is hereby created the petroleum storage tank environmental assurance fund. The fund shall consist of a financial responsibility account and a petroleum storage tank account. Each account shall be maintained as a separate and distinct interest-bearing account. Interest credited to an account shall be retained in that account. All of the following amounts shall be deposited in the fund:

(a) Four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145 to the financial responsibility account;

(b) One cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145 to the petroleum storage tank account;

(c) Money appropriated by the General Assembly for deposit in each account;

(d) Any money recovered by the fund pursuant to this section shall be deposited in the appropriate account; and

(e) Any money collected in the form of penalties levied pursuant to KRS 224.60-155 shall be deposited to the appropriate account.

(2) Money in the fund, financial responsibility account and the petroleum storage tank account shall be used by the office for the following purposes:

(a) To reimburse petroleum storage tank owners or operators for the costs, expenses, and other obligations incurred for corrective action required by the cabinet to be undertaken as the result of a release into the environment from a petroleum storage tank. Reimbursement shall be limited to only those costs, expenses, and other obligations incurred to comply with corrective action requirements established in law or administrative regulation by the cabinet. Additional costs related to compliance with a local program operating under KRS 224.60-105(4) shall be neither reimbursable by the fund nor imposed on the owner or operator. Reimbursement shall not include the costs related to the removal, or actions incidental to the removal, of a tank system except as authorized under KRS 224.60-130***(1)(i)***[~~(2)(j)~~];

(b) For payment of or reimbursement for third-party claims for bodily injury and property damage, related to a facility eligible for participation in the financial responsibility account, which are asserted against a petroleum storage tank owner or operator as a result of a release into the environment from a petroleum storage tank;

(c) To pay the reasonable, prorated costs incurred by the office in administering each account; and

(d) The cost to operate the small operators' assistance account pursuant to KRS 224.60-130***(1)***[~~(2)~~](d), the small operators' tank removal account pursuant to KRS 224.60-130***(1)(i)***[~~(2)(j)~~], to perform or contract for the performance of financial audits conducted under KRS 224.60-130***(1)(j)***[~~(2)(k)~~], and to employ sufficient ***inspectors***[~~assurance fund auditors~~] to carry out the provisions of KRS 224.60-130 and to set forth their duties. These costs shall be prorated to each account.

(3) The use of the fund shall not exceed one million dollars ($1,000,000) per occurrence for corrective action and one million dollars ($1,000,000) per occurrence for compensating third parties for bodily injury and property damage.

(4) Money in the fund may be used by the cabinet for costs incurred by the cabinet for corrective action taken pursuant to KRS 224.60-135(2) and (4).

(5) The fund shall be used to guarantee payment of reasonable costs and expenses to a contractor performing corrective action under contract with a petroleum storage tank owner or operator subject to entry level amounts payable by the petroleum storage tank owner or operator. Money in the fund shall be obligated to secure the guarantee.

(6) A petroleum storage tank owner or operator may apply to the office for reimbursement from the fund of costs to perform corrective action, except that the petroleum storage tank owner or operator shall be responsible for and shall not be reimbursed for an amount equal to the entry level into the fund as set pursuant to administrative regulation of the office.

(7) The office or its designated agent shall issue all decisions made on claims filed pursuant to this section in writing, with notification to all appropriate parties, within ninety (90) days after submission of the claim, unless all parties to the claim agree in writing to an extension of time. The office shall by phone or facsimile transmission immediately notify the claim applicant and its consultant, if applicable, when the claim is determined to be deficient. The notification shall provide sufficient information to allow the applicant and its consultant, if applicable, to begin to correct the deficiency. The office shall then notify the applicant and its consultant, if applicable, by certified mail of the deficiency. The notice shall indicate how many days remain in the ninety (90) day review period from the time of mailing. The review period shall be tolled pending submittal of information responding to the deficiency, but not to exceed thirty (30) days. When the office receives information that corrects the deficiency, or at the end of the thirty (30) day period, the office shall complete the review of the claim within the time remaining in the ninety (90) day review period. Nothing in this section shall be construed as preventing the fund from making partial reimbursement as appropriate.

(8) Except as provided in subsection (9), any costs incurred and payable from the fund for corrective action taken pursuant to KRS 224.60-135(2) shall be recovered by the office from the petroleum storage tank owner or operator which released the petroleum or petroleum products into the environment.

(9) The liability of a petroleum storage tank owner or operator subject to a cost recovery under this section shall not exceed an amount equal to the entry level into the fund, the office's cost incurred in the cost recovery, and any penalties applied in accordance with KRS 224.60-155. This amount shall include any expenditures made by the petroleum storage tank owner or operator for the release into the environment from the petroleum storage tank that is the subject of the cost of recovery.

(10) The amount of costs determined pursuant to subsections (8) and (19) of this section shall be recoverable in a civil action. This subsection does not deprive a party of any defense the party may have.

(11) Money recovered by the office pursuant to this section shall be deposited in the appropriate account.

(12) Upon motion and sufficient showing by any party, the court shall join to the action any person who may be liable for costs or expenditures recoverable pursuant to this section.

(13) (a) Any party found liable for any costs or expenditures recoverable under this section who establishes that only a portion of those costs or expenditures are attributable to their actions, shall pay only for that portion.

(b) If the trier of fact finds the evidence insufficient to establish each party's portion of costs or expenditures pursuant to subsection (12) of this section, the court shall apportion those costs or expenditures, to the extent practicable according to equitable principles among the defendants.

(c) The appropriate account shall pay any portion of the judgment in excess of the aggregate amount of costs or expenditures apportioned under paragraphs (a) and (b) of this subsection.

(14) (a) No indemnification, hold harmless, conveyance, or similar agreement shall be effective to transfer any liability for costs recoverable under this section. This subsection shall not bar any agreement to insure, hold harmless, or indemnify a party to the agreement for any costs under KRS 224.60-105 to 224.60-160.

(b) The entry of judgment against any party to the action shall not bar any future action by the fund against any other person who is later discovered to be potentially liable for costs paid from the fund.

(c) Payment of any claim by the fund pursuant to KRS 224.60-105 to 224.60-160 shall be subject to the state acquiring by subrogation the rights of the claimant to recover those costs of corrective action for which it has compensated the claimant from the person responsible or liable for the release.

(15) This section shall not be construed as authorizing recovery for costs of corrective action resulting from any release authorized or permitted pursuant to state or federal law.

(16) The cabinet shall attempt, to the maximum extent practicable, to secure or obtain funds that may be available for corrective actions under federal laws. However, nothing in this subsection shall prevent the cabinet from expending any funds available under KRS 224.60-105 to 224.60-160 if such federal funds are determined to be unavailable.

(17) The fund shall not be used for corrective action, reimbursement, or third-party liability resulting from releases from petroleum storage tanks used exclusively for storage of fuel used in the operation of a commercial ship or vessel oil tanks used exclusively for storage of fuel used for the purposes of powering locomotives.

(18) (a) Any person filing a claim for reimbursement from the office shall, prior to filing the claim for reimbursement, ensure full payment of the claims of all vendors and subcontractors who have performed work or supplied materials related to corrective action at an underground storage tank facility, where labor or materials supplied by a vendor or subcontractor form a basis for at least part of the claim for reimbursement.

(b) A vendor or subcontractor may waive, in writing, his right to receive full payment before the person files the claim for reimbursement. Any vendor or subcontractor who waives, in writing, his right to full payment shall also waive, in writing, his right to take legal recourse against the office and the underground storage tank facility owner or operator for nonpayment from a prime contractor for work performed or materials supplied to the prime contractor during corrective action at an underground storage tank facility. Any vendor or subcontractor who waives, in writing, his right to full payment prior to the filing of the claim for reimbursement shall acknowledge in the written waiver that his, his heirs', successors', and assigns' sole recourse for the nonpayment of work performed or materials supplied to a prime contractor during corrective action at an underground storage tank facility is to proceed against the prime contractor for whom he performed the work or supplied materials. Any vendor or subcontractor who waives, in writing, his right to full payment prior to the filing of the claim for reimbursement shall release and discharge any liens filed as a result of work performed or materials provided at the underground storage tank facility. Subcontractor and vendor waivers must be made on standard forms furnished by the office. Their signatures must be notarized.

(c) Unless the provisions of paragraph (b) of this subsection apply, any person filing a claim for reimbursement from the office shall certify, by affidavit, on standard forms furnished by the office, that all vendors and subcontractors who have performed work or supplied materials related to corrective action at an underground storage tank facility, where labor and materials supplied by a vendor or subcontractor form a basis for at least part of the claim for reimbursement, have been paid in full as of the date of submission of the claim for reimbursement. A single affidavit may be made for each claim for reimbursement, provided, however, that the representations made in the affidavit shall be applied to each vendor or subcontractor individually, and, where false, shall be treated, as to each vendor or subcontractor, as a separate violation for the purpose of applying any criminal statute.

(d) Any person with responsibility for administering the office who believes, or has information, that an affidavit submitted pursuant to this subsection contains false or misleading information, or any person with responsibility for administering the office who believes or has information that an application for financial assistance or a claim for reimbursement contains false or misleading information, shall provide that information to the Commonwealth's attorney whose jurisdiction includes the county where the majority of the subject underground storage tank facility is located. That person may additionally provide the information to any other interested prosecutor with jurisdiction to prosecute crimes pertaining to an application for financial assistance or the claim for reimbursement.

(19) Any person who knowingly makes a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be responsible for and shall not be reimbursed for any amounts incurred based upon the false statement, representation, or certification. Any costs incurred and paid from the fund which are based on a false statement, representation, or certification in an application for reimbursement from the fund, or in any supporting documentation attached thereto, shall be recovered by the fund administrators from the person who asserted the false statement, representation, or certification.

Section 36. The following KRS sections are repealed:

224.10-030 Bodies attached for administrative purposes.

224.10-055 Powers and duties of Governor.

224.10-060 Prior energy regulations and actions in effect until modified.

Section 37. In order to reflect the reorganization effectuated by this Act, the reviser of statutes shall replace references in the Kentucky Revised Statutes to the agencies, subagencies, and officers affected by this Act with references to the appropriate successor agencies, subagencies, and officers established by this Act. The reviser of statutes shall base these actions on the functions assigned to the new entities by this Act and may consult with officers of the affected agencies, or their designees, to receive suggestions.

Section 38. Notwithstanding any provision of KRS Chapter 13A, all administrative regulations in effect on the effective date of this Act pursuant to the statutory authority granted to an agency affected by the provisions of this Act shall remain in effect as they exist on the effective date of this Act until the agency amends or repeals the administrative regulation pursuant to KRS Chapter 13A. The regulations compiler shall change the appropriate administrative regulations in accordance with the provisions of this Act. The agencies affected by the provisions of this Act shall provide a listing of the administrative regulations that require any changes to the regulations compiler.

Section 39. Any provision of law to the contrary notwithstanding, the General Assembly hereby confirms the portion of the Governor's Executive Order 2003-064, dated December 23, 2003, relating to the Environmental and Public Protection Cabinet, and the Governor's Executive Order 2003-513, dated May 22, 2003, and the Governor's Executive Order 2004-031, dated January 6, 2004, to the extent they are not otherwise confirmed or superseded by this Act.

SB 222, AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.46-580 is amended to read as follows:

(1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, toxic chemical manufacture, processing, or other use, and to leave the primary burden and responsibility for hazardous waste and toxic chemical reduction on private industry; and further to finance assistance and coordination by imposing assessments on the generation of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with the generation of hazardous waste. The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.

(2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.01-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency.

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Pub. L. 96-510).

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

(6) It is the expressed purpose of this section to accomplish effective hazardous waste and toxic chemical management that

results in a reduction of the generation of hazardous wastes and the release of toxic chemicals within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste and toxic chemical management to those industries whose products are reasonably related to the generation of hazardous waste.

(7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste assessment to be determined pursuant to this section according to the quantity by weight of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The assessment shall be reported and paid to the Natural Resources and Environmental Protection Cabinet for the generation of hazardous waste on an annual basis on January 1 of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes. The assessment shall be charged against generators of hazardous waste until June 30, ***2006***~~[2004]~~. After this date, no further hazardous waste management assessment shall be charged against generators.

(8) The assessment on generators shall be one and two-tenths cents ($0.012) per pound if the waste is liquid, or two-tenths of a cent ($0.002) per pound if the waste is solid.

(a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;

(b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt;

(c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt; and

(d) Emission control dust and sludge from the primary production of steel that is recycled by high temperature metals recovery or managed by stabilization of metals shall be exempt.

(9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on an annual basis on January 1 of each year. The payment shall be accompanied by a return the cabinet shall prescribe.

(10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12) If the assessment imposed by this chapter, whether assessed by the cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.

(13) There is hereby created within the State Treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three

million dollars ($3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.

(14) There is hereby created within the State Treasury a trust and agency account which shall not lapse to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund subject to the enacted budget bill. The cabinet shall provide to the center estimates of the amount of the hazardous waste assessment expected to be collected during each upcoming fiscal year.

(15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.

(16) If any person responsible for a release or threatened release of a hazardous substance fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.

(17) If disposal activities have occurred at a hazardous waste site, the cabinet shall record in the office of the county clerk in the county in which a waste site is situated a notice containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste and that further information on the hazardous waste site may be obtained from the cabinet.

(18) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

SB 224, AN ACT relating to underground storage tanks.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.60-130 is amended to read as follows:

(1) There is created within the Public Protection and Regulation Cabinet, Office of the Secretary, the Office of Petroleum Storage Tank Environmental Assurance Fund.

(2) The Office of Petroleum Storage Tank Environmental Assurance Fund shall:

(a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the office may distinguish between types, classes, and ages of petroleum storage tanks. The office may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the office for reimbursement from the fund for the performance of corrective action. At a minimum, the office shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the office shall obligate funds necessary to meet these requirements;

(b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The office may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the office on or before January 15, ***2008***~~[2004]~~. To insure cost effectiveness, the office shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the office may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;

(c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent ($0.004) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the office;

(d) Establish a small operator assistance account within the fund which may be used by the office to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;

(e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, ***2013***~~[2009]~~. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent ($0.01) from the one and four-tenths cent ($0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, ***2004***~~[2002]~~, the office shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The office shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the office shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

(f) Hear complaints brought before the office regarding the payment of claims from the fund in accordance with KRS Chapter 13B;

(g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

(h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the office, for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The office shall, by administrative regulation, set the entry level for participation in the fund;

(i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;

(j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the office may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;

(k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;

(l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The office may collect soil or water samples or require storage tank owners or operators to split samples with the office for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the office to collect or split samples shall make the facility ineligible for fund participation;

(m) Have assurance fund auditors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the office schedule an assurance fund auditor to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an auditor fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the assurance fund no later than ten (10) days prior to the proposed date that an auditor is not available on the proposed date, in which event a representative of the assurance fund shall contact the operator and schedule a new date. If no auditor is present at the rescheduled date, the removal may then proceed without penalty; and

(n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter[~~ or by July 15, 2010, whichever is earlier. Claims received after July 15, 2010, are not eligible for reimbursement~~].

The funding and operations of the small operator assistance account and the small operator's tank removal account shall end on July 15, ***2008***[~~2004~~].

(3) The office may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.

(4) The office may sue and be sued in its own name.

(5) The office may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The office may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (2)(c) of this section.

Section 2. KRS 224.60-142 is amended to read as follows:

(1) To be eligible to participate in the fund, the owner of any petroleum storage tank containing motor fuels installed and placed in operation after July 15, ***2004***[~~2002~~], shall register the petroleum storage tank with the cabinet as required by KRS 224.60-105 prior to applying for participation in the financial responsibility account.

(2) The owner of any petroleum storage tank containing motor fuels currently existing, or removed from the ground after January 1, 1974, shall register the petroleum storage tank containing motor fuels with the cabinet prior to applying to the fund, and shall register the petroleum storage tank containing motor fuels by July 15, ***2006***[~~2004~~]. Owners or operators may submit affidavits and applications relevant to current petroleum storage tank accounts through July 15, ***2006***[~~2004~~].

Section 3. KRS 224.60-145 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, there is established a petroleum environmental assurance fee to be paid by dealers on each gallon of gasoline and special fuels received in this state.

(2) All deductions detailed in KRS 138.240(2), gasoline and special fuels sold for agricultural purposes, and special fuels sold exclusively to heat a personal residence are exempt from the fee. If a dealer has on file, pursuant to KRS Chapter 138, a statement supporting a claimed exemption, an additional statement shall not be required for claiming exemption from the fee.

(3) The fee shall be reported and paid to the Revenue Cabinet at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.

(4) The petroleum environmental assurance fee shall be set at one and four-tenths cent ($0.014) for each gallon. Four-tenths of a cent ($0.004) per gallon shall be deposited in the financial responsibility account and one cent ($0.01) shall be deposited in the petroleum storage tank account.

(5) Within thirty (30) days of the close of fiscal year 2001-2002 and each fiscal year thereafter, the state budget director shall review the balance of each account to determine if a surplus exists. "Surplus" means funds in excess of the amounts necessary to satisfy the obligations in each account for all eligible facilities, to satisfy future liabilities and expenses necessary to operate each account, and to maintain an appropriate reserve in the financial responsibility account to demonstrate financial responsibility and compensate for third-party claims. The state budget director shall report the determination to the Interim Joint Committee on Appropriations and Revenue. After a determination that a surplus exists, the surplus shall be transferred to a restricted account and retained until appropriated by the General Assembly.

(6) All provisions of law related to the Revenue Cabinet's administration and enforcement of the gasoline and special fuels tax and all other powers generally conveyed to the Revenue Cabinet by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by KRS 224.60-105 to 224.60-160.

(7) The Revenue Cabinet shall refund the fee imposed by KRS 224.60-145(1) to any person who paid the fee provided they are entitled to a refund of motor fuel tax under KRS 138.344 to KRS 138.355 and to any person who paid the fee on transactions exempted under KRS 224.60-145(2).

(8) Notwithstanding any other provisions of KRS 65.180, 65.182, 68.600 to 68.606, 139.470, 183.165, 224.60-115, 224.60-130, 224.60-137, 224.60-140, 224.60-142, and this section to the contrary, the small operator assistance account and small

operator tank removal account established under KRS 224.60-130 shall continue in effect until July 15, ***2008***~~[2004]~~, and thereafter until all eligible claims related to tanks registered by that date are resolved, and sufficient money shall be allocated to and maintained in that account to assure prompt payment of all eligible claims, and to provide for removal of tanks for eligible owners and operators as directed by this chapter.

SJR 3, A JOINT RESOLUTION relating to vehicle emissions control testing.

WHEREAS, in various areas of the Commonwealth vehicle emissions testing (VET) programs have operated since 1984; and

WHEREAS, since 1984, the regulation of pollutants has tighten and technological controls on a variety of air emission sources, including vehicles, have improved; and

WHEREAS, gasoline formulations have changed to reduce harmful components; and

WHEREAS, approximately 98% of vehicles tested pass the first time tested for emissions; and

WHEREAS, VET programs are seen by many citizens as an imposition, unnecessary, and ineffective to achieve the program's purpose; and

WHEREAS, federal law allows various approaches to attaining air quality; and

WHEREAS, KRS 224.20-715 provides that "The cabinet shall administer or provide for a comprehensive vehicle emission control program which may require the annual inspection of vehicles in counties designated by federal Environmental Protection Agency regulation to be nonattainment for ozone, carbon monoxide, or nitrogen dioxide if a program is necessary or prudent to meet federal air quality standards and if no federal Environmental Protection Agency approved program is being operated by an air pollution control district, county fiscal court, or combination of county fiscal courts"; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet by administrative regulation 401 KAR 65:010 requires the establishment of VET programs in "Vehicle Emission Control Areas," which are defined in that administrative regulation as counties in which the entire county has been designated "moderate ozone nonattainment"; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's administrative regulation 401 KAR 65:010 also provides that the VET programs established pursuant to the administrative regulation shall continue upon redesignation of the program areas to "attainment" for ozone; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's "Northern Kentucky Emissions Check" vehicle emissions testing program is currently operating in counties which are no longer designated moderate ozone nonattainment; and

WHEREAS, the Commonwealth's only other VET program operated in an area that is also no longer in nonattainment status and has been eliminated; and

WHEREAS, the Finance and Administration Cabinet has entered into a 10-year price contract, PCT NO.: BP010138, for emissions testing related to the Northern Kentucky Emissions Check program; and

WHEREAS, that contract provides for termination, with 90 days' notice, of the contract by either party at any time due to termination of the vehicle emission control program for any of the subject counties, or due to federal or legislative changes or court decisions, or for other reasons;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Northern Kentucky Emissions Check Program as established and implemented by the Natural Resources and Environmental Protection Cabinet is declared unconstitutional, illegal, and unenforceable as, first, an attempt by the executive branch to bind the General Assembly to a mandatory testing agreement in excess of a biennium and, second, because it purports to create an obligation or debt on the part of the Commonwealth in violation of Sections 46, 49, and 50 of the Constitution of the Commonwealth. Any contract terms entered into to establish and implement the Northern Kentucky Emissions Check Program that purport to bind the Commonwealth to its terms or to create a debt payable by the Commonwealth is declared unconstitutional, illegal, and unenforceable.

Section 2. Provisions of the contract which require mandatory emissions testing beyond two years of the original implementation date or which require the Commonwealth to pay any amount due to an action of the General Assembly are unenforceable against the vendor and the Commonwealth under Section 41.800 of price contract, PCT No. BP010138 and both parties are hereby relieved of any obligation under the provisions of that contract declared unconstitutional, illegal, and unenforceable by the provisions of this resolution.

Section 3. The Natural Resources and Environmental Protection Cabinet and the Transportation Cabinet are directed to take any and all measures necessary to ensure that no motor vehicle owner whose vehicle is subject to testing by the Northern Kentucky Emissions Check testing program is refused registration reinstatement, or denied vehicle registration, or subjected to registration revocation after October 31, 2004, for failure to comply with Northern Kentucky Emissions Check program requirements prior to November 1, 2004.

The House Committee Substitute to **SJR 3** is as follows:

WHEREAS, the Natural Resources and Environmental Protection Cabinet, by administrative regulation 401 KAR 65:010, requires as a part of the State Implementation Plan for the 1-hour ozone standard the establishment of VET programs in "Vehicle Emission Control Areas," which are defined in that administrative regulation as counties in which the entire county has been designated "moderate ozone nonattainment"; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's administrative regulation 401 KAR 65:010 also provides that the VET programs established pursuant to the administrative regulation shall continue upon redesignation of the program areas to "attainment" for ozone; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's Northern Kentucky Emissions Check vehicle emissions testing program is currently operating in counties which are no longer designated moderate ozone nonattainment; and

WHEREAS, the Louisville Metro Air Pollution Control District has discontinued its vehicle emissions testing program pursuant to KRS 77.320; and

WHEREAS, the Louisville Metro Air Pollution Control District has, through the Natural Resources and Environmental Protection Cabinet, submitted a revision to the State Implementation Plan for the 1-hour ozone standard that would eliminate its vehicle emissions testing program; and

WHEREAS, the United States Environmental Protection Agency has not yet approved the revision submitted by the Louisville Metro Air Pollution Control District; and

WHEREAS, the United States Environmental Protection Agency is scheduled to designate areas for attainment of new National Ambient Air Quality Standards relating to ozone formation in April, 2004, referred to as the "8-hour ozone standard," and is scheduled to designate areas for attainment in December, 2004, for the "2.5 fine particulate standard"; and

WHEREAS, the new standards may result in the redesignation of the areas covered by the Northern Kentucky Emissions Check program and the Louisville Metro Air Pollution Control District as nonattainment;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Natural Resources and Environmental Protection Cabinet is directed to submit to the United States Environmental Protection Agency a revision of the State Implementation Plan for the 1-hour ozone standard that would remove the vehicle emissions testing program provided for in 401 KAR 65:010 in the area served by the Northern Kentucky Emissions Check testing program not later than August 1, 2004.

Section 2. The Northern Kentucky Emissions Check Program as established and implemented by the Natural Resources and Environmental Protection Cabinet is declared unconstitutional, illegal, and unenforceable as, first, an attempt by the executive branch to bind the General Assembly to a mandatory testing agreement in excess of a biennium and, second, because it purports to create an obligation or debt on the part of the Commonwealth in violation of Sections 46, 49, and 50 of the Constitution of the Commonwealth. Any contract terms entered into to establish and implement the Northern Kentucky Emissions Check Program that purport to bind the Commonwealth to its terms or to create a debt payable by the Commonwealth is declared unconstitutional, illegal, and unenforceable.

Section 3. Provisions of the contract which require mandatory emissions testing beyond two years of the original implementation date or which require the Commonwealth to pay any amount due to an action of the General Assembly are unenforceable against the vendor and the Commonwealth under Section 41.800 of price contract, PCT No. BP010138 and both parties are hereby relieved of any obligation under the provisions of that contract declared unconstitutional, illegal, and unenforceable by the provisions of this resolution.

Section 4. Upon approval of the State Implementation Plan revision, the Natural Resources Environmental Protection Cabinet and the Transportation Cabinet are directed to take any and all measures necessary to ensure that no motor vehicle owner whose vehicle is subject to testing by the Northern Kentucky Emissions Check testing program is refused registration reinstatement, denied vehicle registration, or subjected to registration revocation after cancellation of the program for failure to comply with Northern Kentucky Emissions Check program requirements prior to its cancellation.

Section 5. In the event that the area served by the Northern Kentucky Emissions Check testing program is redesignated as nonattainment under the 8-hour ozone or 2.5 fine particulate standards, the Natural Resources and Environmental Protection Cabinet is directed to formulate a State Implementation Plan for these standards that does not rely upon a vehicle emissions testing program, unless the same is required by law or necessary for the approval of the State Implementation Plan.

Section 6. The Natural Resources and Environmental Protection Cabinet is directed to provide technical assistance, if requested, to the Louisville Metro Air Pollution Control District to find compensating reductions in emissions by the United States Environmental Protection Agency, so that the State Implementation Plan for these standards does not rely upon a vehicle emissions testing program, unless the same is required by law or necessary for the approval of the State Implementation Plan.

The Committee on Local Government reported **HB 586, 619, 669, 703, HCR 198, SB 109**, and **SB 142** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

SECTION 24. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

The notice of claim shall state that the claimant asserts a deficient home inspection or home inspection report claim against the home inspector and shall describe the claim in reasonable detail sufficient to determine the general nature of the deficiency.

(2) Within twenty-one (21) days after service of the notice of claim, the home inspector shall serve a written response on the claimant by registered mail or personal service. The written response shall:

(a) Propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified time frame. (4) (a) If the claimant elects to allow the home inspector to inspect in accordance with the home inspector's proposal pursuant to subsection (2)(a) of this section, then the claimant shall provide the home inspector reasonable access to the claimant's home during normal working hours to inspect the premises.

(b) Within fourteen (14) days following completion of the inspection, the home inspector shall serve on the claimant:

The claimant shall provide the home inspector reasonable access to the claimant's home during normal working hours to perform and complete the remedy by the timetable stated in the offer.

(b) The claimant and home inspector may, by written mutual agreement, alter the extent of remedy or the

timetable, including but not limited to repair of additional defects.

(6) If a claimant files a complaint, counterclaim, or cross-claim prior to meeting the requirements of this section, then the court may issue an order holding the action in abeyance until the parties comply with this section.

(7) Nothing in this section may be construed to prevent a claimant from commencing an action on the deficient home inspection or home inspection report claim described in the notice of claim if the home inspector fails to perform the remedy agreed upon or fails to perform by the timetable agreed upon pursuant to subsection (2)(a) or (5) of this section.

(8) The service of an amended notice of claim shall relate back to the original notice of claim for purposes of tolling statutes of limitations and repose.

The Governor who makes the appointment, or other appointing authority, shall submit the name of the nominee, together with such accompanying information as may expedite the consideration of the appointment to the clerk of the Senate not more than three (3) legislative days after making the appointment, unless the appointment is made during the last fifteen (15) legislative days, in which case the nominee's name and information shall be submitted not more than one (1) legislative day later.

The State Police shall conduct and provide a criminal record history on a nominee if requested by the Legislative Research Commission.

(f) During periods when the General Assembly is not in session, the Governor's or other appointing authority's power of appointment shall not be diminished, and nominees may assume the responsibilities of the position pending confirmation. During that period, they shall be considered for all purposes to have been appointed and to be lawful occupants of the post to which they have been nominated, except that they shall be subject to the confirmation process when the General Assembly is next in regular session or special session called for the purpose of confirming the nominees.

(g) If the Governor who makes the appointment, or other appointing authority, fails to submit the name of the nominee or if the Senate declines to consider a nominee, the position shall become vacant as of sine die adjournment of the applicable special or regular session of the General Assembly at which the appointment was to be confirmed. If the Senate declines to confirm the nominee, the position shall become vacant upon the date the Senate declined to confirm.

The Governor who makes the appointment, or other appointing authority, shall submit the name of the nominee to the clerk of the House of Representatives not more than three (3) legislative days after making the appointment, unless the appointment is made during the last fifteen (15) legislative days, in which case the nominee's name and information shall be submitted not more than one (1) legislative day later.

(c) For each nominee, the Governor who makes the appointment, or other appointing authority, shall deliver to the clerk of the House of Representatives a letter of appointment. The letter of appointment shall be accompanied by a resume which contains at least the following information:

1. Complete employment history of the nominee;
2. Complete educational background of the nominee; and

The State Police shall conduct and provide a criminal record history on a nominee if requested by the Legislative Research Commission.

(f) The confirmation shall originate in the House of Representatives. If the House of Representatives does not confirm an appointment, the Senate shall not consider the appointment.

(g) When both the Senate and the House of Representatives have confirmed an appointment, the Senate shall notify the House of Representatives of the final approval. The clerk of the House shall then notify the Governor, or other appointing authority, and the appointee in writing of the General Assembly's action.

(h) During periods when the General Assembly is not in session, the Governor's or other appointing authority's power of appointment shall not be diminished, and nominees may assume the responsibilities of the position pending confirmation. During that period, they shall be considered for all purposes to have been appointed and to be lawful occupants of the post to which they have been nominated, except that they shall be subject to the confirmation process when the General Assembly is next in regular session or special session called for the purpose of confirming the nominees.

(i) If the Governor who makes the appointment, or other appointing authority, fails to submit the name of the nominee or if the House of Representatives or the Senate declines to consider a nominee, the position shall become vacant as of sine die adjournment of the regular session of the General Assembly at which the appointment was to be confirmed. If the House of Representatives or the Senate declines to confirm the nominee, the position shall become vacant upon the date that a chamber of the General Assembly first declined to confirm.

HCR 215, A CONCURRENT RESOLUTION relating to plaques and memorial displays.

With heavy hearts we pause to pay homage to one of the greatest
statesmen ever to serve the citizens of the Commonwealth.

We pay tribute to our departed friend and colleague Philip Joseph Clarke.

WHEREAS, the hardest thing any person ever does is say good-bye to a dear friend, and in September 2003, the entire state had to say good-bye to one of the most genuine, unselfish, and untiring public servants who ever graced the halls of the Capitol, we had to say good-bye to Joe Clarke; and

WHEREAS, the Lord blessed the Commonwealth with Joe Clarke on March 12, 1933 when he was born in Danville, Kentucky, the first child of Philip and Marie Newton Clarke; and

WHEREAS, Joe Clarke was an exemplary young man who attained the rank of Eagle Scout at one of the youngest ages for his day; and

WHEREAS, after graduating from Danville High School, Joe Clarke left Kentucky to receive a bachelor degree from Notre Dame University, a law degree from Georgetown University in Washington, D.C., and to work for several years as an attorney for the United States Patent Office before returning to his beloved hometown to practice law; and

WHEREAS, in 1970, the citizens of Boyle County bestowed their trust in Joe Clarke to represent them in the Kentucky House of Representatives, a trust he in the discharge of his duties honored by always exemplifying the motto of the Boy Scouts of America "Be Prepared" beyond his retirement from the General Assembly in 1998 until his death; and

WHEREAS, in what was at the time perhaps an unprecedented turn of events, Joe Clarke was appointed Chairman of the Appropriations and Revenue Committee after his first term in the House, a post he held for two decades and reluctantly surrendered to serve as the Speaker of the House; and

WHEREAS, Joe Clarke's peers turned to him to become Speaker of the House of Representatives during a dark period in legislative history, and Joe rose to the occasion, shepherding the wounded institution over the most difficult moments in 1993 and 1994; and

WHEREAS, as a testimony to his character, Joe Clarke's many colleagues over the years when referring to Joe fondly recall him as "an unparalleled budget expert with superior knowledge of the budget process," "a person who always had the welfare of the entire state in mind any time he evaluated the budget or a piece of legislation," "the ultimate statesman," "frank and to the point," "a role model," "committed to public service for the right reasons," and "an overwhelming honest person and a man of great personal and professional integrity"; and

WHEREAS, Joe Clarke was an accomplished attorney, and a member and officer of several professional organizations, including the Kentucky, Virginia, and American bar associations and the National Board of Trial Advocacy; and

WHEREAS, during his tenure in the General Assembly, Joe Clarke served on the governing board of the Council of State Governments, and as chair of the Council's Environmental Quality Committee, as well as chair of the Southern Legislative Conference; and

WHEREAS, Joe Clarke was a member of the National Legislative Conference Executive Committee and co-chair of the Legislative Research Commission; and

WHEREAS, throughout his life Joe Clarke was active in the Danville Community, working with the Boy Scouts, the Danville-Boyle County Chamber of Commerce, and the Boyle County Industrial Foundation; and

WHEREAS, Joe Clarke was a devout Catholic whose faith was the foundation upon which as a young man he built the principles that would guide his life and which resulted in his compassionate efforts to help his fellow man; and

WHEREAS, Joe Clarke made many personal sacrifices during his years in Frankfort, sacrifices he willingly made for the betterment of the citizens of the Commonwealth -- for he was a remarkable man, humble, and deserving of our respect and gratitude; and

WHEREAS, Joe Clarke's death has been an exceptional loss for his sisters Margaret Knott and Mary Francis Toro; his sons Sam, John, Geoffrey, and David Clarke; and his grandchildren Aaron, Joseph, Owen, Annie, Elizabeth, Lucy, and Thomas Clarke; and

WHEREAS, Joe Clarke's legacy to the citizens of the Commonwealth will be the twenty years he helped forge state budgets, ensuring that decisions were not made based upon politics or a personal agenda, but upon a steadfast commitment to honest government and the public interest; and

WHEREAS, Joe Clarke's death has left a void in our hearts that only the Lord Jesus Christ can fill; and

WHEREAS, today the Kentucky General Assembly is a stronger and more independent body because in 1974 Joe Clarke had the courage to become the first A&R Chairman to conduct legislative budget hearings;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The members of the House of Representatives and the Senate posthumously proclaim Joe Clarke one of

Kentucky's first "Architects of Legislative Independence" as a result of his courageous leadership in instituting legislative budget hearings at a time when Kentucky Governors dominated the entire budget process.

Section 2. The General Assembly directs the Legislative Research Commission to secure and maintain a plaque or memorial display of the size, shape, and composition determined by the Director of the Legislative Research Commission for the purpose of memorializing former House Speaker Joe Clarke.

Section 3. The plaque or memorial display shall occupy a position of prominence either inside the room or near the outside entrance to the committee room generally used by the House Appropriations and Revenue Committee. The following text shall appear on the plaque or memorial display selected by the Director:

"House A&R Chairman Joe Clarke (1972-1993)
Conducted Kentucky's First Legislative Budget Hearing in 1974
"An Architect of Legislative Independence"
To God Be the Glory"

Section 33. KRS 91.4885 is amended to read as follows:

(1) The court shall order the master commissioner to sell, pursuant to the provisions of KRS 426.560 to 426.715, except as

otherwise provided in this section, each parcel separately by individual count number. The court shall further order that a report of the sale be made by the master commissioner to the court for further proceedings under the provisions of KRS 91.484 to 91.527.

(2) Prior to the master commissioner's setting each parcel for sale pursuant to court order, the collector shall file with the Circuit Court clerk an affidavit as to the most recent certified tax assessment of each parcel to be sold. The most recent certified assessment of a property shall be the property valuation administrator's last assessment which shall have been certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~] to the county clerk, as required by KRS 133.180.

(3) The most recent certified assessment as sworn to in the affidavit furnished by the collector shall be used in all actions brought under KRS 91.484 to 91.527 to determine the owner's equity of redemption as provided by KRS 91.511(2).

Section 34. KRS 91.511 is amended to read as follows:

(1) At any time prior to the sale of the property any person having any right, title or interest in, or lien upon, any parcel of real estate described in the petition may discharge any city lien or satisfy a judgment in favor of the city as to said parcel of real estate by paying to the collector all of the sums mentioned therein, including the principal, interest, penalties, and costs then due.

(2) If the property is sold pursuant to the judgment or order of the court and does not bring its most recent assessed value certified by the ***Department of*** Revenue[~~ Cabinet~~] to the county clerk as required by KRS 133.180, the owner may redeem it within sixty (60) days from the day of the sale, by paying the purchaser the original purchase money and interest at eighteen percent (18%) per annum. Any owner who redeems his land shall take a receipt from the purchaser and lodge it with the clerk of the court. The receipt shall be entered upon the records of the court.

(3) The owner may tender the redemption money to the purchaser, his agent or attorney, if found in the county where the land lies or in the county in which the judgment was obtained or order of sale made. If the money is refused, or if the purchaser does not reside in either of the counties, the owner may, before the expiration of the right of redemption, go to the clerk of the court in which the judgment was rendered or the order made, and make affidavit of the tender and refusal, or that the purchaser or his agent or attorney do not reside in either of the counties. He may then pay to the clerk the redemption money, and the clerk shall give receipt therefor and file the affidavit among the papers of the action.

(4) When the right of redemption exists, the owner may remain in possession of the property until it expires. Real property so sold shall not be conveyed to the purchaser until the right of redemption has expired. If it is redeemed, the sale shall, from and after the redemption or from and after the deposit of the redemption money with the clerk, be null and void.

(5) In the event of failure to redeem within the period provided for redemption, the owner or any other party in interest shall be barred forever of all his right, title and interest in and to the parcel of real estate described in the petition.

(6) Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in the petition and the collector shall thereupon note on his records the word "redeemed" and the date of the payment opposite the description of the parcel of real estate.

(1) For the purposes of this section, unless the context requires otherwise:

(a) "Taxing jurisdiction" shall mean each county, each school district, each municipality, and each other special taxing district located within the state.

(b) "State" shall mean the Commonwealth of Kentucky.

(c) "Tax equivalent" shall mean the amount in lieu of taxes computed according to this section which is required to be paid by each board to the state and to each taxing jurisdiction in which the board operates and required by subsection (11) of KRS 96.570 to be included in resale rates.

(d) "Tax year" shall mean the twelve (12) calendar-month period ending with December 31.

(e) "Current tax rate" shall mean the actual levied ad valorem property tax rate of the state and of each taxing jurisdiction which is applicable to all property of the same class as a board's property subject to taxation for the tax year involved.

(f) "Book value of property" or "book value of property owned by the board" shall mean the sum of:

1. The original cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. For the purpose of this definition, "electric plant in service" shall mean those items included in the "electric plant in service" account prescribed by the Federal Energy Regulatory Commission uniform system of accounts for electric utilities, and "material and supplies" shall mean those items included in the accounts grouped under the heading "material and supplies" in the said system of accounts.

(g) "Adjusted book value of property" or "adjusted book value of property owned by the board" shall mean the book value of property owned by the board excluding manufacturing machinery as interpreted by the ***Department of***

Revenue[~~ Cabinet~~] for franchise tax determination purposes.

(h) The "adjustment factor" shall be one hundred twenty-five percent (125%) for the tax year 1970. For each tax year thereafter, it shall be the duty of the ***Department of*** Revenue[~~ Cabinet~~] to compute the adjustment factor for that tax year as follows: For each five (5) percentage points or major fraction thereof by which the adjustment ratio for electric utility property for the immediately preceding tax year exceeded or was less than one hundred sixteen percent (116%), five (5) percentage points shall be added to or subtracted from one hundred twenty-five percent (125%). For the purposes of this computation, "adjustment ratio for electric utility property" shall mean the ratio of total assessed value to total property value for all public service corporations distributing electric energy to more than fifty thousand (50,000) retail electric customers within the state. "Total assessed value" shall mean the total actual cash value assigned by the ***Department of*** Revenue[~~ Cabinet~~] for ad valorem property tax purposes to the property of such corporations located within the state (properly adjusted for property under construction). "Total property value" shall mean the sum of:

1. The depreciated original cost of the total utility plant in service of such corporations within the state, and

2. The book value of material and supplies of such corporations located within the state, both as derived from published reports of the Federal Energy Regulatory Commission, or in the absence thereof, from information provided to the ***Department of*** Revenue[~~ Cabinet~~] by such corporations.

(i) "Electric operations" shall mean all activities associated with the establishment, development, administration, and operation of any electric system and the supplying of electric energy and associated services to the public, including without limitation the generation, purchase, sale, and resale of electric energy and the purchase, use, and consumption thereof by ultimate consumers.

(2) It shall be the duty of each board, on or before April 30, to certify to the ***Department of*** Revenue[~~ Cabinet~~] the book value of property owned by the board and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of the certification shall also be sent by the board to each such taxing jurisdiction. The book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the ***Department of*** Revenue[~~ Cabinet~~] and by representatives of the affected taxing jurisdictions and to adjustment by the ***Department of*** Revenue[~~ Cabinet~~] if found not to comply with the provisions of this section. Upon the receipt of the required certification from a board, the ***Department of*** Revenue[~~ Cabinet~~] shall make any inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the ***Department of*** Revenue[~~ Cabinet~~] shall certify to the board and to the county clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the ***Department of*** Revenue[~~ Cabinet~~] shall certify to the board and to the county clerk the adjustment factor for the tax year. The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the ***Department of*** Revenue[~~ Cabinet~~], to the respective taxing jurisdiction in which the board operates.

(3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of:

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents ($0.30), plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($0.30), plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1. of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1. of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Under the regulations the ***Department of*** Revenue[~~ Cabinet~~] may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the ***Department of*** Revenue~~[Cabinet]~~ required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:

1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one percent (0.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under this subparagraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of the applicable tax years.

(c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.

(d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.

Section 36. KRS 96.895 is amended to read as follows:

(1) Except for payments made directly by the Tennessee Valley Authority to counties, the total fiscal year payment received by the Commonwealth of Kentucky from the Tennessee Valley Authority, as authorized by section 13 of the Tennessee Valley Authority Act, as amended, shall be prorated thirty percent (30%) to the general fund of the Commonwealth and seventy percent (70%) among counties, cities, and school districts, as provided in subsection (2) of this section.

(2) The payment to each county, city, and school district shall be determined by the proportion that the book value of Tennessee Valley Authority property in such taxing district, multiplied by the current tax rate, bears to the total of the book values of Tennessee Valley Authority property in all such taxing districts in the Commonwealth, multiplied by their respective tax rates, provided, however, each public school district for the purposes of this calculation shall have their tax rate increased by thirty cents ($0.30).

(3) As soon as practicable after the amount of payment to be made to the Commonwealth of Kentucky is finally determined by the Tennessee Valley Authority, the Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall determine the book value of Tennessee Valley Authority property in each county, city, and school district and shall prorate the total payments received from the Tennessee Valley Authority, except payments received directly from the Tennessee Valley Authority, among the distributees as provided in subsection (2) of this section. The ***Department of*** Revenue[~~ Cabinet~~] shall certify the payment due each taxing district to the Finance and Administration Cabinet which shall make the payment to such district.

(4) As used in subsections (2) and (3) of this section, "Tennessee Valley Authority Property" means land owned by the United States and in the custody of the Tennessee Valley Authority, together with such improvements (including work in progress but excluding temporary construction facilities) as have a fixed situs thereon if and to the extent that such improvements either:

(a) Were in existence when title to the land on which they are situated was acquired by the United States; or

(b) Are allocated by the Tennessee Valley Authority or determined by it to be allocable to power; provided, however, that manufacturing machinery as interpreted by the ***Department of*** Revenue[~~ Cabinet~~] for franchise tax determination shall be excluded along with ash disposal systems and, coal handling facilities, including railroads, cranes and hoists, crushing and conveying equipment. As used in said subsections "book value" means original cost unadjusted for depreciation as reflected in Tennessee Valley Authority's books of account. "Book value" shall be determined, for purposes of applying said subsections, as of the June 30 used by the Tennessee Valley Authority in computing the annual payment to the Commonwealth which is subject to redistribution by the Commonwealth.

(5) This section shall be applicable to all payments received after September 30, 1985, from the Tennessee Valley Authority under Section 13 of the Tennessee Valley Authority Act as amended.

Section 44. KRS 131.081 is amended to read as follows:

The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the ***Department of*** Revenue[~~ Cabinet~~].

(1) The ***department***[~~cabinet~~] shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and ***department***[~~cabinet~~] employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.

(2) The ***department***[~~cabinet~~] shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the ***department***[~~cabinet~~]. These statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the ***department***[~~cabinet~~] distributed to the public.

(3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the ***department***[~~cabinet~~]. The taxpayer shall be informed of this right prior to conduct of any conference or hearing.

(4) The ***department***[~~cabinet~~] shall perform audits and conduct conferences and hearings only at reasonable times and places.

(5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the ***department***[~~cabinet~~]. The taxpayer shall be entitled to a copy of this ***department***[~~cabinet~~] recording or a transcript as provided in KRS 61.874.

(6) If any taxpayer's failure to submit a timely return or payment to the ***department***[~~cabinet~~] is due to the taxpayer's reasonable reliance on written advice from the ***department***[~~cabinet~~], the taxpayer shall be relieved of any penalty or interest with respect thereto, provided the taxpayer requested the advice in writing from the ***department***[~~cabinet~~] and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the ***department***[~~cabinet~~] did not subsequently rescind or modify the advice in writing, and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the ***department's***[~~cabinet's~~] earlier written advice no longer valid.

(7) Taxpayers shall have the right to receive a copy of any audit of the ***department***[~~cabinet~~] by the Auditor of Public Accounts relating to the ***department's***[~~cabinet's~~] compliance with the provisions of KRS 131.041 to 131.081.

The ***department***[~~cabinet~~] may modify or terminate an installment payment agreement if it determines the taxpayer has not complied with the terms of the agreement; the taxpayers' financial condition has sufficiently changed; the taxpayer fails to provide any requested financial condition update information; the taxpayer gave false or misleading information in securing the agreement; or the taxpayer fails to timely report and pay any other tax due the Commonwealth. The ***department***[~~cabinet~~] shall give written notice to the taxpayer at least thirty (30) days prior to modifying or terminating an installment payment agreement unless the ***department***[~~cabinet~~] has reason to believe that collection of the amounts owed will be jeopardized in whole or in part by delay.

(10) The ***department***[~~cabinet~~] shall not knowingly authorize, require, or conduct any investigation or surveillance of any person for nontax administration related purposes, except internal security related investigations involving ***Department of*** Revenue[~~ Cabinet~~] personnel.

(11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the ***department***[~~cabinet~~] in writing and provides a copy of the extension at the time and in the manner which the ***department***[~~cabinet~~] may require.

When the ***department***[~~cabinet~~] releases any erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation, shall be mailed to the major credit reporting companies located in the county where it was filed.

(13) The ***department***[~~cabinet~~] shall not evaluate individual officers or employees on the basis of taxes assessed or collected or impose or suggest tax assessment or collection quotas or goals.

(14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the Board of Claims for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, and intentional disregard by ***department***[~~cabinet~~] employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the ***department***[~~cabinet~~]. In the awarding of damages pursuant to this subsection, the board shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any proceeding brought by a taxpayer is ruled frivolous by the board, the ***department***[~~cabinet~~] shall be reimbursed by the taxpayer for its costs in defending the action.

(15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any attached information or documents. Except as provided in KRS 131.190, no information pertaining to the returns, reports, or the affairs of a person's business shall be divulged by the ***department***[~~cabinet~~] to any person or be intentionally and without authorization inspected by any***:***

Section 45. KRS 131.110 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall mail to the taxpayer a notice of any tax assessed by it. The assessment shall be due and payable if not protested in writing to the ***department***[~~cabinet~~] within forty-five (45) days from the date of notice. Claims for refund of paid assessments may be made under KRS 134.580 and denials appealed under KRS 131.340. The protest shall be accompanied by a supporting statement setting forth the grounds upon which the protest is made. Upon written request, the ***department***[~~cabinet~~] may extend the time for filing the supporting statement if it appears the delay is necessary and unavoidable. The refusal of the extension may be reviewed in the same manner as a protested assessment.

(2) After a timely protest has been filed, the taxpayer may request a conference with the ***department***[~~cabinet~~]. The request shall be granted in writing stating the date and time set for the conference. The taxpayer may appear in person or by representative. Further conferences may be held by mutual agreement.

(3) After considering the taxpayer's protest, including any matters presented at the final conference, the ***department***[~~cabinet~~] shall issue a final ruling on any matter still in controversy, which shall be mailed to the taxpayer. The ruling shall state that it is a final ruling of the ***department***[~~cabinet~~], generally state the issues in controversy, the ***department's***[~~cabinet's~~] position thereon and set forth the procedure for prosecuting an appeal to the Kentucky Board of Tax Appeals.

(4) The taxpayer may request in writing a final ruling at any time after filing a timely protest and supporting statement. When a final ruling is requested, the ***department***[~~cabinet~~] shall issue such ruling within thirty (30) days from the date the request is received by the ***department***[~~cabinet~~].

(5) After a final ruling has been issued, the taxpayer may appeal to the Kentucky Board of Tax Appeals pursuant to the provisions of KRS 131.340.

The ***department***[~~cabinet~~] may enforce this right by application to the Circuit Court in the county wherein the person is domiciled or has his principal office, or by application to the Franklin Circuit Court, which courts may compel compliance with the orders of the ***department***[~~cabinet~~].

(3) The ***department***[~~cabinet~~] shall prescribe the style, and determine and enforce the use or manner of keeping, of all assessment and tax forms and records employed by state and county officials, and may prescribe forms necessary for the administration of any revenue law by the promulgation of an administrative regulation pursuant to KRS Chapter 13A incorporating the forms by reference.

(4) The ***department***[~~cabinet~~] shall advise on all questions respecting the construction of state revenue laws and the application thereof to various classes of taxpayers and property.

(5) Attorneys employed by the ***department***[~~cabinet~~] and approved by the Attorney General as provided in KRS 15.020 may prosecute all violations of the criminal and penal laws relating to revenue and taxation. If a ***Department of*** Revenue[~~ Cabinet~~] attorney undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including but not limited to the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(6) In the event of the incapacity of attorneys employed by the ***department***[~~cabinet~~] or at the request of the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], the Attorney General or his designee shall prosecute all violations of the criminal and penal laws relating to revenue and taxation. If the Attorney General undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including but not limited to the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(7) The ***department***[~~cabinet~~] may require the Commonwealth's attorneys and county attorneys to prosecute actions and proceedings and perform other services incident to the enforcement of laws assigned to the ***department***[~~cabinet~~] for administration.

(8) The ***department***[~~cabinet~~] may conduct research in the fields of taxation, finance, and local government administration, and publish its findings, as the ***commissioner***[~~secretary~~] may deem wise.

(9) The ***department***[~~cabinet~~] may make administrative regulations necessary to establish a system of taxpayer identifying numbers for the purpose of securing proper identification of taxpayers subject to any tax laws or other revenue measure of this state, and may require such taxpayer to place on any return, report, statement, or other document required to be filed, any number assigned pursuant to such administrative regulations.

(10) The ***department***[~~cabinet~~] may, when it is in the best interest of the Commonwealth and helpful to the efficient and effective enforcement, administration, or collection of sales and use tax, motor fuels tax, or the petroleum environmental assurance fee, enter into agreements with out-of-state retailers or other persons for the collection and remittance of sales and use tax, the motor fuels tax, or the petroleum environmental assurance fee.

(11) The ***department***[~~cabinet~~] may enter into annual memoranda of agreement with any state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization to assume the collection duties for any liquidated debts due the state entity and may renew that agreement for up to five (5) years. Under such an agreement, the ***department***[~~cabinet~~] shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of those liquidated debts as provided under:

(a) KRS Chapters 131, 134, and 135 for the collection, refund, and administration of delinquent taxes; and

(b) Any applicable statutory provisions governing the state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization for the collection, refund, and administration of any liquidated debts due the state entity.

Section 47. KRS 131.135 is amended to read as follows:

(1) Each employer subject to KRS Chapter 342 shall file annually with the ***Department of*** Revenue[~~ Cabinet~~], in accordance with administrative regulations, a report providing the policy number and the name and address of the employer's workers' compensation insurance carrier.

(2) The report may be made available to other state agencies notwithstanding the confidentiality provisions of KRS 131.190.

Section 48. KRS 131.140 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall requisition the Finance and Administration Cabinet to furnish to local officials an adequate supply of forms for listing property for taxation and other forms and blanks the state is required by law to provide. The books and records prescribed for use by property valuation administrators, county clerks, sheriffs and other county tax collectors shall be designed to promote economical operation, adequate control, availability of useful information, and safekeeping. The forms prescribed for listing intangible property shall be designed to secure a detailed list to provide convenient checking of valuations with available sources of information, and to safeguard the confidential character of the intangible property assessment.

(2) The ***department***[~~cabinet~~] may confer with, advise and direct local officials respecting their duties relating to taxation, and shall supervise the officials in the performance of those duties. The ***department***[~~cabinet~~] shall provide to the property valuation administrators up-to-date appraisal manuals outlining uniform procedures for appraising all types of real and personal property assessed by them. The property valuation administrators shall follow the uniform procedures for appraising property outlined in these manuals. The ***department***[~~cabinet~~] shall maintain and make accessible to all property valuation administrators a statewide commercial real property comparative sales file. The ***department***[~~cabinet~~], by authorized agents, may visit local governmental units and officers for investigational purposes, when necessary.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall conduct a biennial performance audit of each property valuation administrator's office. This audit shall include, but shall not be limited to, an inspection of maps and records, an appraisal study of real property, and an evaluation of the overall effectiveness of the office. Each property valuation administrator's office shall provide the ***department***[~~cabinet~~] with access to its files, maps and records during the audit. The ***department***[~~cabinet~~] shall prepare a report on assessment equity and quality for each county based on the performance audit, and shall provide a copy to the Legislative Research Commission.

(4) The ***department***[~~cabinet~~] shall arrange for an annual conference of the property valuation administrators, or the county officers whose duty it is to assess property for taxation, to give them systematic instruction in the fair and just valuation and assessment of property, and their duty in connection therewith. The conference shall continue not more than five (5) days. The officers shall attend and take part in the conference, unless prevented by illness or other reason satisfactory to the ***commissioner***[~~secretary~~]. Any officer willfully failing to attend the conference may be removed from office by the Circuit Court of the county where he was elected. If the officer participates in all sessions of the conference, one-half (1/2) of his actual and necessary expenses in attending the conference shall be paid by the state, and the other half shall be paid by the county from which he attends. Each officer shall prepare an itemized statement showing his actual and necessary expenses, and if it is found regular and supported by proper receipts it shall be approved by the ***department***[~~cabinet~~] before payment.

Section 49. KRS 131.150 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has withdrawn from the state or concealed his assets or a material part thereof so as to hinder or evade the assessment or collection of taxes, or has desisted from any taxable activity in the state, or has become domiciled elsewhere, or has departed from this state with fraudulent intent to hinder or evade the assessment or collection of taxes, or has done any other act tending to render partly or wholly

ineffective proceedings to assess or collect any such taxes, or contemplates doing any of these acts in the immediate future, or that any tax claim for any other reason is being endangered, such tax liability shall become due and payable immediately upon assessment or determination of the amount of taxes due, as authorized in this section.

(2) Under any of the circumstances set out in subsection (1) of this section, the ***department***[~~cabinet~~] may make a tentative assessment or determination of the taxes due, and may proceed immediately to bring garnishment, attachment or any other legal proceedings to collect the taxes so assessed or determined to be due. Notwithstanding the provisions of KRS 131.180(1), if the tax so assessed is due to the failure of the taxpayer to file a required tax return a minimum penalty of one hundred dollars ($100) shall be assessed unless the taxpayer demonstrates that the failure to file was due to reasonable cause as defined in KRS 131.010(9). This penalty shall be applicable whether or not any tax is determined to be due on a subsequently filed return or if the subsequently filed return results in a refund. No bond shall be required of the ***department***[~~cabinet~~] in such proceedings. The taxpayer may stay legal proceedings by filing a bond in an amount sufficient in the opinion of the cabinet to cover the taxes, penalties, interest, and costs. If no legal proceedings have been instituted, the ***department***[~~cabinet~~] may require a bond adequate to cover all taxes, penalties, and interest. On making bond, exception to the assessment or determination of tax liability may be filed in the same manner and time as provided in KRS 131.110. If no exceptions are filed to the tentative assessment or determination, it shall become final.

(3) The ***department***[~~cabinet~~] may require any such taxpayer to file with it forthwith the reports required by law or regulation, or any additional reports or other information necessary to assess the property or determine the amount of tax due.

(4) If the ***department***[~~cabinet~~] fails to exercise the authority conferred by this section, such taxpayer shall report and pay all taxes due as otherwise provided by law.

Section 50. KRS 131.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The ***department***[~~cabinet~~] shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the tax interest rate as defined in KRS 131.010(6) shall be collected. The ***department***[~~cabinet~~] may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The ***department***[~~cabinet~~] may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if the variation will not ultimately effect a reduction in revenue.

Section 51. KRS 131.175 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapters 131 to 143A, for all taxes payable directly to the ***Department of*** Revenue[~~ Cabinet~~], the sheriff or the county clerk, the ***commissioner***[~~secretary~~] shall have authority to waive the penalty, but not interest, where it is shown to the satisfaction of the ***department***[~~cabinet~~] that failure to file or pay timely is due to reasonable cause.

Section 52. KRS 131.181 is amended to read as follows:

(1) Whenever it is determined that a taxpayer, who holds a license to mine coal in Kentucky under KRS 351.175, is a "delinquent taxpayer" as defined in subsection (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the taxpayer to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175.

(2) If it is determined that a person who is an agent, contract miner, or delegate of a delinquent taxpayer as defined in subsection (3) holds a license to mine coal for the delinquent taxpayer in Kentucky under KRS 351.175, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the agent, contract miner, or delegate to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175 to mine coal for the delinquent taxpayer.

(3) Any of the following situations is sufficient to cause a taxpayer to be classified as a "delinquent taxpayer" for purposes of this section:

(a) When a taxpayer has an overdue state tax liability arising directly or indirectly from the mining, transportation, or processing of coal, for which all protest and appeal rights granted by law have expired and has been contacted by the ***department***[~~cabinet~~] concerning the overdue tax liability. This does not include a taxpayer who is making current timely installment payments on the overdue tax liability under agreement with the ***department***[~~cabinet~~].

(b) When a taxpayer has not filed a required tax return as of thirty (30) days after the due date or after the extended due date, and has been contacted by the ***department***[~~cabinet~~] concerning the delinquent return. This applies only to tax returns required as the result of the taxpayer's involvement in the mining, transportation, or processing of coal.

(c) When an owner, partner, or corporate officer of a proprietorship, partnership, or corporation holding a license under KRS 351.175, held a similar position in a business whose license was revoked as a "delinquent taxpayer", and the tax liability remains unpaid.

(4) At least twenty (20) days in advance of submitting a taxpayer's name to the Department of Mines and Minerals as provided in subsection (1) or (2) of this section, the ***department***[~~cabinet~~] shall notify the taxpayer by certified mail that the action is to be taken. The notice shall state the reason for the action and shall set out the amount of any tax liability including any applicable penalties and interest and any other area of noncompliance which must be satisfied in order to prevent the

submission of his name to the Department of Mines and Minerals as a "delinquent taxpayer."

(5) If it is determined that an applicant for a license to mine coal under the provisions of KRS 351.175 is a delinquent taxpayer as defined in subsection (3) of this section, or is an agent, contract miner, or delegate of a delinquent taxpayer, the Department of Mines and Minerals shall refuse a mine license to the applicant.

Section 53. KRS 131.190 is amended to read as follows:

This prohibition does not extend to information required in prosecutions for making false reports or returns of property for taxation, or any other infraction of the tax laws, nor does it extend to any matter properly entered upon any assessment record, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or his properly authorized agent with information respecting his own return. Further, this prohibition does not preclude the ***commissioner***[~~secretary~~] or any employee of the ***department***[~~Revenue Cabinet~~] from testifying in any court, or from introducing as evidence returns or reports filed with the ***department***[~~cabinet~~], in an action for violation of state or federal tax laws or in any action challenging state or federal tax laws. The ***commissioner***[~~secretary~~] or the ***commissioner's***[~~secretary's~~] designee may provide an owner of unmined coal, oil or gas reserves, and other mineral or energy resources assessed under KRS 132.820(1), or owners of surface land under which the unmined minerals lie, factual information about the owner's property derived from third-party returns filed for that owner's property, under the provisions of KRS 132.820(2), that is used to determine the owner's assessment. This information shall be provided to the owner on a confidential basis, and the owner shall be subject to the penalties provided in KRS 131.990(2). The third-party filer shall be given prior notice of any disclosure of information to the owner that was provided by the third-party filer.

(3) As used in KRS 131.410 to 131.445, unless the context requires otherwise:

(a) ***"Department" means the Department of Revenue***~~[Cabinet" means the Revenue Cabinet]~~.

(b) "Taxpayer" means any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, limited liability company, limited liability partnership, or any other entity of any kind subject to any tax set forth in subsection (4) of this section or any person required to collect any such tax under subsection (4) of this section.

(c) "Account receivable" means an amount of state tax, penalty, fee, or interest which has been recorded as due and entered in the account records of the ***department***~~[cabinet]~~, or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state, or local.

(d) "Due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of KRS 131.410 to 131.445, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.

(4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the ***department***~~[cabinet]~~ during the fiscal year ending June 30, 2003, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties, fees, or interest subject to the administrative jurisdiction of the ***department***~~[cabinet]~~, with the exceptions of ad valorem taxes levied on real property pursuant to KRS Chapter 132, ad valorem taxes on motor vehicles and motorboats collected by the county clerks, and ad valorem taxes on personal property levied pursuant to KRS Chapter 132 that are payable to local officials. Section 61. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the ***Department of*** Revenue~~[Cabinet]~~ as provided by the laws of the Commonwealth and if the person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if the person has sought but exhausted all administrative and judicial review so that the assessment is final, due, and owing, the ***commissioner of the Department of Revenue***~~[secretary of revenue]~~ or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for thirty (30) days after the demand, the ***commissioner***~~[secretary]~~ or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to the person or on which there is a lien provided by KRS 134.420, except the property that is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest, and cost of the levy.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the ***commissioner***~~[secretary]~~ or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The ***commissioner***~~[secretary]~~ or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. The notice shall be published once each week for three (3) successive weeks. In addition, the notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the ***commissioner***~~[secretary]~~ or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest, and cost of the levy, the whole of the property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the ***commissioner***~~[secretary]~~.

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the ***commissioner***~~[secretary]~~ or his delegate may offer the items for sale

separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The ***commissioner***[~~secretary~~] or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of the payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the ***commissioner***[~~secretary~~] or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the ***commissioner***[~~secretary~~], the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. If readvertisement and sale occur, any new purchaser shall receive the property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

(8) If the ***commissioner***[~~secretary~~] or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property and, if the owner of the property can be readily found, the ***commissioner***[~~secretary~~] or his delegate shall give him notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner pays to the ***commissioner***[~~secretary~~] or his delegate an amount equal to the appraised value, or gives bond in the form, with the sureties, and in the amount as the ***commissioner***[~~secretary~~] or his delegate determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this subsection, the ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than ten (10) years after the assessment becomes final.

(10) The term "levy" as used in this section shall include the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the ***commissioner***[~~secretary~~] or his delegate may levy upon property or rights to property, he may seize and sell the property or rights whether real, personal, tangible or intangible.

(11) Notwithstanding the provisions of KRS Chapters 45, 45A, and 56, the ***department***[~~cabinet~~] may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the ***department***[~~cabinet~~] pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment, or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section. The ***department***[~~cabinet~~] shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the secretary of the Finance and Administration Cabinet within sixty (60) days of the transaction. Nothing in this section shall preclude the ***department***[~~cabinet~~] from complying with the provisions of KRS Chapters 45 and 56 relating to the requirements to report the purchase or lease of real property or equipment to the Capital Projects and Bond Oversight Committee.

Section 62. KRS 131.550 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the ***department***[~~cabinet~~] or declared by the taxpayer on a return filed with the ***department***[~~cabinet~~], any transferee of such property may be assessed by the ***department***[~~Revenue Cabinet~~] an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.

(2) Any assessment made by the ***department***[~~Revenue Cabinet~~] against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.

(3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:

(a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor taxpayer; and

(b) In the case of the liability of a transferee of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor taxpayer.

(4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

Section 63. KRS 131.560 is amended to read as follows:

Notwithstanding the provisions of KRS 44.030 or 131.190, the ***Department of*** Revenue[~~ Cabinet~~] shall withhold the Kentucky individual income tax refund otherwise due a taxpayer under KRS Chapter 141 who owes overdue child support or is indebted to any state agency, officer, board, commission, corporation, institution, cabinet, department or other state organization which has complied with the requirements of KRS 131.565. After satisfaction of any undisputed delinquent tax liability due the ***Department of*** Revenue[~~ Cabinet~~] from such taxpayer, the tax refund balance so withheld shall, except as provided in KRS 131.565, be transmitted as soon as practicable to the state agency having established a claim therefor. In the case of multiple state agency claims against the same tax refund, the agency having the larger pending claim shall have priority after satisfaction of any undisputed delinquent tax liabilities due the ***Department of*** Revenue[~~ Cabinet~~].

Section 64. KRS 131.565 is amended to read as follows:

(1) No state agency shall request the withholding of any individual income tax refund unless there is specific statutory provision for debtor appeal and hearing rights for that particular debt.

(2) State agencies desiring to establish claims against Kentucky individual income tax refunds shall notify the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] in writing of such intention by a date established by the ***Department of*** Revenue[~~ Cabinet~~] and, by the following December 31, shall furnish a list of all liquidated debts due the agency for which withholding is requested for individual income tax refunds due to be paid during the next calendar year. Such list shall be submitted in such form and contain such information as may be required by the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] to facilitate identification of the refunds to be withheld. As used in this section the term "liquidated debt" means a legal debt for a sum certain, which has been certified by the claimant agency as final due and owing. The claimant agency must have made reasonable efforts to collect such debt, and must have provided the debtor the opportunity for appeal and formal hearing as provided by statute. The claimant agency must send thirty (30) days prior written notification to the debtor of the intention to submit the claim to the ***Department of*** Revenue[~~ Cabinet~~] for setoff as provided in KRS 131.570.

(3) The individual income tax refund withholding procedures provided in KRS 131.560 to 131.595 shall be in lieu of the procedures set forth in KRS 427.130 and 44.030 only with regard to sums due to a debtor from the ***Department of*** Revenue[~~ Cabinet~~].

(4) No state agency shall request the withholding of any individual income tax refund unless the debt for which withholding is requested is in a liquidated amount.

(5) Each state agency requesting the withholding of any individual income tax refund shall indemnify the ***Department of*** Revenue[~~ Cabinet~~] against any and all damages, court costs, attorneys fees and any other expenses related to litigation which arises concerning the administration of KRS 131.560 to 131.595 as it pertains to a refund withholding action requested by such agency.

(6) Those state agencies requesting the withholding of individual income tax refunds shall, on a per unit cost or other equitable basis determined by the ***Department of*** Revenue[~~ Cabinet~~], reimburse the ***Department of*** Revenue[~~ Cabinet~~] for all development, implementation and administration costs incurred but not otherwise funded under the provisions of KRS 131.560 to 131.595.

(7) During the development and implementation phase and the first full year of operation of the program, the ***Department of*** Revenue[~~ Cabinet~~] may limit agency participation in the program to ensure orderly implementation of the system.

Section 65. KRS 131.570 is amended to read as follows:

(1) Upon determining that a pending individual income tax refund is subject to setoff as authorized under this section, the debtor shall be notified in writing by the ***Department of*** Revenue[~~ Cabinet~~] of the claim made against such refund by the named claimant agency, and of the ***Department of Revenue's***[~~Revenue Cabinet's~~] intention to set off the refund against the debt to the claimant agency. The notice shall provide that the debtor within thirty (30) days from the date of the notice may request a hearing before the claimant agency as provided by statute. No issues at such hearing may be considered that have been litigated previously and the debtor, after being given due notice of rights of appeal, must exercise such rights in a timely manner. The decision of the claimant agency shall be subject to appeal as all other decisions rendered by the claimant agency. No funds shall be transferred to a claimant agency until the debtor's appeal rights have been exhausted.

(2) Any excess of the pending refund amount over the total claim filed against such refund shall be promptly issued to the taxpayer by the ***Department of*** Revenue[~~ Cabinet~~].

(3) In the event funds transmitted to a claimant agency are subsequently determined by the claimant agency to be in excess of the liquidated debt, such claimant agency shall promptly refund the excess to the taxpayer.

(4) In the event the ***Department of*** Revenue[~~ Cabinet~~] erroneously transfers funds to a claimant agency, the claimant agency shall immediately upon notification thereof reimburse the ***Department of*** Revenue[~~ Cabinet~~] for the amount erroneously transmitted to such agency. The ***Department of*** Revenue[~~ Cabinet~~] shall promptly refund to the taxpayer the appropriate amount of such returned funds with interest as provided in KRS 131.183(2).

Section 66. KRS 131.575 is amended to read as follows:

(1) Any individual income tax refund determined as a consequence of taxpayers filing separate returns on a combined

Kentucky individual income tax form may be apportioned by the ***Department of*** Revenue~~[Cabinet]~~ between the spouses based on the ratio of the adjusted gross incomes of each spouse to the total adjusted gross income. The amount of the refund computed to be due the spouse who is not indebted to the claimant agency shall be refunded by the ***Department of*** Revenue~~[Cabinet]~~ to such spouse. In the event such refunded amount has been transmitted to the claimant agency, the ***Department of*** Revenue~~[Cabinet]~~ shall recover such amount from the claimant agency as provided in KRS 131.570(4).

(2) Any individual income tax refund determined as a consequence of taxpayers filing a joint Kentucky individual income tax return shall be deemed as coupled together in interest or liability and shall be subject to transfer to a claimant agency in its entirety.

Section 67. KRS 131.580 is amended to read as follows:

The ***Department of*** Revenue~~[Cabinet]~~ may promulgate rules and regulations necessary to develop, implement and administer the provisions of KRS 131.560 to 131.595.

Section 68. KRS 131.585 is amended to read as follows:

There is hereby created within the ***Department of*** Revenue~~[Cabinet]~~ a state debt offset account, which will be subject to the provisions of the restricted fund group, as provided in KRS 48.010(13)(f), and all funds collected under KRS 131.565(5) shall be credited thereto with only the expenses of the ***Department of*** Revenue~~[Cabinet]~~ related to development, implementation and administration of KRS 131.560 to 131.595 to be paid therefrom. This account shall not lapse.

Section 69. KRS 131.590 is amended to read as follows:

To defray the cost of development and implementation of KRS 131.560 to 131.595, there shall be credited to the state debt offset account an amount not to exceed $175,000, such amount to be derived from the amount of the Kentucky individual income tax refunds withheld under the provisions of KRS 131.560 to 131.595 for undisputed delinquent taxes due the ***Department of*** Revenue~~[Cabinet]~~.

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the ***Department of*** Revenue[~~ Cabinet~~] making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 89. KRS 132.340 is amended to read as follows:

(1) Within ten (10) days after the summons has been served, or within thirty (30) days after the warning order against the defendant whose name and place of residence are unknown has been made, if it appears to the county judge/executive that the property is liable for taxation and has not been assessed, the county judge/executive shall enter an order fixing the value at the fair cash value estimated as required by law. The county judge/executive shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the county judge/executive to appear in the order, to the ***Department of*** Revenue[~~ Cabinet~~] and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the county judge/executive shall make an order to that effect. Either party may appeal from the decision of the county judge/executive to the Circuit Court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the secretary of revenue acting as the relator.

(2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be

enforced and a sufficiency of the property sold to pay the obligation to the state, county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty percent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.

(3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 90. KRS 132.350 is amended to read as follows:

The county clerk shall, upon the filing of a statement by an agent, accountant or attorney of the ***Department of*** Revenue[~~ Cabinet~~] for the assessment of omitted property, enter the name of the person signing the statement as attorney for the ***department***[~~cabinet~~], and enter the name of the county attorney as attorney for the state, county, school and other taxing districts for which the ***commissioner***[~~secretary~~] of revenue is authorized to act as relator in such proceeding. The county attorney shall appear and prosecute or assist in the prosecuting of the proceeding in all the courts to which it may be taken for trial. If there is a judgment assessing the property for taxation, the judgment in each case shall recite whether or not the county attorney was present and assisted in the trial of the proceeding. When he is present and assists in the proceeding he shall be allowed as compensation for his services ten percent (10%) of the amount of state and county taxes assessed and collected pursuant to the judgment. The state and county shall be liable respectively for the payment only of the percentage allowance of compensation to the county attorney on the amount that each collects, and this shall be paid to the county attorney within thirty (30) days after the collection of the taxes, and charged against the fund to which the tax was credited.

Section 91. KRS 132.360 is amended to read as follows:

(1) Any assessment of accounts receivable, notes, or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.220 may be reopened by the ***Department of*** Revenue[~~ Cabinet~~] within five (5) years after the due date of the return, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the ***department***[~~cabinet~~] finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the ***department***[~~cabinet~~] and offer evidence to show that no increase should be made. After the ***department***[~~cabinet~~] has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the ***department***[~~cabinet~~] shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 92. KRS 132.370 is amended to read as follows:

(1) There shall be a property valuation administrator in each county in lieu of a county assessor. Property valuation administrators shall be state officials and all deputies and assistants of their offices shall be unclassified state employees.

(2) Property valuation administrators shall be elected in the year in which county elections are held and shall enter upon the discharge of the duties of their office on the first Monday in December after their election and continue in office for a period of four (4) years, and until the election and qualification of their successors. Property valuation administrators shall possess the qualifications required by Section 100 of the Constitution and by KRS 132.380 and shall be eligible for reelection.

(3) The property valuation administrators and all deputies and assistants of their offices who qualify as full-time employees shall be eligible for participation in the provisions of KRS 18A.205, 18A.230 to 18A.355, and 61.510 to 61.705.

(4) A property valuation administrator may be removed from office by the Circuit Court of his county, upon petition of any taxpayer, or by the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] for any of the following grounds: willful disobedience of any just or legal order of the ***department***[~~cabinet~~], or for misfeasance or malfeasance in office or willful neglect in the discharge of his official duties, including but not limited to intentional underassessment or overassessment of properties and chronic underassessment of properties. For purposes of this section and KRS 134.385, "chronic underassessment" shall mean a widespread pattern and practice of assessing properties at levels substantially below fair market value which persists for a period of two (2) or more years as disclosed by randomly selected sample appraisals conducted under the provisions of KRS 133.250, special audits conducted pursuant to KRS 134.385, or other means.

(5) If the secretary determines that a property valuation administrator should be removed from office, the property valuation administrator shall be notified in writing, and the notice of intent to remove shall state the specific reasons for removal. The notice shall also advise the property valuation administrator of his right to a preremoval conference and an administrative hearing.

(6) A property valuation administrator may request a preremoval conference to appear with or without counsel before the ***commissioner***[~~secretary~~] or his designee to answer the charges against him. The preremoval conference shall be requested in writing within six (6) working days of the date on which the notice of intent to remove is received, and a preremoval conference shall be scheduled within seven (7) working days of the date on which the request is received. The ***commissioner***[~~secretary~~] or his designee shall render a decision within five (5) working days of the conclusion of the preremoval conference. Failure of a property valuation administrator to request a preremoval hearing shall not waive his right to contest his removal through an administrative hearing.

(7) If an action to remove a property valuation administrator is initiated by the ***commissioner***[~~secretary~~] of revenue, the property valuation administrator shall have the right to appeal and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B. Appeal of the final order of the ***commissioner***[~~secretary~~] of revenue may be filed in a Circuit Court of an adjacent judicial circuit in accordance with KRS Chapter 13B, notwithstanding the provisions of KRS Chapter 18A.

(8) If a property valuation administrator is removed from office as provided in subsections (4) to (7) of this section, he shall be ineligible to serve in the office at any future date and shall forfeit any and all certification from the ***Department of*** Revenue[~~ Cabinet~~] pertaining to the office.

(9) Notwithstanding the provisions of KRS 18A.110(5)(c), the ***department***[~~cabinet~~] shall promulgate administrative regulations allowing property valuation administrators and their deputies to receive lump-sum payments for accrued annual leave and compensatory time when separated from employment because of termination by the employer, resignation, retirement, or death.

Section 93. KRS 132.375 is amended to read as follows:

Whenever a vacancy occurs in the property valuation administrator's office, the ***commissioner***[~~secretary~~] of revenue shall designate a qualified ***department***[~~cabinet~~] employee to carry on the duties of the office until the vacancy is filled by appointment or by election. The ***department***[~~cabinet~~] employee so designated shall be compensated from ***Department of*** Revenue[~~ Cabinet~~] funds in the same manner and at the same rate as compensated prior to his receiving the designation, plus necessary expenses, including travel. The individual shall have all the powers and be subject to all the administrative regulations applying to property valuation administrators.

Section 94. KRS 132.380 is amended to read as follows:

(1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the ***Department of*** Revenue[~~ Cabinet~~], showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election. The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall hold the examinations in at least one (1) place in each Supreme Court district during the month of November of each year immediately preceding each year in which property valuation administrators are to be elected. The ***Department of*** Revenue[~~ Cabinet~~] shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.

(2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the ***Department of*** Revenue[~~ Cabinet~~] shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).

(3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the ***Department of*** Revenue[~~ Cabinet~~] may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.

(4) Examinations shall be given and graded in accordance with rules of the ***department***[~~cabinet~~] published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the ***Department of*** Revenue[~~ Cabinet~~] to each person passing the examination.

(5) Examination records shall be preserved by the ***department***[~~cabinet~~] for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the ***Department of*** Revenue[~~ Cabinet~~] in Frankfort, Kentucky.

Section 95. KRS 132.400 is amended to read as follows:

Before entering upon the duties of office, the property valuation administrator shall execute a bond conditioned upon the faithful performance of the duties of the office with a surety to be approved by the ***Department of*** Revenue[~~ Cabinet~~]. In counties containing a city of the first class or consolidated local government, the bond shall be in the sum of one hundred thousand dollars ($100,000); in counties containing a city of the second class, fifty thousand dollars ($50,000); in all other counties, twenty thousand dollars ($20,000).

Section 96. KRS 132.420 is amended to read as follows:

The property valuation administrator shall, subject to the direction, instruction, and supervision of the ***Department of*** Revenue[~~ Cabinet~~], make the assessment of all property in his county except as otherwise provided, prepare property assessment records, and have other powers and duties relating to assessment as may be prescribed by law or by the ***department***[~~cabinet~~].

Section 97. KRS 132.460 is amended to read as follows:

The property valuation administrator, or an authorized deputy, shall attend all hearings before the county board of assessment appeals and before the Kentucky Board of Tax Appeals relative to his assessment and submit to examination and fully disclose to them such information as he may have and any other matters pertinent to the inquiry being made. He shall be entitled to reimbursement from the county for expenses incurred in official business outside his county. If the ***Department of*** Revenue[~~ Cabinet~~] directs him to perform official duties outside of his county, the expenses shall be paid from the appropriation for the payment of the salaries of the property valuation administrators. Such reimbursement shall be paid on the same basis as employees of the Commonwealth are paid for travel expenses.

Section 98. KRS 132.485 is amended to read as follows:

(1) (a) The registration of a motor vehicle with a county clerk in order to operate it or permit it to be operated upon the highways of the state shall be deemed consent by the registrant for the motor vehicle to be assessed by the property valuation administrator from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing motor vehicles for assessment unless the registrant appears before the property valuation administrator to assess the vehicle. The standard value of motor vehicles shall be the average trade-in value prescribed by the valuation manual unless information is available that warrants any deviation from the standard value.

(b) The registration of a recreational vehicle with the county clerk in order to operate it or permit it to be operated upon the highways shall be deemed consent by the registrant thereof for the recreational vehicle to be assessed by the property valuation administrator at a valuation determined from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing recreational vehicles for assessment unless the registrant appears in person before the property valuation administrator to assess the vehicle.

(2) The registration of a motor vehicle on or before the date that the registration of the vehicle is required is prima facie evidence of ownership on January 1.

(3) This section does not apply to motor vehicles or recreational vehicles owned and operated by public service companies, common carriers, or agencies of the state and federal governments.

Section 99. KRS 132.486 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a centralized ad valorem assessment system for intangible personal property and tangible personal property. This system shall be designed to provide on-line computer terminals and accessory equipment in every property valuation administrator's office in the state in order to create and maintain a centralized personal property tax roll database.

(2) State income tax returns and return preparation instructions shall be revised to facilitate the preparation of the personal property tax return; however, the personal property tax return shall be a separate document and shall be listed with the property valuation administrator in the county of taxable situs according to the provisions of KRS 132.220(1) or with the ***Department of*** Revenue[~~ Cabinet~~]. The ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations and develop forms for the listing and assessment of personal property.

(3) Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provision of KRS 131.110.

(4) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in a protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

Section 100. KRS 132.490 is amended to read as follows:

(1) Each county clerk shall, by March 1 of each year, unless the time is extended by the ***Department of*** Revenue[~~ Cabinet~~], make and certify to the various property valuation administrators complete statements of all purchase money notes, mortgage notes and other obligations for money due, except those owned by banks, trust companies or real estate title insurance companies, as shown by the conveyances, mortgages and liens in his office. (2) The statements shall be made to each property valuation administrator of the state as to the notes or other evidences of indebtedness owned or held by persons residing or having their principal place of business in the county of that property valuation administrator. Each statement shall cover a period of one (1) year next prior to January 1 of each year. The statements shall be sworn to by the clerk before some person authorized to administer oaths, as a complete statement of the facts.

(3) For his services in making these statements, the clerk shall be paid reasonable compensation by the fiscal court of his county.

Section 101. KRS 132.510 is amended to read as follows:

Every executor, administrator, guardian, conservator, trustee, trustee in bankruptcy, receiver or other person acting in a fiduciary capacity shall, when required, file with the ***Department of Revenue***[~~revenue cabinet~~] a sworn inventory showing in detail the amount and character of personal property in his hands, unless the inventory has been filed as a public record in the court in which the fiduciary qualifies. The ***department***[~~cabinet~~] may examine the books and accounts of any person acting in a fiduciary capacity. No fiduciary shall receive a final discharge until he has satisfied the court settling his accounts that all taxes against the estate have been paid.

Section 102. KRS 132.520 is amended to read as follows:

(1) Every bank, trust company, combined bank and trust company, and real estate title insurance company doing business in this state shall, by February 1 of each year, unless the time is extended by the ***Department of*** Revenue[~~ Cabinet~~], file with the ***department***[~~cabinet~~] a report sworn to by its president, vice president, treasurer, or cashier, showing as of January 1 of each year:

   (a) A list of the notes, bonds, or other evidences of indebtedness secured by mortgage or other recorded instrument standing in its name of record that it has assigned or transferred during the preceding year without making a transfer of record, the amount of each, and the name and address of the person to whom each was assigned. Where the name and address of the transferee holding the securities on January 1 of any year is given, any previous transfers of the securities during that year need not be furnished.

   (b) A list of the mortgages standing in its name on January 1 that were assigned of record to it during the preceding year with its knowledge and consent, where it has not become the absolute owner of the debt secured thereby, showing the amount of each such mortgage and the name and address of each assignor. Any mortgage assigned to it during any year and paid and released of record prior to January 1 need not be included in the report.

   (c) A list of all debenture bonds, collateral trust bonds, notes, certificates, and other evidences of indebtedness issued, assigned, or transferred by it during the preceding year that are secured by and represent the beneficial interest in lien notes, bonds, or mortgages standing in its name of record, the amount of each such evidence of indebtedness, and the name and address of the person to whom each was assigned or transferred. Where the name and address of the transferee holding the securities on January 1 of any year is given, any previous transfer or assignment of the securities need not be furnished.

   (d) A list of all lien notes, bonds, mortgages, certificates, and other evidences of indebtedness that it has assigned or transferred to any person as security for the issuing of any debenture or collateral trust bonds, the amount of each, and the name and address of the person to whom each was assigned.

(2) The reports required under paragraphs (a) and (b) of subsection (1) of this section need not include sales or pledges from one (1) bank, trust company, or combined bank and trust company to another bank or company, or notes or obligations secured by any recorded instrument executed to a bank, trust company, or a combined bank and trust company in which the obligations secured by the instrument are divided among estates or accounts in charge of the bank or company and regularly and properly entered on its records. The provisions of this section do not apply to mortgages made by corporations to trustees to secure bond issues made by them in the regular course of business, except as provided in paragraph (c) of subsection (1) of this section.

(3) The information thus obtained shall be communicated by the ***department***[~~cabinet~~] to the property valuation administrator and the board of assessment appeals of the respective counties in which the true owners of the debts reside.

Section 103. KRS 132.550 is amended to read as follows:

(1) After the county clerk has completed the services required of him upon delivery of the tax rolls and schedules to him by the property valuation administrator, he shall then calculate the taxes due the state, county, school, county polls, and school polls, for each individual taxpayer, opposite their name in the tax rolls, upon the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The rolls and forms shall be a permanent record of the county clerk's office.

(2) For performing the services required by this section the county clerk shall be paid the sum of fifteen cents ($0.15) for each tax list on the tax rolls, one-half (1/2) of this sum to be paid by the state, and the other one-half (1/2) to be paid by the county.

Section 104. KRS 132.570 is amended to read as follows:

(1) No person shall willfully make a false statement, or, to avoid taxation, make a temporary investment in securities exempt from taxation, or convert any intangible property into nontaxable property outside of this state, or resort to any device to evade taxation. Any person doing so shall be subject to three (3) times the amount of tax upon his property, to be recovered by the sheriff by action in the name of the Commonwealth in the county in which the property is liable for taxation, or by the ***Department of*** Revenue[~~ Cabinet~~], when the taxes are payable to it, in the Franklin Circuit Court.

(2) No person shall transfer or assign of record any mortgage note, bond or other evidence of indebtedness, secured by any recorded instrument, for the sole purpose of evading the taxes thereon.

Section 105. KRS 132.590 is amended to read as follows:

(1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the ***Department of*** Revenue[~~ Cabinet~~] annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the ***department***[~~cabinet~~] shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the ***department***[~~cabinet~~] increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the ***Department of*** Revenue[~~ Cabinet~~] the total number of years, not to exceed four (4) years, that the person has previously served in the office. The ***department***[~~cabinet~~] shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.

(b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.

(c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents ($687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the ***commissioner***[~~secretary~~] of the Kentucky ***Department of*** Revenue[~~ Cabinet~~], to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~]. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The ***Department of*** Revenue[~~ Cabinet~~] may make grade classification changes corresponding to any approved for ***department***[~~cabinet~~] employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the ***department***[~~cabinet~~] may extend cost-of-living increases approved for ***department***[~~cabinet~~] employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

(6) Beginning with the 1990-1992 biennium, the ***Department of*** Revenue[~~ Cabinet~~] shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the ***Department of*** Revenue[~~ Cabinet~~]. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.

(7) Beginning with the 1990-1992 biennium each property valuation administrator shall submit by June 1 of each year for the following fiscal year to the ***Department of*** Revenue[~~ Cabinet~~] a budget request for his office which shall be based upon the number of employee positions allocated to his office under subsection (6) of this section and upon the county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. (11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the ***Department of*** Revenue~~[Cabinet]~~ only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. (14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A or when a consolidated local government is established through merger of existing city and county governments as provided by KRS Chapter 67C, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government or consolidated local government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars

($125,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

Property valuation administrators shall not be required to keep records verifying expenditures from this expense allowance.

(2) The expense allowance provided in subsection (1) of this section shall be used by the property valuation administrator for expenses incurred in the performance of his duties. The allowance is to provide the necessary funds for payment of all expenditures of the property valuation administrator not directly associated with the assessment of property in his particular county.

(3) Each property valuation administrator shall annually, within each calendar year, participate in a minimum of thirty (30) classroom hours of professional instruction conducted or approved by the ***Department of*** Revenue[~~ Cabinet~~]. Any property valuation administrator failing to meet the ***department's***[~~cabinet's~~] requirements for any calendar year shall not receive the three thousand six hundred dollar ($3,600) annual expense allowance provided in subsection (1) of this section for the subsequent calendar year.

(4) The annual requirement for participation in classroom instruction shall be reduced to fifteen (15) hours for any property valuation administrator awarded the "senior Kentucky assessor" (SKA) professional designation under the provisions of KRS 132.385.

Section 107. KRS 132.601 is amended to read as follows:

(2) The property valuation administrator shall maintain a bank account for the management of local funds received by his office under the provisions of KRS 132.590 and 132.285. Beginning with the 1990-1992 biennium, at the end of each fiscal year a cumulative carryover of local funds equivalent to the total annual local appropriation for the ending fiscal year or five thousand dollars ($5,000), whichever is greater, shall be retained. Any funds in excess of this amount shall be refunded by the property valuation administrator no later than August 1 to the appropriating local governments in direct proportion to their respective appropriations.

(3) Expenditures made by the office of the property valuation administrator under the provisions of subsection (1) of this section shall be governed by procurement procedures adopted by the fiscal court in the county administrative code required by KRS 68.005. However, after approval of the annual budget for the office of the property valuation administrator provided in KRS 132.590 by the ***Department of*** Revenue[~~ Cabinet~~], the necessity of the expenditure shall not be questioned by the fiscal court. The ***Department of*** Revenue[~~ Cabinet~~] shall have neither authority nor responsibility in the auditing of expenditures made by the property valuation administrator from locally appropriated funds. The Auditor of Public Accounts shall assume the responsibility.

Section 108. KRS 132.605 is amended to read as follows:

(1) The fiscal court of each county shall have jurisdiction and the power to purchase and supply to the property valuation administrator any maps, lists, charts, materials, supplies, equipment or instruments which are reasonably necessary for a complete and accurate assessment of property in the county. The ***Department of*** Revenue[~~ Cabinet~~] is authorized to purchase and loan any property valuation administrator such maps, lists, charts, materials, supplies, equipment or instruments as are urgently needed by any property valuation administrator, provided that the ***Department of*** Revenue[~~ Cabinet~~] keeps a record thereof.

(2) The fiscal court of any county shall provide for the maintenance of all maps, lists, charts, materials, supplies, equipment or instruments owned by a county or supplied to it by the ***Department of*** Revenue[~~ Cabinet~~] or by any source in cooperation with the ***Department of*** Revenue[~~ Cabinet~~] for the purpose of facilitating the assessment of property.

Section 109. KRS 132.620 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall recover from any property valuation administrator all compensation paid to him for assessments that were unauthorized or excessive when and to the extent it is determined by a final order of the board of assessment appeals, Kentucky Board of Tax Appeals, or a court of competent jurisdiction that such assessments

were unauthorized or excessive. Whenever the property valuation administrator fails to render the services required of him or he performs any of his duties in such a manner as to fail to comply substantially with the requirements of the law, he shall be required to pay a sum that will reasonably compensate the Commonwealth of Kentucky for its costs in rendering the duties required to be performed by the property valuation administrator. The ***Department of*** Revenue~~[Cabinet]~~ shall notify the property valuation administrator by certified mail, return receipt requested, of any amount charged to be due under this section and a statement of the reasons therefor. The property valuation administrator shall be entitled to a hearing before the Kentucky Board of Tax Appeals, and an appeal may be taken from the final action of the Kentucky Board of Tax Appeals to the courts as provided by law.

(2) Any sum that may become due from any property valuation administrator by reason of this section may be deducted from any amount that the Commonwealth of Kentucky may become obliged to pay such property valuation administrator, or it may be collected from the bondsman of the property valuation administrator.

Section 111. KRS 132.660 is amended to read as follows:

(1) The ***Department of*** Revenue~~[Cabinet]~~ shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one (1) or more persons appointed for that purpose by the ***department***~~[cabinet]~~, whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten percent (10%) in value of the taxable property in the taxing district; or investigation of the ***department***~~[cabinet]~~ discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the county clerk where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the ***department***~~[cabinet]~~ shall cause to be published pursuant to KRS Chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county clerk and the county judge/executive shall immediately convene the board of assessment appeals to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030(3). Appeals shall be taken and heard from such emergency assessments in the same manner as appeals from regular assessments.

(2) The ***department***~~[cabinet]~~ may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 112. KRS 132.670 is amended to read as follows:

(1) The ***Department of*** Revenue~~[Cabinet]~~ shall prepare detailed maps identifying every parcel of real property within each county of the state. Each county shall furnish to the ***department***~~[cabinet]~~ adequate facilities in the county courthouse in which to work. The ***Department of*** Revenue~~[Cabinet]~~ shall prescribe methods and specifications for the mapping of property. Personnel authorized to assist in making property identification maps under this section may be given the same authority as a deputy property valuation administrator. Locally employed mapping project personnel shall be compensated in the same manner as deputies or assistants in the property valuation administrator's office.

(2) The ***Department of*** Revenue~~[Cabinet]~~ shall conduct a biennial review of the quality of maps and ownership records in each county. If, in the first review conducted under these provisions, the maps and records in any county fail to meet the minimum standards established by the ***department***~~[cabinet]~~, the ***department***~~[cabinet]~~ shall assume responsibility for remapping, revision, and updating under the provisions of subsection (1) of this section. Minimum maintenance standards to be followed by each property valuation administrator shall be established by the ***department***~~[cabinet]~~.

for the mapping project as set forth in KRS 132.670. This account shall not lapse.

(2) There is hereby authorized to be deposited into this account the balance of the money heretofore deposited in the "Kentucky Wastewater Revolving Fund" created pursuant to KRS 107.600, now repealed.

(3) The ***commissioner***[~~secretary~~] of revenue or any person duly authorized by him shall have the authority to withdraw from this account for the purpose set forth in subsection (1) of this section.

Section 114. KRS 132.690 is amended to read as follows:

(1) Each parcel of taxable real property or interest therein subject to assessment by the property valuation administrator shall be revalued during each year of each term of office by the property valuation administrator at its fair cash value in accordance with standards prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be physically examined no less than once every four (4) years by the property valuation administrator or his assessing personnel. In accordance with procedures prescribed by the ***Department of*** Revenue[~~ Cabinet~~], the property valuation administrator shall submit an assessment schedule to the ***department***[~~cabinet~~] and shall maintain a record of physical examination and revaluation for each parcel of real property which includes, in addition to other relevant information, the inspection dates.

(2) The right of any individual to appeal the assessment on his property in any year as provided in KRS 133.120 shall in no way be affected by this section.

(3) If the property valuation administrator fails to revalue property as required by this section, the ***Department of*** Revenue[~~ Cabinet~~] shall have the authority to order an emergency revaluation in the same manner as provided for emergency assessments by KRS 132.660. Any property valuation administrator willfully violating the provisions of subsection (1) of this section or who refuses to comply with the directions of the ***Department of*** Revenue[~~ Cabinet~~] to correct the assessment shall have his compensation suspended by the ***department***[~~cabinet~~] and shall be subject to removal from office as provided by KRS 132.370(4) and shall be subject to the provisions of KRS 132.620 and 61.120.

(4) Nothing in this section shall prohibit action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150 or 132.660 in any year in which the ***department***[~~cabinet~~] determines such action to be necessary.

Section 115. KRS 132.810 is amended to read as follows:

(1) To qualify under the homestead exemption provision of the Constitution, each person claiming the exemption shall file an application with the property valuation administrator of the county in which the applicant resides, on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by any retirement system either within or without the Commonwealth of Kentucky on January 1 of the year in which application is made.

(b) Every person filing an application for exemption under the homestead exemption provision must own and maintain the property for which the exemption is sought as his personal residence.

(d) Every person filing for the homestead exemption who is totally disabled and is less than sixty-five (65) years of age must apply for the homestead exemption on an annual basis.

(e) Only one (1) exemption per residential unit shall be allowed even though the resident may be sixty-five (65) years of age and also totally disabled, and regardless of the number of residents sixty-five (65) years of age or older occupying the unit, but the sixty-five hundred dollars ($6,500) exemption shall be construed to mean sixty-five hundred dollars ($6,500) in terms of the purchasing power of the dollar in 1972. Every two (2) years thereafter, if the cost of living index of the United States Department of Labor has changed as much as one percent (1%), the maximum exemption shall be adjusted accordingly.

(f) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(g) A mobile home, recreational vehicle, when classified as real property as provided for in KRS 132.751, or a manufactured house shall qualify as a residential unit for purposes of the homestead exemption provision.

(h) When title to property which is exempted, either in whole or in part, under the homestead exemption is transferred, the owner, administrator, executor, trustee, guardian, conservator, curator, or agent shall report such transfer to the property valuation administrator.

(3) Notwithstanding any statutory provisions to the contrary, the provisions of this section shall apply to the assessment and taxation of property under the homestead exemption provision for state, county, city, or special district purposes.

(4) The provisions of this section shall become effective with the 1982 taxable year and persons eligible for a homestead exemption under this section, who have not previously filed under the age provision of the homestead exemption, shall file applications by December 31 of the taxation period.

(a) The homestead exemption for disabled persons shall terminate whenever those persons no longer meet the total disability classification at the end of the taxation period for which the homestead exemption has been granted. In no case shall the exemption be prorated for persons who maintained the total disability classification at the end of the taxation period.

(b) Any totally disabled person granted the homestead exemption under the disability provision shall report any change in disability classification to the property valuation administrator in the county in which the homestead exemption is authorized.

(c) Any person making application and qualifying for the homestead exemption before payment of his property tax bills for the year in question shall be entitled to a full or partial exoneration, as the case may be, of the property tax due to reflect the taxable assessment after allowance for the homestead exemption.

(d) Any person making application and qualifying for the homestead exemption after property tax bills have been paid shall be entitled to a refund of the property taxes applicable to the value of the homestead exemption.

(5) In this section, "taxation period" means the period from January 1 through December 31 of the year in which application is made, unless the person maintaining the classification dies before December 31, in which case "taxation period" means the period from January 1 to the date of death.

Section 116. KRS 132.815 is amended to read as follows:

Section 117. KRS 132.820 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the ***Department of*** Revenue[~~ Cabinet~~] as a distinct interest in real property, separate and apart from the surface real estate unless:

(a) The unmined coal, oil and gas reserves, and other mineral or energy resources are owned in their entirety by the surface owner;

(b) The surface owner is neither engaged in the severance, extraction, processing, or leasing of mineral or other energy resources nor is he an affiliate of a person who engages in those activities; and

(c) The surface is being used by the surface owner primarily for the purpose of raising for sale agricultural crops, including planted and managed timberland, or livestock or poultry.

For purposes of this section, "affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another individual, partnership, committee, association, corporation, or any other organization or group of persons.

Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the ***department***[~~cabinet~~] to file a return.

(3) Any property subject to assessment by the ***department***[~~cabinet~~] under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting

officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

A board member who has served for a full term shall not be eligible for reappointment. However, he shall be eligible for appointment after a hiatus of three (3) years. If the number of appeals to the board of assessment appeals filed with the county clerk exceeds one hundred (100), temporary panels of the board may be appointed with approval of the ***Department of*** Revenue~~[Cabinet]~~. Each temporary panel shall consist of three (3) members having the same qualifications and appointed in the same manner as the board members. The number of additional panels shall not exceed one (1) for each one hundred (100) appeals in excess of the first one hundred (100). The county judge/executive shall designate one (1) of the members of the board of assessment appeals to serve as chairman of the board. If additional panels are appointed, as provided in this subsection, the chairman of the board of assessment appeals shall designate one (1) member of each additional panel as chairman of the panel. A majority of the board or of any panel may determine the action of the board or panel respectively and make decisions. Each panel of the board shall have the same powers and duties given the board by KRS 133.120, except the action of any panel shall be subject to review and final approval by the board.

(2) Each member of the board shall have extensive knowledge of real estate values, preferably in real estate appraisal, sales, management, financing, or construction. In counties with cities of the first, second, or third class, the member appointed by the mayor shall be a certified real estate appraiser unless the mayor provides sufficient proof to the ***department***~~[cabinet]~~ of his inability to secure a certified real estate appraiser.

(3) The board shall be subject to call by the county judge/executive at any time prescribed by law.

(4) The members of the county board of assessment appeals, and any panel of the board, before undertaking their duties, shall take the following oath, to be administered by the county judge/executive: "You swear (affirm) that you will, to the best of your ability, discharge the duties required of you as a member of the county board of assessment appeals, and that you will fix at fair cash value all property assessments brought before you for review as prescribed by law."

(5) The ***department***[~~cabinet~~] shall prepare and furnish to each property valuation administrator guidelines and materials for an orientation and training program to be presented to the board by the property valuation administrator or his deputy each year.

(6) A board member shall produce evidence of his qualifications upon request of the ***department***[~~cabinet~~]. A board member shall be replaced by the appointing authority upon proof of the member's failure to meet the qualifications of the position. Any vacancy on the board shall be filled by the appointing authority that appointed the member to be replaced. (7) Members of the county board of assessment appeals, and any temporary panel, shall abstain from hearing or ruling on an appeal for any property in which they have any personal or private interests.

Section 121. KRS 133.030 is amended to read as follows:

(1) The county board of assessment appeals shall convene each year at the county seat no earlier than twenty-five (25) days and no later than thirty-five (35) days following the conclusion of the tax roll inspection period provided for in KRS 133.045; except that no meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.690 or by the ***department***[~~cabinet~~] itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.

(2) The first regular meeting day of the board shall be devoted to the orientation and training program provided for in KRS 133.020(5), to a review of the assessment of the property valuation administrator and his deputies, and to a review of the appeals filed with the county clerk as clerk of the board, including a review of recent sales of comparable properties provided in accordance with the provisions of subsection (1) of this section, and an inspection of the properties involved in the appeals when in the opinion of the board such inspection will assist in the proper determination of fair cash value.

(3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day, if there are no appeals to be heard, nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the ***Department of*** Revenue[~~ Cabinet~~] upon request of the county judge/executive. Each board member shall be paid one hundred dollars ($100) for each day he serves. This compensation shall be paid one-half (1/2) out of the county levy and the other half out of the State Treasury.

(4) Members of temporary panels of the board shall serve the time necessary for hearing appeals but in no case more than five (5) days except upon approval of an extension of time by the ***Department of*** Revenue[~~ Cabinet~~]. Compensation of panel members shall be in the same manner and at the same rate as provided for members of the board.

Section 122. KRS 133.047 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 61.870 to 61.884, when the ***Department of*** Revenue[~~ Cabinet~~] has completed action on the assessment of property in any county and has certified the assessment to the county clerk of that county, as provided for in KRS 133.180, the property tax roll, or a copy of the property tax roll, shall be retained in the office of the property valuation administrator for maintenance as an open public record for five (5) years. The property tax roll shall be available for public inspection during the regular working hours of the office of the property valuation administrator as provided for in KRS 132.410(2).

(2) Any person inspecting a property tax roll shall do so in a manner not unduly interfering with the proper operation of the custodian's office.

(3) Personal property tax returns, accompanying documents, and assessment records, with the exception of the certified personal property tax roll, shall be considered confidential under the provisions of KRS 131.190.

(4) Real property tax returns and accompanying documents submitted by a taxpayer shall be considered confidential under the provisions of KRS 131.190. Other real property records in the office of the property valuation administrator shall be subject to the provisions of KRS 61.870 to KRS 61.884. However, notwithstanding the provisions of KRS 61.874 the ***Department of*** Revenue[~~ Cabinet~~] shall develop and provide to each property valuation administrator a reasonable fee schedule to be used in compensating for the cost of personnel time expended in providing information and assistance to persons seeking information to be used for commercial or business purposes. Any person seeking information on his own property, or any other person, including the press, seeking information directly related to property tax assessment, appeals, equalization, requests for refunds, or similar matters shall not be subject to fees for personnel time.

(5) The ***Department of*** Revenue[~~ Cabinet~~] shall provide advice, guidelines, and assistance to each property valuation administrator in implementing the provisions of KRS 61.870 to 61.884.

Changes in assessed value based on appraisal methodology or opinion of value shall not be valid. All corrections shall be reviewed by the ***Department of*** Revenue[~~ Cabinet~~] and those changes determined by the ***department***[~~cabinet~~] to be invalid shall be rescinded. Any taxpayer affected by this rescission shall not be subject to additional penalties.

(2) Notwithstanding other statutory provisions, for property subject to a tax rate that is set each year based on the certified assessment, any loss of property tax revenue incurred by a taxing district due to corrections made after the tax rate has been set may be recovered by making an adjustment in the tax rate to be set for the next tax year.

Section 124. KRS 133.123 is amended to read as follows:

When an appeal is taken from an assessment by the property valuation administrator, of property which the owner does not consider to be subject to taxation, it shall be the duty of the county board of assessment appeals to obtain and follow advice from the ***Department of*** Revenue[~~ Cabinet~~] relative to the taxability of such property; however, the board shall have full power and responsibility to make a determination of the fair cash value of such property.

Section 125. KRS 133.125 is amended to read as follows:

(1) No later than three (3) working days after the expiration of the inspection period provided for in KRS 133.045, the county clerk shall provide a copy to the property valuation administrator of each appeal petition and a summary of the appeals filed with the county board of assessment appeals. The summary shall be in a format, or on a form, provided or approved by the ***Department of*** Revenue[~~ Cabinet~~]. The property valuation administrator shall, within three (3) working days of receipt of the summary, prepare and submit to the ***Department of*** Revenue[~~ Cabinet~~] a final recapitulation of the real property tax roll incorporating all changes made since the submission of the first recapitulation. Those properties under appeal shall be listed for recapitulation and certification purposes at the value claimed by the taxpayer. After submission of the final recapitulation to the ***Department of*** Revenue[~~ Cabinet~~], assessments shall not be amended except for adjustments ordered by the board and for corrections made under the provisions of KRS 133.110 and KRS 133.130.

(2) The county clerk, or an authorized deputy, shall act as clerk of the board of assessment appeals; and where additional board panels are appointed, as provided by law, one (1) authorized deputy shall act as clerk for each panel. An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the ***Department of*** Revenue[~~ Cabinet~~] within five (5) days after the adjournment of the board.

(3) The county clerk shall certify to the county judge/executive the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members for their services. On a presentation of a copy of the order, the Finance and Administration Cabinet shall draw a warrant on the State Treasurer in favor of the board members and clerk for the amount due for their services.

(4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

Section 126. KRS 133.130 is amended to read as follows:

(1) Any person claiming to be erroneously charged with any tax upon property not owned by him may, after he has received notice of the same by demand made upon him to pay the tax, offer evidence in support of the complaint to the property valuation administrator of the county in which the assessment was made. If the property valuation administrator finds that he was not the owner of the property assessed, he may correct the same by releasing him from the payment of the tax, and shall assess the property immediately against the rightful owner.

(2) A protest may be made to the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 131.110 from any action of the property valuation administrator made under this section or under KRS 133.110.

Section 127. KRS 133.150 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall equalize each year the assessments of the property among the counties. It shall compare the recapitulation of the property valuation administrator's books from each county with the records of sales of land in such county or with such other information that it may obtain from any source and shall determine the ratio of the assessed valuation of the property to the fair cash value. The ***Department of*** Revenue[~~ Cabinet~~] shall have power to increase or decrease the aggregate assessed valuation of the property of any county or taxing district thereof or any class of property or any item in any class of property. The ***Department of*** Revenue[~~ Cabinet~~] shall fix the assessment of all property at its fair cash value. When the property in any county, or any class of property in any county, is not assessed at its fair cash value, such assessment shall be increased or decreased to its fair cash value by fixing the percentage of increase or decrease necessary to effect the equalization.

Section 128. KRS 133.160 is amended to read as follows:

When it is contemplated by the ***Department of*** Revenue[~~Cabinet~~] that it will be necessary to raise the assessed valuation of property in any county, it shall give notice of the contemplated action to the county judge/executive, the superintendent of any school district affected by such action, the mayor of any city which is affected and which has adopted the assessment, and to the taxpayers of that county through the county judge/executive, who shall post the notice sent him on the courthouse door and certify to the ***Department of*** Revenue[~~Cabinet~~] that this has been done, and it shall fix a time and place for a hearing which may be in Frankfort or any convenient place in or nearer the county seat.

Section 129. KRS 133.170 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~Cabinet~~] has completed its equalization of the assessment of the property in any county, it shall certify its action to the county judge/executive, with a copy of the certification for the county clerk, to be laid before the fiscal court of the county.

(2) If the fiscal court deems it proper to ask for a review of the aggregate equalization of any class or subclass of property, it shall direct the county attorney to prosecute an appeal of the aggregate increase to the Kentucky Board of Tax Appeals within ten (10) days from the date of the certification.

(3) Within ten (10) days from the date that the ***department's***[~~cabinet's~~] aggregate equalization of any or all classes or subclasses of property becomes final by failure of the fiscal court to prosecute an appeal or by order of the Kentucky Board of Tax Appeals or the courts, the fiscal court shall cause to be published, at least one (1) time, in the newspaper having the largest circulation within the county, a public notice of the ***department's***[~~cabinet's~~] action.

(4) Within ten (10) days from the date of the publication of the notice required in subsection (3) of this section, any individual taxpayer whose property assessment is increased above its fair cash value by the equalization action may file with the county clerk an application for exoneration of his property assessment from the increase. The application shall be filed in duplicate and shall include the name and address of the person in whose name the property is assessed; the assessment of the property before the increase; the description and location of the property including the description shown on the tax roll; the property owner's reason for appeal; and all other pertinent facts having a bearing upon its value. The county clerk shall forward one (1) copy, of each application for exoneration to the ***Department of*** Revenue[~~Cabinet~~] and shall exclude the amount of the equalization increase from the assessment in the preparation of the property tax bill for each property for which an application for exoneration has been filed.

(5) The county judge/executive shall reconvene the board of supervisors immediately following the close of the period for filing applications for exoneration from the increase. The board shall schedule and conduct hearings on all applications in the manner prescribed for hearing appeals by KRS 133.120; however, the board shall not have authority to reduce any assessment to an amount less than that listed for the property at the time of adjournment of the regular board session.

(6) The county clerk shall act as clerk of the reconvened board and shall keep an accurate record of the proceedings in the same manner as provided by KRS 133.125. Within five (5) days of the adjournment of the reconvened board, he shall notify each property owner in writing of the final action of the board with relation to the equalization increase and shall forward a copy of the proceedings certified by the chairman of the board and attested by him to the ***Department of*** Revenue[~~Cabinet~~] and to the other taxing districts participating in the tax.

(7) Any taxpayer whose application has been denied, in whole or in part, may appeal to the Kentucky Board of Tax Appeals as provided in KRS 131.340, and appeals thereafter may be taken to the courts as provided in KRS 131.370.

(8) The provisions of KRS 133.120(9) shall apply to the payment of taxes upon any property assessment for which an application for exoneration has been filed.

(9) The provisions of subsections (4), (5), (6), (7), and (8) of this section shall only apply to appeals growing out of equalization action by the ***Department of*** Revenue[~~Cabinet~~] under the provisions of KRS 133.150.

Section 130. KRS 133.180 is amended to read as follows:

When the ***Department of*** Revenue[~~Cabinet~~] has completed its action on the assessment of property in any county, it shall immediately certify to the county clerk the assessment and the amount of taxes due. The ***Department of*** Revenue[~~Cabinet~~] shall charge the amount of taxes due from the county to the sheriff of the county. When any item of property is in process of appeal and the valuation has not been finally determined, the certification of such property shall be based on the valuation claimed by the taxpayer as the true value. The county clerk shall affix the certification to the tax books and enter it of record in the order book, and it shall be the sheriff's or collector's warrant for the collection of taxes.

Section 131. KRS 133.181 is amended to read as follows:

If the ***Department of*** Revenue[~~Cabinet~~], in making its equalization of the property in any county in accordance with the provisions of KRS 133.150, causes any increase or decrease to be made in the value of any property, the county clerk shall correct the tax books to comply with the final certification of the assessment by the ***department***[~~cabinet~~]. As compensation for his services, the clerk shall receive the same compensation per day that he receives for serving as clerk of the board of assessment appeals for as many days as are necessary to make the corrections but not to exceed a total of ten (10) days. One-half (1/2) of such amounts shall be paid out of the county levy and one-half (1/2) out of the State Treasury. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars ($100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property; and the total amount of taxes due the state, county, school fund, and other levies. (3) Tax bills prepared in accordance with the certification of the ***Department of*** Revenue[~~ Cabinet~~] shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff.

(5) All notices returned as undeliverable shall be submitted no later than the following work day to the property valuation administrator. The property valuation administrator shall correct inadequate or erroneous addresses if the information to do so is available and, if property has been transferred, shall determine the new owner and the current mailing address. Upon receipt of a certification of omitted property by the property valuation administrator or by the ***Department of*** Revenue[~~ Cabinet~~], the county clerk shall make out for the use of the sheriff or collector a tax bill for each taxpayer who owes omitted taxes. The omitted tax bills shall be attested by the clerk in the same manner as the tax bills described in KRS 133.220. The clerk shall deliver the omitted tax bill to the sheriff or collector as soon as the omitted property has been finally assessed.

Section 136. KRS 133.240 is amended to read as follows:

(1) The county clerk shall be allowed thirty cents ($0.30) for calculating the state, county, and school tax and preparing a tax bill for each individual taxpayer for the sheriff or collector under the provisions of KRS 133.220, and one dollar ($1) for each tax bill made in case of an omitted assessment.

(2) The county clerk shall present his account to the fiscal court, verified by his affidavit, together with his receipt from the sheriff for the tax bills and his receipt from the ***Department of*** Revenue[~~ Cabinet~~] for the recapitulation sheets. If found correct, the court shall allow the account, and order one-half (1/2) of it paid out of the levy and the other one-half (1/2) out of the State Treasury. The county clerk shall certify the allowance to the Finance and Administration Cabinet, which shall draw a warrant on the State Treasurer in favor of the county clerk for the state's one-half (1/2).

(3) The above county allowance shall likewise be paid to the county clerk for calculation of the state, county, city, consolidated local government, urban-county government, school, and special district tax for each individual motor vehicle taxpayer, based upon certification from the ***Department of*** Revenue[~~ Cabinet~~] of the number of accounts as of January 1 each year.

Section 137. KRS 133.250 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall conduct sales-assessment ratio studies for each county and shall submit the ratio to each property valuation administrator by September 1 of each year or within thirty (30) days of submission of the property valuation administrator's final recapitulation to the ***department***[~~cabinet~~] as provided for in KRS 133.125, whichever date is later. Randomly selected sample appraisals shall be conducted by the ***Department of*** Revenue[~~ Cabinet~~] for each class of real property in each county no less than once every two (2) years to supplement sales data used in the

(3) Any county clerk who, without reasonable excuse, fails to return to the ***Department of*** Revenue[~~ Cabinet~~] copies of any books, papers, or records required by it in the manner and at the time prescribed by law, shall, upon conviction, be fined not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense.

(2) "***Department***[~~Cabinet~~]" means the ***Department of*** Revenue[~~ Cabinet~~].

(3) "Real property" includes all lands within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(6) "Tax claim" includes, in addition to the taxes due on a tax bill, the penalties, costs, fees, interest, commissions, the lien provided in subsection (1) of KRS 134.420 and other such items or expenses that have become or are by reason of the delinquent tax bill proper legal charges imposed by this chapter against the delinquent taxpayer at any given time.

(7) "Uncollectible tax bill" means a tax bill of a delinquent who owns no real property and which has been returned to the fiscal court by the sheriff or collector because there is insufficient or no personal property to satisfy it, and which has been allowed and approved in the settlement with the court as uncollectible.

(8) "Sheriff" includes any collector whose duty it is to receive or collect state, county or district taxes.

Section 140. KRS 134.020 is amended to read as follows:

(1) All state, county, and district taxes, except as otherwise provided by law, shall be due and payable on September 15 following the assessment; except that all taxes in any year on unmanufactured tobacco, money in hand, or money on deposit outside this state, shall be due and payable on the second succeeding September 15 following the assessment, unless otherwise provided by law.

(2) Any taxpayer who pays his state, county, or district taxes by November 1 after they become due in any year shall be entitled to two percent (2%) discount thereon, and the sheriff shall allow the discount and give a receipt in full to the taxpayer. The sheriff may, at any time after the taxes mentioned in this section become due, receive less than the face amount of the tax bill as a credit on the amount due, including the amount of any penalties then due; and every payment shall be credited upon the tax bill or upon sheets annexed thereto for that purpose, and acknowledged in writing or by a rubber stamp, indicating the amount so paid to the sheriff. The sheriff or any authorized collector of property taxes may accept payment of taxes due by any commercially acceptable means, including credit cards.

(3) All state, county, and district taxes, except as otherwise provided by law, shall become delinquent on January 1 following their due date.

(4) Any taxes which are not paid by the date when they become delinquent shall be subject to a penalty of ten percent (10%) on the taxes due and unpaid; except that taxes which became delinquent on January 1 shall be subject to a penalty of only five percent (5%) on the taxes due and unpaid, if paid on or before the last day of January. The sheriff shall collect the penalty and account for it as he is required to collect and account for taxes.

(5) When the tax collection schedule is delayed, through no fault of the taxpayers, the ***Department of*** Revenue[~~ Cabinet~~] may institute a revised collection schedule. The revised collection dates shall allow a two percent (2%) discount for all payments made within thirty (30) calendar days of the date the tax bills were mailed. Upon expiration of the time period to pay the tax bill with a discount, the face amount of the tax bill shall be due during the next thirty (30) days. If the time

period to pay the face amount has lapsed, a five percent (5%) penalty shall be added to the tax bill for payments made during the next thirty (30) day period. Upon expiration of this time period, a ten percent (10%) penalty shall be added to all tax bills paid thereafter.

(6) If, upon expiration of the five percent (5%) penalty period, the real property tax delinquencies of the sheriff exceed fifteen percent (15%), the sheriff shall be required to make additional reasonable collection efforts. Section 141. KRS 134.040 is amended to read as follows:

If a tax is paid before the taxpayer's liability has been ascertained or before the taxpayer is notified thereof, the acceptance and deposit into the State Treasury of the remittance by the ***Department of*** Revenue[~~ Cabinet~~] shall not imply that the payment was the correct amount due, nor preclude assessment and collection of additional taxes found to be due, or refund of any part of the amount paid that may be in excess of that determined to be due.

Section 142. KRS 134.050 is amended to read as follows:

(1) Every tax imposed by law and all increases, penalties and interest thereon shall be a personal debt of the person liable for the payment thereof, from the time the tax becomes due until paid. In addition to all other remedies, the collection thereof may be enforced in the same manner as the collection of any other debt due the state. The penalty prescribed by KRS 135.060, when applicable, shall be applied to the amount of the original tax, interest and penalties.

(2) The ***department***[~~Revenue Cabinet~~] may refuse to accept a personal check as remittance in payment of taxes due or collected by any person who has ever tendered the state a check which, when presented for payment, was not honored. Any check so refused shall be considered as never having been tendered.

(5) Upon proof being presented to the county clerk that the motor vehicle or trailer was transferred to a bona fide purchaser for value without notice prior to the placing of a lien on a certificate of title and registration, the clerk shall file such proof with the certificate of title and registration and shall then remove the lien.

(6) The lien filing fee, as provided for in KRS 64.012, shall be added to the tax bill and be payable with the lien releasing fee by the registrant at the time of payment of the delinquent tax to the county clerk.

(1) An outgoing sheriff, as soon as his successor has been qualified and inducted into office and his official bond approved, shall immediately vacate his office, deliver to his successor all books, papers, records, and other property held by virtue of his office, and make a complete settlement of his accounts as sheriff, except as otherwise provided in this section.

This receipt shall show in detail for each unpaid and for each partially paid tax bill the total amount due each taxing district as shown upon the tax bills. Provided, however, in counties containing a population of seventy thousand (70,000) or over, the receipt shall show the total amount due each taxing district as shown upon the unpaid and partially paid tax bills. The receipt shall be signed and acknowledged by the incoming sheriff before the county clerk, filed with the county judge/executive, and recorded in the order book of the county judge/executive in the manner required by law for recording the official bond of the sheriff. If a county's population that equaled or exceeded seventy thousand (70,000) is less than seventy thousand (70,000) after the most recent federal decennial census, then the provisions of KRS 64.368 shall apply.

(3) Each outgoing sheriff shall make a final settlement with the ***Department of*** Revenue~~[Cabinet]~~ and the fiscal court and taxing district of his county by March 15 immediately following the expiration of his term of office for all charges of taxes made against him and for all money received by him as sheriff and to obtain his quietus, and immediately thereafter he shall deliver these records to the incumbent sheriff.

(4) For purposes of accounting for unpaid and partially paid tax bills, either the outgoing sheriff, the incoming sheriff, or both, may, by giving advance notice by publication pursuant to KRS Chapter 424, refuse to accept payment of ad valorem taxes during any or all of that portion of their terms of office from January 1 through January 15. Section 150. KRS 134.280 is amended to read as follows:

(1) On the failure of the sheriff to execute bond and qualify as provided in KRS 134.230 he shall forfeit his office, and the county judge/executive may appoint a sheriff to fill the vacancy until a sheriff is elected, or it may appoint a collector for the county of all moneys due the state, county or taxing district authorized to be collected by the sheriff, or it may appoint a separate collector of all the moneys due the state, county or any taxing district thereof during the vacancy in the office of sheriff. If the county judge/executive fails for thirty (30) days to appoint a collector of money due the state, the ***Department of*** Revenue[~~ Cabinet~~] may appoint a collector thereof. These collectors shall, within ten (10) days after their appointment, execute bond as required of the sheriff, to be approved by the county judge/executive, and if the bond is not executed within that time the appointment of another collector may, in like manner, be made, but such collector shall be required to give bond for and collect only the taxes or moneys provided for in the order of the county judge/executive appointing him.

(2) A sheriff who forfeits his office under subsection (1) of this section, or who resigns his office, shall not be appointed deputy sheriff or collector for the county, or elisor, deputy collector or deputy elisor.

(1) In counties where the state taxes charged to the sheriff for the year are less than seventy-five thousand dollars ($75,000), he shall be allowed by the ***Department of*** Revenue[~~ Cabinet~~], for collecting such taxes, a commission of ten percent (10%) upon the first ten thousand dollars ($10,000) and four and one-quarter percent (4.25%) upon the residue. In all other counties, he shall be allowed ten percent (10%) upon the first five thousand dollars ($5,000) and four and one-quarter percent (4.25%) upon the residue.

(2) In counties where county taxes and special district taxes, excluding school taxes, charged to the sheriff for the year are less than one hundred fifty thousand dollars ($150,000), he shall be allowed by the county treasurer for collecting such taxes ten percent (10%) upon the first ten thousand dollars ($10,000) and four and one-quarter percent (4.25%) upon the residue. In all other counties, he shall be allowed ten percent (10%) upon the first five thousand dollars ($5,000) and four and one-quarter percent (4.25%) upon the residue.

(3) Notwithstanding the provisions of subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall allow the sheriff a commission for 1996 and subsequent years equal to the amount allowed the sheriff in 1995, or the amount required by the provisions of subsection (1) of this section, whichever is greater.

(4) Notwithstanding the provisions of subsection (2) of this section, the county treasurer shall allow the sheriff a commission for 1996 and subsequent years equal to the amount allowed the sheriff in 1995, or the amount required by the provisions of subsection (2) of this section, whichever is greater.

Section 152. KRS 134.310 is amended to read as follows:

(1) The sheriff shall annually settle his accounts for county and district taxes with the fiscal court after making settlement with the ***Department of*** Revenue[~~ Cabinet~~]. The fiscal court shall appoint some competent person other than the Commonwealth's or county attorney to settle the accounts of the sheriff for money due the county or district. The ***department***[~~cabinet~~], at the request of the fiscal court or any school district, may conduct the local settlement. If no local settlement has been initiated by July 1 of any year, the ***department***[~~cabinet~~] may initiate the local settlement on behalf of the local district. Upon completion of the local settlement, the ***department***[~~cabinet~~] may receive reasonable reimbursement for expenses incurred. The report of the state and local settlement shall be filed in the county clerk's office and approved by the county judge/executive no later than September 1 of each year. The settlement shall show the amount of ad valorem tax collected, and an itemized statement of the money disbursed.

(2) The settlement shall be published pursuant to KRS Chapter 424. The report of the settlement shall be subject to objections by the sheriff or by the county attorney, who shall represent the state and county, and the county judge/executive shall determine the objections. Objections shall be submitted to the county judge/executive within fifteen (15) days of the filing of the settlement in the clerk's office. If no objections are submitted, the settlement will become final.

(3) If the county judge/executive denies the objections, the sheriff may institute an action in Circuit Court within fifteen (15) days of receipt of the denial for review of the settlement and objections. Upon review, the Circuit Court shall issue its determination and the settlement shall become final. The final settlement shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810.

(4) On the final settlement, the sheriff shall pay to the county treasurer all money that remains in his hands, and take receipts as provided in KRS 134.300, and shall pay any additional amounts charged against him as a result of the settlements. If the sheriff fails to remit amounts charged against him the ***department***~~[cabinet]~~ may issue bills for the subsequent year and may assume all collection duties in the name of and on behalf of the cities, counties, school districts, and other taxing districts to collect the taxes. In the performance of any tax collection duties undertaken by the ***department***~~[cabinet]~~, the ***department***~~[cabinet]~~ shall have all the powers, rights, and authority for the collection of taxes established in Chapters 131, 132, 133, and 134 of the Kentucky Revised Statutes. The fees and commissions which the sheriff would have been entitled to receive from the taxing districts shall be paid to the ***department***~~[cabinet]~~.

(5) In counties containing a population of less than seventy thousand (70,000), the sheriff shall file annually with his final settlement:

(a) A complete statement of all funds received by his office for official services, showing separately the total income received by his office for services rendered, exclusive of his commissions for collecting taxes, and the total funds received as commissions for collecting state, county, and school taxes; and

(b) A complete statement of all expenditures of his office, including his salary, compensation of deputies and assistants, and reasonable expenses.

(6) At the time he files the statements required by subsection (5) of this section, the sheriff shall pay to the fiscal court any fees, commissions, and other income of his office, including income from investments, which exceed the sum of his maximum salary as permitted by the Constitution and other reasonable expenses, including compensation of deputies and assistants. The settlement for excess fees and commissions and other income shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810, and the provisions of this subsection shall not be construed to amend KRS 64.820 or 64.830.

(7) If a county's population that equaled or exceeded seventy thousand (70,000) is less than seventy thousand (70,000) after the most recent federal decennial census, then the provisions of KRS 64.368 shall apply.

Section 153. KRS 134.320 is amended to read as follows:

(1) The sheriff shall, by the tenth day of each month, or more often as may be required by the ***Department of*** Revenue~~[Cabinet]~~ to prevent the sheriff from having funds in his possession in excess of the amount of his bond, report under oath to the ***department***~~[cabinet]~~ the amount of all state taxes he has collected during the preceding month, or for such period as the ***department***~~[cabinet]~~ may require.

(2) The sheriff shall, at the time of making this report, pay to the ***department***~~[cabinet]~~, for deposit with the State Treasurer, all taxes he has collected for the state for the preceding month or period.

(3) The ***department***~~[cabinet]~~ may report to the grand jury of Franklin County any sheriff failing to report as required. Any sheriff failing to pay over any taxes collected by him and due the state, as provided by law, shall be required by the ***department***~~[cabinet]~~ to pay a penalty of one percent (1%) for each thirty (30) day period or fraction thereof plus interest at the legal rate per annum on such taxes. The ***department***~~[cabinet]~~ in its settlement with the sheriff shall charge him with such penalties and interest.

(4) The ***Department of*** Revenue~~[Cabinet]~~ may grant an extension of time, not to exceed fifteen (15) days, for filing the report required by subsection (1) whenever, in its judgment, good cause therefor exists. The extension shall be in writing, and the ***department***~~[cabinet]~~ shall keep a record of such extensions. The extension when granted shall suspend the penalty and interest provided by subsection (3) for the duration of the extension. The penalty and interest shall apply at the expiration of the extension.

Section 154. KRS 134.325 is amended to read as follows:

Each sheriff shall conduct the sale of delinquent tax bills required by KRS 134.430 and make his records available for settlement with the ***Department of*** Revenue~~[Cabinet]~~ for all taxes collected for the Commonwealth before April 30 of each year during his term of office. In the event that any sheriff resigns, dies, or otherwise vacates his office, the books and records shall be made available within thirty (30) days from the date that the office is vacated. Any sheriff who fails to make the settlement books and records available or fails to remit any amounts which are due to the taxing districts as required by law shall be subject to indictment in the county of his residence and fined not less than five hundred dollars ($500) nor more than five thousand dollars ($5,000).

Section 155. KRS 134.330 is amended to read as follows:

(1) No tax bill or tax book shall be delivered to the sheriff during the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the ***Department of*** Revenue~~[Cabinet]~~ and from the fiscal court of his county for the preceding tax period and his revenue bond, if bonding is required by the fiscal court, for the next tax year.

(2) If the tax records of a county are destroyed by fire, lost, stolen, or mutilated so as to require reassessment of the property in

the county or a recertification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the ***department***~~[cabinet]~~ and the fiscal court, and to receive his quietus from the ***department***~~[cabinet]~~ and the fiscal court.

Section 156. KRS 134.340 is amended to read as follows:

(1) The sheriff shall, when he collects money from a delinquent taxpayer, record the tax, interest and penalty on his record book kept for that purpose.

(2) If the sheriff fails to record the money collected from a delinquent taxpayer, or fails to collect the tax due from a delinquent taxpayer if it was collectible by sale or otherwise when it came to his hands, he shall be held liable on his bond for the amount of tax, penalties, interest and costs due from the delinquent taxpayer that was collectible, plus thirty percent (30%) penalty thereon, to be recovered in the Circuit Court of the county in which the tax is due, on motion of the county attorney or agent of the ***Department of*** Revenue~~[Cabinet]~~ in the name of the state. The county attorney shall prosecute all such motions, for which services he shall be entitled to the penalties thereon recovered of the sheriff, but only if the tax, interest, costs, and penalties due are recovered and paid to the officers entitled to receive the same. The sheriff shall have ten (10) days' previous notice of the motion.

Section 157. KRS 134.360 is amended to read as follows:

In making his settlements with the fiscal court and the ***Department of*** Revenue~~[Cabinet]~~, the sheriff shall file a list of uncollectible delinquent taxes, which shall entitle the sheriff to a credit in his official settlement. The sheriff shall also be allowed credit in his official settlement for the tax bills on which certificates of delinquency have properly been issued to the state, county, and taxing districts.

Section 158. KRS 134.390 is amended to read as follows:

A tax bill rendered against omitted property required to be listed with the property valuation administrator or the ***Department of*** Revenue~~[Cabinet]~~ or against an increase in valuation over that claimed by the taxpayer, as finally determined upon appeal as provided for in KRS 133.120, shall become due on the day the bill is prepared, and shall be considered delinquent and subject to a penalty of ten percent (10%) of the tax, penalty and interest due, unless paid within thirty (30) days after it becomes due, except as otherwise provided by law. All provisions of law of the particular taxing district having an interest therein relating to delinquent taxes on the same class of property or taxpayers involved shall apply to the delinquent omitted tax bill unless otherwise provided by law.

Section 159. KRS 134.400 is amended to read as follows:

(1) All penalties imposed by law, either in whole or in part, in favor of or for the benefit of agents of the ***Department of*** Revenue~~[Cabinet]~~, sheriffs, and other state, county, or district agents or officers, upon or for the recovery of taxes or the assessment of omitted property, shall be paid into the State Treasury and credited as provided for the twenty percent (20%) penalty in subsection (2) of this section.

(2) The twenty percent (20%) penalty collected on taxes due the state, county, school, or other taxing district shall be paid into the State Treasury. One-fourth (1/4) of the moneys thus received shall be credited to the general expenditure fund. The remaining three-fourths (3/4) shall also be credited to the general expenditure fund unless the General Assembly, in its biennial branch budget bill, provides that it be credited to a fund to be designated and known as the delinquent tax fund, in which case it shall be so credited and so much thereof as may be necessary shall be used for the administration and enforcement of the laws relating to the collection of delinquent taxes and the assessment of omitted property. All salaries, fees, and expenses authorized by the laws relating to the collection of delinquent taxes and the assessment of omitted property, except the fees of county attorneys, shall be payable out of the delinquent tax fund upon certifications or requisitions of the ***commissioner***~~[secretary]~~ of revenue.

Section 160. KRS 134.420 is amended to read as follows:

(1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ten (10) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the ***Department of*** Revenue~~[Cabinet]~~, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all

penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the ***department***[~~Revenue Cabinet~~] shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 161. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes. If the county attorney has not contracted with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale, or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale, and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 162. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district, the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency to the person making payment, and if he is the person primarily liable on the certificate he may file it with the county clerk and have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the ***Department of*** Revenue[~~ Cabinet~~] may require. The clerk shall mark the certificate of delinquency paid in full. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the ***Department of*** Revenue[~~ Cabinet~~], the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the ***Department of*** Revenue[~~ Cabinet~~] for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 163. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation except in counties containing cities of the first class or consolidated local government. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The ***department***[~~cabinet~~] shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the ***department***[~~cabinet~~] shall first offer the collection duties to the county attorney, unless the ***department***[~~cabinet~~] determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the ***department***[~~cabinet~~] on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the ***Department of*** Revenue[~~ Cabinet~~] shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the ***department***[~~cabinet~~] shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the ***department***[~~cabinet~~] may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the ***department***[~~cabinet~~] and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the ***department***[~~cabinet~~] shall assume responsibility for the collection process. In the performance of those duties, the ***department***[~~cabinet~~] shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the ***department***[~~cabinet~~] by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the ***department***[~~cabinet~~] for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the ***commissioner***[~~secretary~~], and the petition may be sent to the ***department***[~~cabinet~~], which may require revision in instances where it deems revision or amendment necessary. The ***department***[~~cabinet~~] shall advise the county attorney in all actions, and may send him special assistance when the ***commissioner***[~~secretary~~] deems assistance necessary. A copy of the judgment shall also be sent to the ***department***[~~cabinet~~]. If the ***department***[~~cabinet~~] sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The ***department***[~~cabinet~~] may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the ***department***[~~cabinet~~] to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the ***department***[~~cabinet~~].

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer

to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 164. KRS 134.510 is amended to read as follows:

(1) After the state, county and taxing districts obtain real property as authorized by KRS 134.490, the designated agent of the ***commissioner***[~~secretary~~] of revenue may advertise and sell at public sale any of the lands, and the ***commissioner***[~~secretary~~] may convey the lands by deed to the purchaser. The ***commissioner***[~~secretary~~] shall, within thirty (30) days from receipt of payment, pay to the county and taxing district the amount of the proceeds due each. The ***department***[~~Revenue Cabinet~~] shall be entitled to an administration fee equal to fifteen percent (15%) of the sale price of the property, which shall be paid into the delinquent tax fund provided for in KRS 134.400.

(2) The sales shall be advertised by a written or printed notice posted at the courthouse door for fifteen (15) days before the date of sale, and by publication pursuant to KRS Chapter 424, and may in addition be advertised by printed handbills posted for fifteen (15) days before the date of sale in three (3) or more conspicuous places in the taxing districts.

(3) Any real property acquired by the state, county and taxing districts pursuant to KRS 134.490 may be redeemed at any time before the ***commissioner***[~~secretary~~] gives a deed to a purchaser, by paying to the county clerk the amount due at the time the property was acquired, plus subsequent costs and interest at the rate of twelve percent (12%) per annum.

Section 165. KRS 134.540 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has reason to believe that any sale made under the authority of Section 32 of Article VIII of Chapter 22 of the Acts of 1906, or Section 3 of Chapter 43 of the Acts of 1908, or Section 2 or 5 of Chapter 21 of the Acts of the first Extraordinary Session of 1938, is for any reason invalid, the invalidity may be alleged in an action to establish the lien provided for in Chapter 152 of the Acts of 1934. The action shall be brought on the relation of the ***commissioner***[~~secretary~~] of revenue, who shall publish notice on the courthouse door for fourteen (14) days before instituting the action, notifying all delinquents that actions will be instituted unless the delinquent taxes against land subject to such actions are paid at once. If the owner does not redeem the land within ten (10) days after the expiration of the fourteen (14) day period, and the ***commissioner***[~~secretary~~] is required to institute action, the state shall be entitled to a fee equal to fifteen percent (15%) of the amount of the taxes, penalties and interest, which shall be paid into the delinquent tax fund provided under KRS 134.400, to be used by the ***Department of*** Revenue[~~ Cabinet~~] to cover the expenses of filing and administering such actions. If the property is redeemed after action is instituted, the fee shall become a part of the redemption price. The ***commissioner***[~~secretary~~] may, if he deems necessary, institute action without giving the notice provided in this section, in which event the fifteen percent (15%) fee shall not apply.

(2) The county attorney shall assist the ***Department of*** Revenue[~~ Cabinet~~] in filing and prosecuting the actions. For these services he shall be entitled to twenty percent (20%) of the taxes, penalties and interest. If he fails or refuses to assist in filing and prosecuting the actions, he shall not be entitled to this fee.

(3) An action shall not be instituted on behalf of the state to establish the lien provided for in Chapter 152 of the Acts of 1934 until after the expiration of the time that must expire before action to recover possession can be instituted.

(c) When ad valorem taxes on a vehicle become delinquent for sixty (60) days, as defined by KRS 134.810, a second notice shall be sent within ten (10) working days to the January 1 owner of record.     (c) "Tax credit" means the tax credit allowed in KRS 154.26-090(1)(b)2.

(2) An approved company shall:

(4) The capital attributable to an economic revitalization project shall be determined by a formula approved by the

Department of Revenue[~~ Cabinet~~].

(5) The ***Department of*** Revenue[~~ Cabinet~~] may promulgate administrative regulations and require the filing of forms designed by the ***department***[~~Revenue Cabinet~~] to reflect the intent of KRS 154.26-010 to 154.26-100 and the allowable income tax credit which an approved company may retain under KRS 154.26-010 to 154.26-100.

Section 180. KRS 136.073 is amended to read as follows:

(1) Every open-end registered investment company organized under the laws of this state and registered under the Investment Company Act of 1940 shall on or before the fifteenth day of the fourth month following the close of each fiscal year, if the company operates on a fiscal year basis or calendar year, file a report on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and pay directly to the State Treasury a tax of two dollars and ten cents ($2.10) for each one thousand dollars ($1,000) of "average net capital" as computed under subsections (2) and (3) of this section.

(2) The term "net capital" as used in this section means capital stock, surplus, borrowed moneys or any other accounts representing capital of the company less the amount of such capital which by said company is invested in Kentucky municipal securities which are obligations issued by the State of Kentucky, its political subdivisions, and the districts, authorities, agencies and instrumentalities of the state and its political subdivisions, the interest on which is exempt from federal and Kentucky income tax.

(3) The term "average net capital" as used in this section means the average of the net capital of the company as shown on financial statements of the company as of the first and last days of the fiscal or calendar year of the company, whichever is applicable.

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall examine and audit each report as soon as practicable after each report is received. Failure to make reports and pay taxes as provided in this section shall subject the company to the same penalties imposed for such failure on the part of other corporations.

Section 181. KRS 136.090 is amended to read as follows:

(1) Corporations liable to taxation under KRS 136.070 shall file with the ***Department of*** Revenue[~~ Cabinet~~] each year, on forms prepared by the ***department***[~~cabinet~~], a return signed by the president, vice president, secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting officer. This report shall give the name of the corporation; the name of the state or government under the laws of which it is incorporated; the date of incorporation; the place of its principal office in and out of this state; the name and address of its president and secretary; the name and address of its authorized agent or attorney upon whom process may be executed in this state; the name and address of the officer or agent in charge of its business in this state; and the nature and kind of business in which it is engaged.

(2) The report shall also give the total value of all the property owned and used by the corporation; the value of the property owned and used by it in this state; the aggregate amount of business transacted by it during the preceding calendar year or fiscal year; the amount of such business transacted in this state; and such other facts as the ***department***[~~cabinet~~] requires.

Section 182. KRS 136.100 is amended to read as follows:

(1) If the corporation operates on a calendar year basis, the reports required under KRS 136.090 shall be filed on or before April 15 in each year. If the corporation operates on a fiscal year basis, the reports shall be filed on or before the fifteenth day of the fourth month following the close of each fiscal year. The reports shall cover operations for the preceding calendar or fiscal year, as the case may be. Domestic corporations hereafter incorporated, and foreign corporations hereafter becoming the owners of property or transacting business in this state, shall make their reports to the ***Department of*** Revenue[~~ Cabinet~~] on or before the first filing date succeeding their incorporation or succeeding their becoming the owners of property or transacting business in this state, and shall in all respects be subject to the provisions of KRS 136.070 to 136.100 the same as corporations already in existence.

(2) A corporation may change its reporting period from a calendar year to a fiscal year, or from a fiscal year to a calendar year, by securing written permission from the ***department***[~~cabinet~~]. If a corporation so changes its basis of reporting, the first report filed on the new filing date shall cover operations for the period between the close of the old accounting period and the close of the new accounting period. The assessment of value shall be computed in the same manner as on any other return, but the tax due shall be computed on that proportionate part of the assessment that the period between the close of the old accounting period and the close of the new accounting period bears to the entire twelve (12) month period.

(3) In any case where two (2) or more corporations merge, consolidate or otherwise combine into a single corporation after the close of the taxable year, but before the beginning of the succeeding taxable year, all factors used to determine the corporation license tax assessment shall be computed on the basis of the consolidated accounting records of such corporations.

Section 183. KRS 136.120 is amended to read as follows:

(1) Every railway company, sleeping car company, chair car company, dining car company, gas company, water company, ferry company, bridge company, street railway company, interurban electric railroad company, express company, electric light company, electric power company, telephone company, telegraph company, commercial air carrier, air freight carrier, pipeline company, common carrier water transportation company, privately owned regulated sewer company, cable television company, municipal solid waste disposal facility, as defined by KRS 224.01-010(15), where solid waste is disposed by landfilling, railroad car line company, which means any company, other than a railroad company, which owns,

uses, furnishes, leases, rents, or operates to, from, through, in, or across this state or any part thereof, any kind of railroad car including, but not limited to, flat, tank, refrigerator, passenger, or similar type car, and every other like company or business performing any public service, except bus line companies, regular and irregular route common carrier trucking companies, and taxicab companies, shall annually pay a tax on its operating property to the state and to the extent the property is liable to taxation shall pay a local tax thereon to the county, incorporated city, and taxing district in which its operating property is located.

(2) The property of the taxpayers shall be classified as operating property, nonoperating tangible property, and nonoperating intangible property. Nonoperating intangible property within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes only at the same rate as the intangible property of other taxpayers not performing public services, and operating property and nonoperating tangible property shall be subject to state and local taxes at the same rate as the tangible property of other taxpayers not performing public services.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall have sole power to value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not the operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by the ***department***[~~cabinet~~], and shall allocate the assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. All of the property assessed by the ***department***[~~cabinet~~] pursuant to this section shall be assessed as of December 31 each year for the following year's taxes, and the lien therefor shall attach as of the assessment date. In the case of a taxpayer whose business is predominantly nonpublic service and the public service business in which he is engaged is merely incidental to his principal business, the ***department***[~~cabinet~~] shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the operating property is devoted to the public service business subject to assessment by the ***department***[~~cabinet~~] under this section and shall require the remainder of the property not so engaged to be assessed by the local taxing authorities.

Section 184. KRS 136.130 is amended to read as follows:

(1) Each corporation included in KRS 136.120(1) shall annually, between December 31, and April 30, following, make and deliver to the ***Department of*** Revenue[~~ Cabinet~~] a report in such form as the ***department***[~~cabinet~~] may prescribe, showing such of the following facts as may be requested by the ***department***[~~cabinet~~]: The name and principal place of business of the corporation; the kind of business engaged in; the amount of capital stock, preferred and common, and the number of shares of each; the amount of stock paid up; the par and fair cash value of the stock; the highest price at which the stock was sold at a bona fide sale within twelve (12) months next before December 31 of the year for which the report is required to be made; the amount of surplus funds and undivided profits; the total amount of indebtedness as principal; the cost and year acquired of all operating property owned, operated, or leased, including property under construction, property held for future use, and the depreciation attributable thereto as of December 31, the cost and year acquired of all nonoperating tangible property and the depreciation attributable thereto; the cost and market value as of December 31 of all intangible property; the value of all other assets; the operating and nonoperating revenues, the net utility operating income before and after depreciation and before and after income taxes, the net income from operations, the net income including income from investments, and income from all other sources for twelve (12) months next preceding December 31 of the year for which the report is required; the amount and kind of operating property in this state, and where situated in each county, city, and taxing district, assessed or liable to assessment in this state, and the fair cash value thereof, the length and description of all the lines operated, owned, or leased in this state and in each county, city, and taxing district; and such other facts as the ***department***[~~cabinet~~] may require.

(2) The report shall cover the period of twelve (12) months ending December 31. The ***department***[~~cabinet~~] may change the date of the reports to conform to any change in date established by federal regulations.

(3) If any corporation is in the hands or under the control of a receiver or other person, by order of a court, the receiver or other person shall make the reports required by this section and by KRS 136.140.

(4) All public service corporations included in KRS 136.120 shall file with the report required by subsection (1) of this section a copy of all reports to their stockholders and a complete copy of their report to the Kentucky regulating authority for the year ending December 31.

(5) The ***Department of*** Revenue[~~ Cabinet~~] may grant an extension of thirty (30) days to file the public service property tax return when, in its judgment, good cause exists. The ***department***[~~cabinet~~] shall keep a record of every extension and the taxpayer shall attach a copy of the approved extension to his return when filed.

(6) A taxpayer may be granted a thirty (30) day extension for filing the public service company property tax return if it requests the extension before the due date of the return and includes with the extension request a report of any increases or decreases in property of fifty thousand dollars ($50,000) or more in any taxing district.

Section 185. KRS 136.132 is amended to read as follows:

(1) Each corporation included in KRS 136.120(1) shall annually, when filing the report required by KRS 136.130, provide to the ***Department of*** Revenue[~~ Cabinet~~] a listing of all motor vehicles and trailers operated, owned, or leased by it which are subject to registration in Kentucky with the latest registration or certificate number issued to such motor vehicle or trailer

and the make, model and year of each vehicle.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall, when valuing the property of corporations or companies assessable by it, value the vehicles at no less than the value used by the property valuation administrator.

(3) In certifying the assessment of property of public service companies subject to local taxation, the ***department***[~~cabinet~~] shall separately certify the amount of the assessment representing the valuation of motor vehicles and trailers or an apportionment thereof.

Section 186. KRS 136.150 is amended to read as follows:

If any corporation fails to report as required by KRS 136.130 and 136.140 on or before April 30 of each year, or May 30 if the ***Department of*** Revenue[~~ Cabinet~~] has granted the corporation an extension, the ***Department of*** Revenue[~~ Cabinet~~] shall ascertain the required facts and values in such manner and by such means as it deems proper, at the cost of the corporation failing to make the report.

Section 187. KRS 136.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a domestic public service corporation as a unit. The fair cash value of the operating property shall be equalized.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall determine the fair cash value of the operating property of a foreign public service corporation or a domestic public service corporation with property or routes in Kentucky and outside Kentucky as a unit according to subsection (1). The fair cash value of the operating property everywhere valued as a unit shall be apportioned to Kentucky based on the average of the property factor and the business factor. The fair cash value of the operating property in Kentucky shall be equalized.

   (a) The property factor shall fairly reflect the amount of operating property operated, owned, or leased in Kentucky compared to the total amount of operating property operated, owned, or leased everywhere. An allocable portion of the rolling stock, aircraft, and watercraft of a common carrier shall be included in the operating property, operated, owned, or leased in Kentucky. This factor may be a single factor or an average of several factors.

   (b) The business factor shall fairly reflect the utilization of the operating property operated, owned, or leased in Kentucky compared to the utilization of the operating property operated, owned, or leased everywhere. This factor may be a single factor or an average of several factors.

(3) The nonoperating tangible and nonoperating intangible property of public service corporations whose operating property is valued according to either subsection (1) or (2) shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] in the same manner and according to the same standards as if this property were valued by the property valuation administrator in the county where the property has a taxable situs.

Section 188. KRS 136.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall allocate the assessed value of the operating property in this state among the counties, cities, and other taxing districts. The location of operating property and the proportion which the length of line or route operated in such taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the ***Department of*** Revenue[~~ Cabinet~~] may by regulations prescribe; provided, however, that the assessed value of nonoperating tangible property shall be allocated to the county, city, or other taxing district where the property is situated.

Section 189. KRS 136.180 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall, immediately after fixing the assessed value of the operating property and other property of a public service corporation for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the ***department***[~~cabinet~~] shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the operating property or nonoperating tangible property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall compute annually a multiplier for use in establishing the local tax rate for the operating property of railroads or railway companies that operate solely within the Commonwealth. The applicable local tax rates on the operating property shall be adjusted by the multiplier. The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.

(4) The ***Department of*** Revenue[~~ Cabinet~~] shall annually calculate an aggregate local rate for each local taxing district to be used in determining local taxes to be collected for railroad carlines. The rate shall be the statewide tangible tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible

personal property assessment. Effective January 1, 1994, state and local taxes on railroad carline property shall become due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~]. The local taxes collected by the ***Department of*** Revenue[~~ Cabinet~~] shall be distributed to each local taxing district levying a tax on railroad carlines based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~ Cabinet~~] by any local taxing district under the provisions of subsection (4) of this section shall be deducted.

(5) The certification of valuation shall be filed by each county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district which has the value certified by the ***department***[~~cabinet~~] shall pay an annual fee to the ***department***[~~cabinet~~] which represents an allocation of ***department***[~~cabinet~~] operating and overhead expenses incurred in generating the valuations. This fee shall be determined by the ***department***[~~cabinet~~] and shall apply to valuations for tax periods beginning on or after December 31, 1981.

Section 190. KRS 136.181 is amended to read as follows:

Boats, tugs, barges, and other watercraft of any nonresident person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be valued by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation and shall be assessed as of January 1 each year by the ***Department of*** Revenue[~~ Cabinet~~]; and the ***department***[~~cabinet~~] shall fairly divide, allocate, and certify such assessments to each county, city, town, or other taxing district within this state, within or through which such route or system is operated, the division, allocation, and certification to be determined in the following manner:

(1) The proportion of the value of the property which the length of the lines or route operated in this state bears to the total length of lines or route operated in this state and elsewhere, shall be considered in fixing the value of the property for taxation in this state. Any other reasonable evidence of value shall be considered in fixing the value, but such evidence must be prescribed by ***department***[~~cabinet~~] regulations;

(2) After ascertaining the portion of the system valuation of such property attributable to this state, the ***Department of*** Revenue[~~ Cabinet~~] shall allocate the value of the property among the counties, cities, towns, and other taxing districts. The proportion which the length of line or route operated in that jurisdiction or taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the ***Department of*** Revenue[~~ Cabinet~~] may by regulations prescribe.

Section 191. KRS 136.182 is amended to read as follows:

On or before March 1, 1955, and each year thereafter, each nonresident person, corporation, partnership or other business association owning or operating boats, tugs, barges, or other watercraft whose route or system is partly within this state and partly within another state or states, shall on forms provided by the ***Department of*** Revenue[~~ Cabinet~~] provide the ***Department of*** Revenue[~~ Cabinet~~] with a detailed description of all such property as well as a detailed description of the entire route or system traversed and such other information as the ***department***[~~Revenue Cabinet~~] may by regulation prescribe.

Section 192. KRS 136.183 is amended to read as follows:

The taxes on the above property shall become due at the same time and shall be subject to the same discount and penalties as provided by KRS 134.020, and shall be collected in the same manner as taxes on other tangible property; except that the state tax on such property shall be collected directly by the ***Department of*** Revenue[~~ Cabinet~~].

Section 193. KRS 136.184 is amended to read as follows:

Any taxpayer who has been assessed by the ***Department of*** Revenue[~~ Cabinet~~] in the manner outlined above shall have thirty (30) days from the date of the ***department's***[~~cabinet's~~] notice of the tentative assessment in which to protest and ask for a change thereof in the manner provided by KRS 131.110.

Section 194. KRS 136.186 is amended to read as follows:

When the ***Department of*** Revenue[~~ Cabinet~~] has made a final determination as to the valuation of any such property owned or operated by such nonresident person, corporation, partnership or other business association, it shall immediately certify the amount thereof to the county clerk of each county in which any such property is liable for taxation. The certification shall be filed by each county clerk in his office and the county clerk shall certify to the proper collecting officer of the county, city, town, or taxing district for collection.

Section 195. KRS 136.1873 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the ***Department of*** Revenue[~~ Cabinet~~] for purposes of taxation as of January 1 each year.

(2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 196. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses whose route or system is partly within this state and partly within another state or states, shall on forms provided by the ***Department of*** Revenue[~~Cabinet~~] provide the ***department***[~~cabinet~~] with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value.

Section 197. KRS 136.1877 is amended to read as follows:

(1) The ***Department of*** Revenue[~~Cabinet~~] shall immediately, after fixing the assessed value of the trucks, tractors, trailers, semitrailers, and buses, notify the taxpayer of the valuation determined. Any taxpayer who has been assessed by the ***department***[~~cabinet~~] in the manner outlined in KRS 136.1873 shall have forty-five (45) days from the date of the ***department's***[~~cabinet's~~] notice of the tentative assessment to protest as provided by KRS 131.110.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the ***Department of*** Revenue[~~Cabinet~~].

(4) The ***Department of*** Revenue[~~Cabinet~~] shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.

(5) The local taxes collected by the ***Department of*** Revenue[~~Cabinet~~] shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the ***Department of*** Revenue[~~Cabinet~~] by any local taxing district under the provisions of KRS 136.180(5) shall be deducted.

Section 198. KRS 136.190 is amended to read as follows:

(1) The superintendent of schools in each district in which any individual, group of individuals or corporation, operates public utility or other franchise taxpaying property assessed under KRS 136.120 shall, on or before the first day of January, 1957, furnish to the county clerk of the county in which the district is situated, to each franchise taxpayer within the district, and to the ***Department of*** Revenue[~~Cabinet~~], the boundary of his school district. The superintendent of schools in each district in which any franchise-paying corporation, individual, or group of individuals operates shall, on or before the first day of January, 1958, and each year thereafter, furnish to the county clerk, to each franchise taxpayer within the district, and to the ***Department of*** Revenue[~~Cabinet~~], any changes made in the boundary of his school district during the immediately preceding twelve (12) months.

(2) The engineer of cities of the first class and the city clerk of cities of the second, third, fourth, fifth, and sixth classes shall notify the county clerk, each franchise taxpayer within the city, and the ***Department of*** Revenue[~~Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

(3) The responsible governing official or the chairman of the governing body of any taxing district other than the county, school district, or city shall notify the county clerk, each franchise taxpayer within the district, and the ***Department of*** Revenue[~~Cabinet~~] of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

Section 199. KRS 136.290 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institutions operating solely in Kentucky shall, during January of each year, file with the ***Department of*** Revenue[~~Cabinet~~] a report containing such information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***department***[~~cabinet~~] shall fix the total value, as of January 1 of each year, of the capital of each financial institution included in subsection (1) of this section. Capital shall include certificates of deposit, savings accounts, demand deposits, undivided profits, surplus, and general reserves, excepting the share of borrowing members where the amount borrowed equals or exceeds the amount paid in by those members. The ***department***[~~cabinet~~] shall immediately notify each institution of the value so fixed.

Section 200. KRS 136.310 is amended to read as follows:

(1) Every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the ***Department of*** Revenue[~~Cabinet~~] a report containing information and in such form as the ***department***[~~cabinet~~] may require.

(2) The ***Department of*** Revenue[~~Cabinet~~] shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the

department[~~cabinet~~] shall be a three (3) step process as follows:

(a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.

(b) The Kentucky apportioned value of capital shall include undivided profits, surplus, general reserves, and paid-up stock. The Kentucky value of capital shall be determined by a fraction, the numerator of which is the receipts factor plus the outstanding loan balance factor plus the payroll factor, and the denominator of which is three (3).

(c) The values determined in steps (a) and (b) of this subsection shall be added together to determine total Kentucky capital and then reduced by the influence of ownership in tax-exempt United States obligations to determine Kentucky taxable capital. The influence of tax-exempt United States obligations is to be determined from the reports of condition filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by total Kentucky capital. The ***department***[~~cabinet~~] shall immediately notify each institution of the value so fixed.

(3) The receipts factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is all receipts derived from loans and other sources negotiated through offices or derived from customers in Kentucky, and the denominator of which is total business receipts for the preceding calendar year.

(4) The outstanding loan balance factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is the average balance of outstanding loans negotiated from offices or made to customers in Kentucky. The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.

(5) The payroll factor specified in subsection (2)(b) of this section shall be determined for the preceding calendar year under the provisions of KRS 141.120(8)(b) and regulations promulgated thereunder.

(6) By July 1 succeeding the filing of the report as provided in subsection (1) of this section, each financial institution included in subsection (1) of this section shall pay directly into the State Treasury a tax of one dollar ($1) for each one thousand dollars ($1,000) paid in on its Kentucky taxable capital as fixed in subsection (2)(c) of this section. The institution shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages, or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on intangible property of the institution, nor shall any depositor of the institution be required to list his deposits for taxation under KRS 132.020. Failure to make reports and pay taxes as provided in this section shall subject the institution to the same penalties imposed for such failure on the part of the other corporations.

(7) If a financial institution included in subsection (1) of this section selects, it may deduct taxes imposed in subsection (6) of this section from the dividends paid or credited to a nonborrowing shareholder.

Section 201. KRS 136.320 is amended to read as follows:

(1) Each life insurance company incorporated under the laws of and doing business in Kentucky shall value as of January 1 and report to the ***Department of*** Revenue[~~ Cabinet~~] by April 1 each year, on forms prescribed by the ***department***[~~Revenue Cabinet~~], the following:

(a) The fair cash value of the company's intangible personal property, hereinafter referred to as "capital," consisting of all money in hand, shares of stock, notes, bonds, accounts, and other credits, exclusive of due and deferred premiums, whether secured by mortgage, pledge, or otherwise, or unsecured.

(b) The fair cash value of the company's intangible personal property exempt from taxation by law.

(c) The aggregate amount of the company's reserves, reduced by the amount of due and deferred premiums, maintained in accordance with the applicable provisions of KRS 304.6-040 and 304.6-130 to 304.6-180, on all outstanding policies and contracts supplementary thereto.

(a) Separate accounting;

(b) The exclusion of any one (1) or more of the factors;

(c) The inclusion of one (1) or more additional factors which will fairly represent the financial institution's business activity in this Commonwealth; or

(d) The employment of any other method to effectuate an equitable apportionment of the financial institution's net capital.

Section 213. KRS 136.530 is amended to read as follows:

(1) The receipts factor is a fraction, the numerator of which is the receipts of the financial institution in this Commonwealth during the taxable year as determined by subsection (2) of this section and the denominator of which is the receipts of the financial institution within and without this Commonwealth during the taxable year. Receipts shall include the following:

(a) Receipts from the lease or rental of real property owned by the financial institution;

(b) Receipts from the lease or rental of tangible personal property owned by the financial institution;

(c) Interest and fees or penalties in the nature of interest from loans secured by real property;

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property;

(e) Net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code;

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees;

(g) Net gains, but not less than zero (0), from the sale of credit card receivables;

(h) All credit card issuer's reimbursement fees;

(i) Receipts from merchant discount. Receipts from merchant discount shall be computed net of any cardholder charge backs, but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders;

(j) Loan servicing fees derived from loans secured by real property;

(k) Loan servicing fees derived from loans not secured by real property;

(l) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities. Investment assets and activities and trading assets and activities include but are not limited to investment securities, trading account assets, federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. The receipts factor shall include the following amounts:

1. The amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements; and

2. The amount by which interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from these assets and activities;

(m) All receipts derived from sales that would be included in the factor established by KRS 136.070(3)(d)1., 2., and 3.; and

(n) Receipts from services not otherwise specifically listed.

(2) A determination of whether receipts should be included in the numerator of the fraction shall be made as follows:

(a) Receipts from the lease or rental of real property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.

(b) 1. Except as described in subparagraph 2. of this paragraph, receipts from the lease or rental of tangible personal property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth when it is first placed in service by the lessee.

2. Receipts from the lease or rental of transportation property owned by the financial institution are included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth. The extent an aircraft will be deemed to be used in this Commonwealth and the amount of receipts that is to be included in the numerator of this Commonwealth's receipts factor is determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(c) 1. Interest and fees or penalties in the nature of interest from loans secured by real property shall be included in the numerator if the property is located within this Commonwealth. If the property is located both within this Commonwealth and one (1) or more other states, receipts shall be included if more than fifty percent (50%) of the fair market value of the real property is located within this Commonwealth. If more than fifty percent (50%) of the fair market value of the real property is not located within any one (1) state, then the receipts described in this subparagraph shall be included in the numerator if the borrower is located in this Commonwealth.

2. The determination of whether the real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and any subsequent substitutions of collateral shall be disregarded.

(d) Interest and fees or penalties in the nature of interest from loans not secured by real property shall be included in the numerator if the borrower is located in this Commonwealth.

(e) Net gains from the sale of loans shall be included in the numerator as provided in subparagraphs 1. and 2. of this paragraph. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code.

1. The amount of net gains, but not less than zero (0), from the sale of loans secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

2. The amount of net gains, but not less than zero (0), from the sale of loans not secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, shall be included in the numerator if the billing address of the card holder is in this Commonwealth.

(g) Net gains, but not less than zero (0), from the sale of credit card receivables to be included in the numerator shall be determined by multiplying the amount established in paragraph (g) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(h) Credit card issuer's reimbursement fees to be included in the numerator shall be determined by multiplying the amount established in paragraph (h) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(i) Receipts from merchant discount shall be included in the numerator if the commercial domicile of the merchant is in this Commonwealth. Receipts from merchant discount shall be computed net of any cardholder charge backs but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.

(j) 1. a. Loan servicing fees derived from loans secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (j) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

b. Loan servicing fees derived from loans not secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (k) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

2. In circumstances in which the financial institution receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor shall include the fees if the borrower is located in this Commonwealth.

(k) Receipts from services not otherwise apportioned under this section shall be included in the numerator if the service is performed in this Commonwealth. If the service is performed both within and without this Commonwealth, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this Commonwealth based on cost of performance.

(l) 1. The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in paragraph (l) of subsection (1) of this section that are attributable to this Commonwealth.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from the assets and activities by a fraction the numerator of which is the average value of the assets that are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all the assets.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the average value of trading assets which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all assets.

d. For purposes of this subparagraph, average value shall be determined using the rules for determining the average value of tangible personal property set forth in KRS 136.535(3) and (4).

2. In lieu of using the method set forth in subparagraph 1. of this paragraph, the financial institution may elect, or the ***department***~~[cabinet]~~ may require in order to fairly represent the business activity of the financial institution in this Commonwealth, the use of the method set forth in this subparagraph.

a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from assets and activities by a fraction the numerator of which is the gross income from assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the gross income from funds and securities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all funds and securities.

c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the gross income from trading assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

3. If the financial institution elects or is required by the ***department***~~[cabinet]~~ to use the method set forth in subparagraph 2. of this paragraph, it shall use this method on all subsequent returns unless the financial institution receives prior permission from the ***department***~~[cabinet]~~ to use, or the ***department***~~[cabinet]~~ requires, a different method.

4. The financial institution shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) regular place of business is in this Commonwealth and one (1) regular place of business is outside this

Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the financial institution where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the financial institution demonstrates to the contrary, the policies and guidelines shall be presumed to be established at the commercial domicile of the financial institution.

(m) The numerator of the receipts factor includes all other receipts derived from sales as determined pursuant to the provisions set forth in KRS 136.070(3)(d)1., 2., and 3.

(n) 1. All receipts that would be assigned under this section to a state in which the financial institution is not taxable shall be included in the numerator of the receipts factor, if the financial institution's commercial domicile is in this Commonwealth.

2. For purposes of subparagraph 1. of this paragraph, "taxable" means either:

a. That a financial institution is subject in another state to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, a corporate stock tax including a bank shares tax, a single business tax, an earned surplus tax, or any tax which is imposed upon or measured by net income; or

b. That another state has statutory authority to subject the financial institution to any of the taxes in subdivision a. of this subparagraph, whether in fact the state does or does not impose the tax.

Section 214. KRS 136.535 is amended to read as follows:

(1) As used in this section:

(a) "Administration" means the process of managing an account. The process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement and proceeding against the borrower or the security interest if the borrower is in default. The activity is located at the regular place of business that oversees this activity;

(b) "Approval" means the procedure whereby employees or the board of directors of the financial institution make the final determination whether to enter into the agreement. The activity is located at the regular place of business which the financial institution's employees making the final determination are regularly connected with or working out of, regardless of where the services of the employees were actually performed. If the board of directors makes the final determination, the activity is located at the commercial domicile of the financial institution;

(c) "Investigation" means the procedure whereby employees of the financial institution determine the credit worthiness of the customer as well as the degree of risk involved in making a particular agreement. The activity is located at the regular place of business which the financial institution's employees making the investigation are regularly connected with or working out of, regardless of where the services of the employees were actually performed;

(d) "Negotiation" means the procedure whereby employees of the financial institution and its customer determine the terms of the agreement, including the amount, duration, interest rate, frequency of repayment, currency denomination, and security required. The activity is located at the regular place of business which the financial institution's employees are regularly connected with or out of, regardless of where the services of the employees were actually performed;

(e) "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower; and

(f) "Solicitation" occurs when:

1. An employee of the financial institution initiates contact with the customer. The activity is located at the regular place of business which the financial institution's employee making the contact is regularly connected with or working out of, regardless of where the services of the employee were actually performed; or

2. The customer initiates the contact with the financial institution. If the customer's initial contact was not at a regular place of business of the financial institution, the regular place of business, if any, where the solicitation occurred is determined by the facts in each case.

(2) The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the financial institution that is located or used within this Commonwealth during the taxable year, the average value of the financial institution's real and tangible personal property owned that is located or used within this Commonwealth during the taxable year, and the average value of the financial institution's loans and credit card receivables that are located within this Commonwealth during the taxable year, and the denominator of which is the average value of all such property located or used within and without this Commonwealth during the taxable year. Average value of property is determined under subsection (4) of this section.

(3) (a) The value of real property and tangible personal property owned by the financial institution is the original cost or other basis of property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(b) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically-allocated reserve established pursuant to regulatory or financial accounting guidelines which is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(4) The average value of property owned by the financial institution is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2). If averaging on this basis does not properly reflect average value, the ***department***[~~cabinet~~] may require averaging on a more frequent basis. The financial institution may request permission from the ***department***[~~cabinet~~] to average on a more frequent basis. When averaging on a more frequent basis is authorized by the ***department***[~~cabinet~~], the same method of valuation shall be used consistently by the financial institution with respect to property within and without this Commonwealth and on all subsequent returns unless the financial institution receives prior permission from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of determining average value.

(5) (a) The average value of real property and tangible personal property that the financial institution has rented from another and which is not treated as property owned by the financial institution for federal income tax purposes shall be determined annually by multiplying the gross rents payable during the taxable year by eight (8).

(b) Where the use of the general method described in this subsection results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the ***department***[~~cabinet~~] or by the financial institution when approved in writing by the cabinet. Once approved, the alternative method of valuation shall be used on all subsequent returns unless the financial institution receives prior approval from the ***department***[~~cabinet~~] or the ***department***[~~cabinet~~] requires a different method of valuation.

(6) (a) Except as described in paragraph (b) of this subsection, real property and tangible personal property owned by or rented to the financial institution is considered to be located within this Commonwealth if it is physically located, situated, or used within this Commonwealth.

(b) Transportation property is included in the numerator of the property factor to the extent that the property is used in this Commonwealth. The extent to which an aircraft shall be deemed to be used in this Commonwealth and the amount of value that is to be included in the numerator of this Commonwealth's property factor is determined by multiplying the average value of the aircraft by a fraction the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft everywhere. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(7) (a) 1. A loan is considered to be located within this Commonwealth if it is properly assigned to a regular place of business of the financial institution within this Commonwealth.

2. A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the financial institution to a regular place of business without the Commonwealth shall be presumed to have been properly assigned if:

a. The financial institution has assigned, in the regular course of its business, the loan on its records to a regular place of business consistent with federal or state regulatory requirements;

b. The assignment on its records is based upon substantive contacts of the loan to the regular place of business; and

c. The financial institution uses the records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

3. The presumption of proper assignment of a loan provided in subparagraph 2. of this paragraph may be rebutted upon a showing by the ***department***[~~cabinet~~], supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur at the regular place of business to which it was assigned on the financial institution's records. When the presumption has been rebutted, the loan shall then be located within this Commonwealth if the financial institution had a regular place of business within this Commonwealth at the time the loan was made and the financial institution fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan occurred outside this Commonwealth.

(b) For financial institutions with commercial domicile in this Commonwealth as defined in KRS 136.500, it shall be presumed, subject to rebuttal by the financial institution on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this Commonwealth.

(c) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue shall be reviewed on a case-by-case basis, and consideration shall be given to activities such as the solicitation, investigation, negotiation, approval, and administration of the loan as defined in subsection (1) of this section.

(8) Credit card receivables shall be treated as loans and shall be subject to the provisions of subsection (7) of this section.

(9) A loan that has been properly assigned to a state shall, absent any change of material fact, remain assigned to that state for the length of the original term of the loan. Thereafter, the loan may be properly assigned to another state if that loan has a preponderance of substantive contacts to a regular place of business there.

Section 215. KRS 136.545 is amended to read as follows:

(1) On or before the March 15 following each taxable year, a return for the preceding taxable year shall be filed with the ***department***[~~cabinet~~] in the form and manner prescribed by the ***department***[~~cabinet~~], together with payment of any tax due.

(2) A return shall be filed by each financial institution.

(3) The return shall show the amount of taxes for the period covered by the return and other information necessary for the proper administration of KRS 136.500 to 136.575.

(4) The ***department***[~~cabinet~~] shall, upon written request received on or prior to the due date of the return and tax, grant an automatic extension of up to ninety (90) days for the filing of returns. An extension of time to file a return does not extend the payment of tax due, which shall be estimated by the financial institution and paid on or before the date specified in subsection (1) of this section.

(5) If the time for filing a return is extended, the financial institution shall pay, as part of the tax, an amount equal to the tax interest rate as defined in KRS 131.010(6) on the tax shown due on the return but not previously paid, from the time the tax was due until the return is actually filed with the ***department***[~~cabinet~~].

Section 216. KRS 136.550 is amended to read as follows:

(1) As soon as practicable after each return is received, the ***department***[~~cabinet~~] shall examine and audit it. If the amount of tax computed by the ***department***[~~cabinet~~] is greater than the amount returned by the financial institution, the excess shall be assessed by the ***department***[~~cabinet~~] within four (4) years from the date prescribed by law for the filing of a return including an extension of time for filing, except as provided in this subsection. A notice of the assessment shall be mailed to the financial institution.

(a) In the case of a failure to file a return or of a fraudulent return, the excess may be assessed at any time.

(b) In the case of a return wherein a financial institution understates its net capital or omits from net capital an amount properly includible therein or both, which understatement or omission or both is in excess of twenty-five percent (25%) of the amount of net capital stated in the return, the excess may be assessed at any time within six (6) years after the return was filed.

(2) For the purpose of subsection (1) of this section, a return filed before the last day prescribed by law for the filing shall be considered as filed on the last day. The times provided for in subsection (1) of this section may be extended by agreement between the financial institution and the ***department***[~~cabinet~~].

Section 217. KRS 136.560 is amended to read as follows:

(1) Every financial institution shall keep records, receipts, invoices, and other pertinent papers in the form as the ***department***[~~cabinet~~] may require.

(2) Every financial institution that files the returns required under KRS 136.545 shall keep records for not less than six (6) years from the making of records unless the ***department***[~~cabinet~~] in writing authorizes their destruction at an earlier date.

Section 218. KRS 136.575 is amended to read as follows:

(1) As used in this section, "deposits" means all demand and time deposits, excluding deposits of the United States government, state and political subdivisions, other financial institutions, public libraries, educational institutions, religious institutions, charitable institutions, and certified and officers' checks.

(2) Counties, cities, and urban-county governments may impose a franchise tax on financial institutions measured by the deposits in the institutions located within the jurisdiction of the county, city, or urban-county government at a rate not to exceed twenty-five thousandths of one percent (0.025%) of the deposits if imposed by counties and cities and at a rate not to exceed fifty thousandths of one percent (0.050%) of the deposits if imposed by urban-county governments. The amount and location of deposits in the financial institutions shall be determined by the method used for filing the summary of deposits report with the Federal Deposit Insurance Corporation. The accounting method used to allocate deposits for completion of the summary of deposits shall be the same as has been utilized in prior periods. Any deviation from prior accounting methods may only be adopted with the permission of the cabinet.

(3) By August 15, 1997, and annually thereafter, each financial institution shall file with the ***department***[~~cabinet~~], on a form prescribed by the cabinet, a report of all deposits located within this Commonwealth as of the preceding June 30, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The ***department***[~~cabinet~~] shall review the report and certify to the local jurisdictions that have enacted the franchise tax by October 1 of each year the amount of deposits within the jurisdiction and amount of the tax due. The local taxing authority

shall issue bills to the financial institution by December 1 and require payment, with a two percent (2%) discount by December 31, or without discount by January 31 of the next year.

(4) For calendar year 1996 only, each financial institution shall file with the ***department***[~~cabinet~~] on or before September 15, 1996, a report of all deposits located within this Commonwealth as of June 30, 1996, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The ***department***[~~cabinet~~] shall review the report after being given notice by the local jurisdiction that the tax under this section was enacted during 1996, and shall certify to the local jurisdiction the amount of deposits within the jurisdiction and the amount of tax due by March 1, 1997. The local taxing authority shall issue bills to the financial institution by May 1, 1997, and require payment with a two percent (2%) discount by May 31, 1997, or without discount by June 30, 1997.

(5) The local jurisdiction shall notify the ***department***[~~cabinet~~] of the tax rate imposed upon the enactment of the tax. The local jurisdiction shall also notify the ***department***[~~cabinet~~] of any subsequent rate changes.

Section 219. KRS 137.130 is amended to read as follows:

(1) Every person engaged in the transportation of crude petroleum in this state from receptacles located at the place of production in this state shall be considered a transporter of crude petroleum. Every transporter of crude petroleum shall make a verified report to the ***Department of*** Revenue[~~ Cabinet~~] by the twentieth day of the month succeeding each month in which crude petroleum is so received for transportation, showing the quantity of each kind or quality of crude petroleum so received from each county in this state and the market value of the crude petroleum on the first business day after the tenth day of the month in which the report is made. The report shall show any sales of crude petroleum so received, the quantity of crude petroleum in each sale, the date of each sale, and the market price of the crude petroleum on each date of sale for the preceding month. This report shall be made upon blanks furnished and prescribed by the ***department***[~~cabinet~~]. The ***department***[~~cabinet~~] may require additional reports from time to time, on blanks prepared by it, from all producers and transporters of crude petroleum.

(2) Every person required to report under subsection (1) of this section shall register as a transporter of crude petroleum in the office of the county clerk in each county in which such business is carried on by him, in a book which the ***department***[~~cabinet~~] shall provide, showing the name, residence and place of business of the transporter. The county clerk shall immediately certify to the ***department***[~~cabinet~~] a copy of each registration as made.

Section 220. KRS 137.140 is amended to read as follows:

Every transporter of crude petroleum shall be liable for the taxes imposed under KRS 137.120 on all crude petroleum received by him. He shall collect from the producer, in money or crude petroleum, the taxes imposed. If collection is in crude petroleum, the transporter may sell the same and pay the taxes by check or cash to the ***Department of*** Revenue[~~ Cabinet~~] or sheriff, as provided in KRS 137.150 and 137.160.

Section 221. KRS 137.150 is amended to read as follows:

Any county imposing a tax under KRS 137.120 shall immediately after the levy of the tax give notice thereof to each transporter of crude petroleum registered in the county. The transporter shall, after the first day of the month immediately following such notice, proceed as provided in KRS 137.140 to collect the county tax and pay it to the sheriff of the county in the manner and at the time payment of such taxes is required to be made to the ***Department of*** Revenue[~~ Cabinet~~]. Each county imposing the tax shall, upon the fixing of the levy, certify the same to the ***department***[~~cabinet~~], which shall make the assessment for the county tax in the same manner and at the same value as provided for the state tax, which shall be certified to the county for collection.

Section 222. KRS 137.160 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has received the reports provided for in KRS 137.130, it shall, upon such reports and such other reports and information as it may secure, assess the value of all grades or kinds of crude petroleum reported for each month.

(2) Where the report shows no sale of crude petroleum during the month covered by the report, the market value of crude petroleum on the first business day after the tenth day of the month in which the report is made shall be fixed by the ***department***[~~cabinet~~] as the assessed value of all crude petroleum covered by the report. (b) To cover evaporation, shrinkage, unaccountable losses, collection costs, bad debts, and handling and reporting the tax, each dealer shall be allowed compensation equal to two and one-fourth percent (2.25%) of the net tax due the Commonwealth pursuant to KRS 138.210 to 138.500 before all allowable tax credits, except the credit authorized pursuant to KRS 138.358. No compensation shall be allowed if the completed tax return and payment are not submitted to the ***Department of*** Revenue[~~ Cabinet~~] within the time prescribed by KRS 138.210 to 138.500.

(2) The tax imposed by KRS 138.220(1) and (2) shall be computed on the number of gallons remaining after the deductions set forth in subsection (1) of this section have been made, and shall constitute the amount of tax payable for the next preceding calendar month.

(3) Notwithstanding any other provision of this chapter to the contrary, any person who shall remit to the ***department***[~~cabinet~~], by the twenty-fifth day of the next month, an estimated tax due amount equal to not less than ninety-five percent (95%) of his tax liability, as finally determined for the report month, shall not be required to file the monthly reports required by this chapter until the last day of the month following the report month, and shall be permitted to claim as a credit against the tax liability shown due on the report the estimated tax due amount so paid.

Section 235. KRS 138.300 is amended to read as follows:

No dealer or other person shall fail or refuse to make the returns and pay the tax prescribed by KRS 138.220 to 138.280, or refuse to permit the ***Department of*** Revenue[~~ cabinet~~] or its representatives appointed by the ***commissioner***[~~secretary~~] of revenue in writing to examine his records, papers, files and equipment pertaining to the taxable business. No person shall make an incomplete, false or fraudulent return, or do or attempt to do anything to avoid a full disclosure of the amount of business done or to avoid the payment of the whole or any part of the tax or penalties due. No person shall fail to keep and preserve records of gasoline and special fuel manufactured, transported, received, used, sold or delivered or to make reports as required by KRS

138.230 to 138.280.

Section 236. KRS 138.310 is amended to read as follows:

(1) No person shall refine, produce, distill, manufacture, blend, compound, receive, use, sell, transport, store, or distribute any gasoline or special fuel upon which the tax due has not been paid or assumed or engage in the sale, storage or transportation of any gasoline or special fuel within this state upon which the tax has not been paid unless he is the holder of an uncanceled license issued by the ***Department of*** Revenue[~~ Cabinet~~] to engage in the business.

(2) Any transporter, other than a regularly licensed gasoline or special fuel dealer, transporting gasoline or special fuel by motor vehicle shall have plainly painted on the vehicle the name, address, and permit number of the transporter.

(3) Any person who engages in the business of refining, producing, distilling, manufacturing, blending, compounding, receiving, using, selling, transporting, storing, or distributing gasoline or special fuel in this state as a dealer, storage operator, or transporter without holding an uncanceled license to engage in that business, or who without the license, refines, produces, distills, manufacturers, blends, compounds, receives, uses, sells, transports, stores, or distributes any gasoline or special fuel upon which the tax imposed by KRS 138.220 has not been reported and paid, shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

Section 237. KRS 138.320 is amended to read as follows:

(1) To procure the license required by KRS 138.310, every dealer or transporter so required shall file with the ***Department of*** Revenue[~~ Cabinet~~] an application in such form and containing such information as the ***department***[~~cabinet~~] may deem necessary.

(2) If the dealer or transporter is a corporation organized under the laws of another state, it shall file with its application a certified copy of the certificate or license issued by the Secretary of State of this state showing that the corporation is authorized to transact business in this state.

(3) At the time of filing application for a license, a bond of the character stipulated and in the amount provided for in KRS 138.330 shall be filed with the ***department***[~~cabinet~~]. No license shall be issued upon any application unless accompanied by this bond.

(4) If application for such a license is filed by any person whose license has at any time previously been canceled for cause by the ***department***[~~cabinet~~], or if the ***department***[~~cabinet~~] is of the opinion that the application is not filed in good faith, or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration has previously been canceled for cause by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] may, after a hearing of which the applicant has been given five (5) days' notice in writing, and in which the applicant shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) The application in proper form having been accepted for filing, and the bond having been accepted and approved, the ***department***[~~cabinet~~] shall issue to the applicant a license, subject to cancellation as provided by KRS 138.340. The license shall not be assignable, and shall be valid only for the person in whose name it is issued, and shall be displayed conspicuously in the principal place of business of the dealer in this state.

(6) The ***department***[~~cabinet~~] shall keep and file all applications and bonds, with an alphabetical index thereof, together with a record of all licensed dealers or transporters. The ***department***[~~cabinet~~] shall publish and keep currently up to date a list of licensed dealers and transporters, and transmit a copy of list and all revisions thereof to all licensed dealers and transporters.

(7) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

Section 238. KRS 138.330 is amended to read as follows:

(1) Every dealer or transporter required to be licensed under KRS 138.310 shall file with the ***Department of*** Revenue[~~ Cabinet~~] a financial instrument in an amount not to exceed three (3) months' estimated liability as computed by the ***department***[~~cabinet~~] or five thousand dollars ($5,000) whichever is greater, or in the case of a new licensee in the minimum amount of five thousand dollars ($5,000) until such time as an estimated three (3) months' liability can be established, provided that the maximum amount of any financial instrument may be reduced to an amount sufficient in the opinion of the ***department***[~~cabinet~~], considering the financial rating and reputation of the company, to insure payment to the ***department***[~~cabinet~~] of the amount of tax, penalties and interest for which the dealer or transporter may become liable. The financial instrument shall be on a form and with a surety approved by the ***department***[~~cabinet~~]. The dealer or transporter shall be the principal obligor and the state the obligee. The financial instrument shall be conditioned upon the prompt filing of true reports by the dealer and transporter and the payment by the dealer to the State Treasurer of all gasoline and special fuel excise taxes now or hereafter imposed by the state, together with all penalties and interest thereon, and generally upon faithful compliance with the provisions of KRS 138.210 to 138.340.

(2) If liability upon the financial instrument is discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the ***department***[~~cabinet~~] any surety on the financial instrument has become unsatisfactory or unacceptable, the ***department***[~~cabinet~~] may require the licensee to file a new financial instrument with satisfactory sureties in the same amount, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If a new financial instrument is furnished as provided above, the ***department***[~~cabinet~~]

shall cancel and surrender the financial instrument for which the new financial instrument is substituted.

(3) If upon hearing, of which the licensee shall be given five (5) days' notice in writing, the ***department***[~~cabinet~~] decides that the amount of the existing financial instrument is insufficient to insure payment to the state of the amount of tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***[~~cabinet~~], file an additional financial instrument in the same manner and form with a surety thereon approved by the ***department***[~~cabinet~~], in any amount determined by the ***department***[~~cabinet~~] to be necessary, failing which the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340.

(4) Any surety on a financial instrument furnished as required by this section shall be released from all liability to the state accruing on the financial instrument after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***[~~cabinet~~] a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***[~~cabinet~~] shall promptly, upon receipt of a request, notify the licensee who furnished the financial instrument, and unless the licensee, before the expiration of the sixty (60) day period, files with the ***department***[~~cabinet~~] a new financial instrument with a surety satisfactory to the ***department***[~~cabinet~~] in the amount and form prescribed in this section, the ***department***[~~cabinet~~] shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If an approved new financial instrument is filed, the ***department***[~~cabinet~~] shall cancel and surrender the financial instrument for which the new bond is substituted.

Section 239. KRS 138.340 is amended to read as follows:

(1) If any dealer or transporter required to be licensed under KRS 138.310 files a false report of the data or information required by KRS 138.210 to 138.280, or fails, refuses or neglects to file the reports required by those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210(2), or violates any other provision of this chapter, the license of the dealer or transporter may be revoked by the ***Department of*** Revenue[~~ Cabinet~~]. The licensee shall be notified by certified or registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the Rules of Civil Procedure, or it may be served in that manner by an employee of the ***Department of*** Revenue[~~ Cabinet~~]. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation by the ***Department of*** Revenue[~~ Cabinet~~] to the Kentucky Board of Tax Appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the ***Department of*** Revenue[~~ Cabinet~~] to protect the Commonwealth from loss of revenue.

(2) The ***department***[~~cabinet~~] may cancel the license:

(a) Upon request in writing from the licensee, the cancellation to become effective sixty (60) days from the date of receipt of the request; or

(b) Upon determination that the licensee has had no reportable activity in Kentucky for at least the immediately preceding six (6) consecutive monthly reporting periods.

Section 240. KRS 138.341 is amended to read as follows:

(1) When gasoline or special fuel on which the tax has been paid pursuant to the provisions of KRS 138.210 to 138.340 has been used for the purpose of operating any aircraft engaged in the transportation of persons or property, the purchaser of the liquid fuel so used shall be reimbursed for the tax paid. No tax shall be refunded except that paid upon the fuel used exclusively in aircraft motors.

(2) No person shall be entitled to a refund hereunder unless he shall have first filed with the ***Department of*** Revenue[~~ Cabinet~~] a bond with approved surety in an amount of not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) to be determined by the ***Department of*** Revenue[~~ Cabinet~~], conditioned upon faithful compliance with this section and KRS 138.342 and upon the payment to the Commonwealth of any refunds to which he was not entitled.

(3) The right to receive any refund pursuant to subsection (1) of this section shall be assignable by the purchaser to the seller of the gasoline or special fuel if the seller has posted a bond with the ***department***[~~cabinet~~] and the aviation gasoline or special fuel purchased by the assignor is delivered directly into the fuel tank of aircraft owned or operated by him or his authorized agent. Any assignment shall be evidenced by noting upon the face and all copies of the retail sale invoice the following: "TAX REFUND ASSIGNED TO SELLER. Signed: (Purchaser or Agent.)"

Section 241. KRS 138.345 is amended to read as follows:

No person shall secure a refund of tax under KRS 138.344 unless the person is the holder of an unrevoked refund permit issued by the ***Department of*** Revenue[~~ Cabinet~~] before the purchase of the gasoline or special fuel, which permit shall entitle the person to make application for a refund under KRS 138.344 to 138.355. To procure a permit, every person shall file with the ***department***[~~cabinet~~] an application under oath, on forms furnished by the ***department***[~~cabinet~~], setting forth the information incident to the refunding of the tax paid on gasoline or special fuel as the ***department***[~~cabinet~~] may require. The properly completed and signed application shall be filed with the ***department***[~~cabinet~~] on or before the date the permit, if approved by the ***department***[~~cabinet~~], is to become effective.

Section 242. KRS 138.348 is amended to read as follows:

(1) The ***department***[~~cabinet~~] may require any dealer or any dealer's authorized agent to identify refund gasoline or special fuel sold by him by adding thereto any chemical or substance, which shall be furnished by the ***department***[~~cabinet~~] and used in the manner as prescribed by the ***department***[~~cabinet~~].

(2) The refund permit holder shall receive and store all the gasoline and special fuel in containers plainly marked with distinguishing letters "Refund Motor Fuel," or comparable letters prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and shall keep the containers on his premises accessible to agents of the ***department***[~~cabinet~~] and separate from other gasoline and special fuel stored on his premises.

(3) The ***Department of*** Revenue[~~ Cabinet~~] may, within its discretion, issue a refund permit for a portable storage facility if the applicant satisfies the ***department***[~~cabinet~~] that the facility will be used exclusively for the purpose of fueling unlicensed vehicles or equipment at multiple locations for nonhighway purposes, and fueling the vehicles or equipment from a nonportable facility would not be practical.

(4) Every refund permit holder who uses on the public highways motor fuel of the type for which refund is claimed shall keep detailed records of all the motor fuel acquired, monthly odometer readings of all licensed motor vehicles owned or operated by the holder which use the fuel, and other records the ***Department of*** Revenue[~~ Cabinet~~] may, in writing, require to protect the revenues of the Commonwealth.

(5) Agents of the ***department***[~~cabinet~~] may go upon the premises of any permit holder or of any licensed gasoline or special fuel dealer or his authorized agent to make inspections to ascertain any matter connected with the operation of KRS 138.344 to 138.355 or the enforcement thereof. No agent shall enter the dwelling of any person without the occupant's consent or the authority from a court of competent jurisdiction.

Section 243. KRS 138.354 is amended to read as follows:

(1) No person shall make a false or fraudulent statement in an application for a refund permit or in a gasoline or special fuel refund invoice, or in an application for a refund of any taxes as set out in KRS 138.344 to 138.355; or fraudulently obtain a refund of such taxes; or knowingly aid or assist in making any such false or fraudulent statement or claim; or having bought gasoline or special fuel under the provisions of KRS 138.344 to 138.355, shall use or permit such gasoline or special fuel or any part thereof to be used for any purpose other than as provided in KRS 138.344.

(2) The refund permit of any person who shall violate any provision of subsection (1) of this section may be revoked by the ***Department of*** Revenue[~~ Cabinet~~] subject to appeal to the Kentucky Board of Tax Appeals as provided by law, and may not be reissued until two (2) years have elapsed from the date of such revocation.

(3) The refund permit of any person who shall violate any provision of KRS 138.344 to 138.355, other than those contained in subsection (1) of this section, may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for any period in its discretion not exceeding six (6) months with the right of appeal to the Kentucky Board of Tax Appeals.

(4) If a dealer violates any provision of KRS 138.344 to 138.355, his privilege to sign refund invoices may be suspended by the ***Department of*** Revenue[~~ Cabinet~~] for a period of not more than two (2) years subject to appeal to the Kentucky Board of Tax Appeals. No refund shall be made on gasoline or special fuel purchased from a dealer while a suspension of his privilege to sign refund invoices is in effect.

Section 244. KRS 138.355 is amended to read as follows:

If the ***department***[~~cabinet~~] reasonably believes that any dealer or refund permit holder has been guilty of a violation of KRS 138.344 to 138.355, which would subject the dealer or permit holder to a suspension or revocation of his license or permit under the provisions of subsections (2), (3) or (4) of KRS 138.354, said dealer or permit holder may be cited by the ***department***[~~cabinet~~] to show cause at a public hearing before the ***Department of*** Revenue[~~ cabinet~~] why his license or permit should not be suspended or revoked. The dealer or refund permit holder shall be notified by certified or registered letter. The letter shall inform the dealer or refund permit holder of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license or permit may be revoked or suspended. The hearing shall be set at least five (5) days after the receipt of the letter. Any aggrieved dealer or refund permit holder may appeal any order entered to the Kentucky board of tax appeals as provided by law, subject to the condition that he make bond sufficient in the opinion of the ***department***[~~cabinet~~] to protect the Commonwealth from loss of revenue.

Section 245. KRS 138.358 is amended to read as follows:

(1) Any special fuels dealer who delivers special fuels, on which the tax imposed by KRS 138.220 has been paid, into a tank having no dispensing outlet and used exclusively to heat a personal residence, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively to heat the personal residence to which it is delivered. No person so certifying shall use the special fuel for any other purpose. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(2) Any special fuels dealer who sells gasoline or special fuels, on which the tax imposed by KRS 138.220 has been paid, exclusively for the purpose of operating or propelling stationary engines or tractors for agricultural purposes, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains

from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively for the purpose of operating or propelling stationary engines or tractors for agricultural purposes. No person so certifying shall use gasoline or the special fuels for any other purpose. Sales made from a retail filling station do not qualify for the credit. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(3) Any special fuels dealer who delivers special fuels, on which the tax imposed by KRS 138.220 has been paid, into a nonhighway use storage tank of a resident nonprofit religious, charitable, or educational organization or state or local governmental agency which has qualified for exemption from Kentucky sales and use tax pursuant to KRS 139.470(7) or 139.495 shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement certifying the purchaser's sales and use tax purchase exemption authorization issued pursuant to KRS Chapter 139. No organization or agency so certifying shall use or allow the use of any nonhighway special fuel so acquired for any purpose other than fueling unlicensed vehicles or equipment for nonhighway purposes. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized herein to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth.

(4) Any special fuels dealer who sells special fuels, on which the tax imposed by KRS 138.220 has been paid, which shall be used exclusively for consumption in unlicensed vehicles or equipment for nonhighway purposes, shall be entitled to claim a credit against the tax due pursuant to KRS 138.220 equal to the tax paid on the fuel if the dealer obtains from the purchaser and retains in his files a signed and dated statement from the purchaser certifying that the fuel will be used exclusively for nonhighway purposes. No person making the certification shall use the special fuels for any other purpose. Sales made from a retail filling station do not qualify for the credit. The ***Department of*** Revenue[~~ Cabinet~~] may require dealers claiming the credit authorized in this subsection to submit information required by the ***department***[~~cabinet~~] to reasonably protect the revenues of the Commonwealth. This credit shall not apply to special fuels taxes subject to a refund under KRS 138.445.

Section 246. KRS 138.447 is amended to read as follows:

(1) A dealer may elect to be exempted from the provisions of KRS 138.330, subject to the following provisions:

(a) An election for exemption shall be made on an annual basis and shall be for a calendar year;

(b) At the conclusion of the year, the election for exemption shall continue for the next calendar year unless the dealer notifies the ***Department of*** Revenue[~~ Cabinet~~] of the dealer's intention to void the election for exemption by January fifteenth of the next calendar year; and

(c) If the election for exemption is voided, the provisions of KRS 138.330 immediately apply.

(2) (a) A dealer electing to be exempted from the provisions of KRS 138.330 shall file with the ***department***[~~cabinet~~] a financial instrument in an amount not to exceed two (2) months' estimated liability, as calculated by the ***department***[~~cabinet~~], or five thousand dollars ($5,000), whichever is greater.

(b) The financial instrument shall be on a form and with a surety to do business in this state.

(c) The dealer shall be the principal obligor and the state the obligee.

(3) (a) In addition to the provisions of KRS 138.210 to 138.340 the dealer shall certify to the ***department***[~~cabinet~~] no later than the fifteenth day of each month the amount of gasoline and special fuels tax due the Commonwealth by the twenty-fifth day of that month.

(b) The certification shall be submitted via an electronic method acceptable by both the dealer and the ***department***[~~cabinet~~].

(c) By certifying the amount of tax which is to be remitted to the ***department***[~~cabinet~~], the dealer agrees to initiate an Automated Clearing House credit transaction to electronically transfer the amount of tax from the dealer's account to the Kentucky State Treasurer on the twenty-fifth day of that month.

(d) If the dealer fails to certify the amount of tax collected as prescribed by this section or does not perform the electronic fund transfer, the ***department***[~~cabinet~~] may immediately make demand on the financial instrument and revoke the license of the dealer notwithstanding the provisions of KRS 138.340.

(4) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, or transfer the ownership of any motor vehicle previously registered in this state, unless the owner or his agent pays the tax levied under this section in addition to the transfer, registration, and license fees.

(5) When a person offers a motor vehicle for registration for the first time in this state which was registered in another state that levied a tax substantially identical to the tax levied under this section, the person shall be entitled to receive a credit against the tax imposed by this section equal to the amount of tax paid to the other state. A credit shall not be given under this subsection for taxes paid in another state if that state does not grant similar credit for substantially identical taxes paid in this state.

(6) A county clerk or other officer shall not register or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration for the first time, unless the seller or his agent delivers to the county clerk a notarized affidavit, if required, and available under KRS 138.450 attesting to the total and actual consideration paid or to be paid for the motor vehicle. If a notarized affidavit is not available, the clerk shall follow the procedures under KRS 138.450(12)(a) for new vehicles, and KRS 138.450(12)(c) or (d) for used cars. The clerk shall attach the notarized affidavit, if available, or other documentation attesting to the retail price of the vehicle as the ***Department of*** Revenue~~[Cabinet]~~ may prescribe by administrative regulation promulgated under KRS Chapter 13A to the copy of the certificate of registration and ownership mailed to the ***department***~~[cabinet]~~.

(7) Notwithstanding the provisions of KRS 138.450, the tax shall not be less than six dollars ($6) upon first registration of or any transfer of ownership of a motor vehicle in this state, except where the vehicle is exempt from tax under KRS 138.470.

(8) Where a motor vehicle is sold by a dealer in this state and the purchaser returns the vehicle for any reason to the same dealer within sixty (60) days for a vehicle replacement or a refund of the purchase price, the purchaser shall be entitled to a refund of the amount of usage tax received by the ***Department of*** Revenue~~[Cabinet]~~ as a result of the registration of the returned vehicle. In the case of a new motor vehicle, the registration of the returned vehicle shall be canceled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(9) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the ***Department of*** Revenue~~[Cabinet]~~ as a result of the first registration. A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue~~[Cabinet]~~ a report from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

(10) Notwithstanding the time limitations of subsections (8) and (9) of this section, when a dealer or manufacturer refunds the retail purchase price or replaces a motor vehicle for the purchaser as a result of formal arbitration or litigation, or, in the

case of a manufacturer, because ordered to do so by a dispute resolution system established under KRS 367.865 or 16 C.F.R. 703, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the ***Department of*** Revenue[~~ Cabinet~~] as a result of the registration. A person shall not be entitled to a refund unless he shall have filed with the ***Department of*** Revenue[~~ Cabinet~~] a report from the dealer or manufacturer identifying the vehicle that was replaced.

(2) A dealer shall pay the usage tax on a loaner or rental motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that he is regularly engaged in the servicing or repair of motor vehicles and loans or rents the loaner or rental motor vehicle to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

(3) For a dealer to be eligible to pay the usage tax on a loaner or rental motor vehicle under this section, the dealer shall identify the motor vehicle as a loaner or rental motor vehicle to the ***Department of*** Revenue[~~ Cabinet~~] and shall maintain records, as required by the ***Department of*** Revenue[~~ Cabinet~~], which show all uses of the loaner or rental motor vehicle.

(4) The tax due under subsection (1) of this section shall be remitted to the ***Department of*** Revenue[~~ Cabinet~~] monthly on forms prescribed by and in accordance with administrative regulations promulgated by the ***department***[~~cabinet~~].

(5) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner or rental motor vehicle under this section shall be sufficient cause for the ***Department of*** Revenue[~~ Cabinet~~] to revoke the authority to use that motor vehicle as a loaner or rental motor vehicle and cause the usage tax on that motor vehicle to be due and payable in accordance with KRS 138.460 on the retail price of that motor vehicle when it was first registered as a loaner or rental motor vehicle.

(6) A motor vehicle no longer covered under the loaner permit program shall be taxed in the same manner as motor vehicles under KRS 138.450(12).

Failure to forward duplicates of all receipts issued during the reporting period or failure to file the weekly report of moneys collected shall subject the clerk to a penalty of two and one-half percent (2.5%) of the amount of moneys collected during the reporting period for each month or fraction thereof until the documents are filed. Failure to deposit or, if required, transfer collections as required above shall subject the clerk to a penalty of two and one-half percent (2.5%) of the amount not deposited or, if required, not transferred for each day until the collections are deposited or transferred as required above. The penalty for failure to deposit or transfer money collected shall not be less than fifty dollars ($50) nor more than five hundred dollars ($500) per day. (5) Every person, corporation, or association required to pay the tax imposed by KRS 138.510 shall keep its books and records so as to clearly show by a separate record the total amount of money contributed to every pari-mutuel pool, including daily double pools, if any.

Section 253. KRS 138.550 is amended to read as follows:

In addition to all other penalties provided in KRS 138.510 to 138.540, when the pari-mutuel system of betting is operated at a track licensed under the provisions of KRS 137.170, said license may be suspended, revoked or renewal refused by the State Racing Commission upon the failure of the operator to comply with the provisions of KRS 138.510 to 138.540 or the rules and regulations promulgated by the ***Department of*** Revenue[~~ Cabinet~~] pursuant thereto even though the pari-mutuel system of betting and the track are operated by different persons, corporations or associations.

(4) The county clerk recording or releasing a state tax lien pursuant to this section shall be entitled to the fee prescribed therefor by KRS 64.012.

(5) Except as necessary to accept taxes that the offender voluntarily pays under KRS 138.874, the ***Department of*** Revenue[~~ Cabinet~~] shall not require a bond or otherwise attempt to collect the tax due under KRS 138.874 until the offender's taxable activity results in a conviction or a guilty or Alford plea for a violation of KRS Chapter 218A. However, the ***Department of*** Revenue[~~ Cabinet~~] may impose a notice of lien on issuance of a warrant or indictment, which shall be released upon acquittal or dismissal of the case.

Section 259. KRS 138.882 is amended to read as follows:

(1) The tax, penalty, and interest assessed by the ***Department of*** Revenue[~~ Cabinet~~] pursuant to KRS 138.872 and 138.889 shall be deemed prima facie valid and correctly determined and assessed. Regardless of the order in which proceedings are begun, forfeiture of money or any other type or kind of property and distribution of property and funds under the drug forfeiture laws of this state shall take precedence over any proceedings to collect the tax, penalty, or interest due pursuant to KRS 138.872 and 138.889.

Section 260. KRS 138.884 is amended to read as follows:

For the purpose of determining the correctness of any return; determining the amount of tax that should have been paid; determining whether or not the offender should have made a return or paid tax; or collecting any tax, penalty, or interest under KRS 138.872 and 138.889, the ***Department of*** Revenue[~~ Cabinet~~] may examine, or cause to be examined, any books, papers, records, or memoranda that may be relevant to making any determinations, whether the books, papers, records, or memoranda are the property of or in the possession of the offender or another person. Section 261. KRS 138.886 is amended to read as follows:

(1) The provisions of KRS 138.870 to 138.889 shall not inculpate any person or otherwise cause any person to incriminate himself in violation of his constitutional rights and, notwithstanding the exceptions provided in KRS 131.190 or any other law, neither the ***Department of*** Revenue[~~ Cabinet~~] nor any public employee may reveal facts contained in any report required by KRS 138.870 to 138.889, nor shall any information contained in any report filed pursuant to KRS 138.870 to 138.889 be used against an offender in any criminal proceeding, except in connection with a proceeding involving the tax, penalty, or interest due under KRS 138.872 and 138.889, unless the information is independently obtained. Further, possession of any tax stamp, label, or other tax indicia evidencing payment of tax pursuant to KRS 138.874 shall not be used against any person in any criminal proceeding.

(2) Any person violating this section shall be guilty of a Class B misdemeanor.

For the purpose of the proper administration of this chapter and to prevent evasion of the duty to collect the taxes imposed by KRS 139.200 and 139.310, it shall be presumed that all gross receipts and all tangible personal property sold by any person for delivery in this state are subject to the tax until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270;

(2) Purchased through a properly executed certificate of exemption in accordance with KRS 139.270;

(3) Purchased according to regulations of the ***Department of*** Revenue[~~ Cabinet~~] governing a direct pay authorization; or

(4) Purchased under a form issued pursuant to KRS 139.776 or 139.777.

Section 265. KRS 139.400 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the use tax and the duty to collect the use tax, it shall be presumed that tangible personal property sold by any person for delivery in this state is sold for storage, use or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

(1) Purchased for resale according to the provisions of KRS 139.270 or 139.410;

(2) Purchased through a properly executed certificate of exemption in accordance with KRS 139.490; or

(3) Purchased according to regulations of the ***Department of*** Revenue[~~Cabinet~~] governing a direct pay authorization.

Section 266. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property which this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the retailer via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the ***department***[~~cabinet~~]. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include but not be limited to natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the ***Department of*** Revenue[~~Cabinet~~];

(b) In making the determinations of eligibility, the ***department***[~~cabinet~~] shall exempt from taxation all gross receipts derived from sales:

1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;

2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;

(10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the retailer and the retailer maintains a file of the proof;

(11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property at a plant facility and which will be for sale. The property shall be regarded as having been purchased for resale. "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

2. Other tangible personal property which is directly used in manufacturing or industrial processing, if the property has a useful life of less than one (1) year. Specifically these items are categorized as follows:

The approved company shall have no obligation to refund or otherwise return any amount of this sales tax refund to the persons from whom the sales tax was collected. By October 1 of each year the ***Department of*** Revenue [~~Cabinet~~]shall certify to the authority and the secretary of the Tourism Development Cabinet for the preceding fiscal year for all approved companies for which sales tax returns were filed with respect to a tourism attraction project, the sales tax liability of the approved companies receiving inducements under this section and KRS 148.851 to 148.860, and their lessees, and the amount of the sales tax refunds issued pursuant to subsection (1) of this section.

They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.

(3) The sales and use taxes paid by the motion picture production company for which a refundable tax credit is granted shall be deemed not to have been legally paid into the State Treasury, and the refund of the credit shall not be in violation of Section 59 of the Kentucky Constitution.

(3) The ***Department of*** Revenue [~~Cabinet~~]shall promulgate appropriate administrative regulations to carry out the intent and purposes of KRS 139.5382 to 139.5386.

Section 273. KRS 139.735 is amended to read as follows:

(1) The ***Department of*** Revenue [~~Cabinet~~]shall not promulgate any administrative regulation or policy either written or unwritten whose provisions are more stringent than the provisions of KRS 139.270 and 103 KAR 31.030 regarding the good faith provisions for resale certificates, exemption certificates and direct pay authorizations.

(2) It shall be mandatory upon the ***Department of*** Revenue [~~Cabinet~~]during any audit process to honor resale certificates, exemption certificates and direct pay authorizations when executed according to the good faith provisions defined and described in KRS 139.270 and 103 KAR 31.030.

Section 274. KRS 140.040 is amended to read as follows:

(1) Whenever any person shall exercise a power of appointment derived from any disposition of property (whether by will, deed, trust agreement, contract, insurance policy or other instrument) regardless of when made, such appointment shall be deemed a transfer taxable under the provisions of this chapter in the same manner as though the property to which such appointment relates belonged absolutely to the donee of such power and had been bequeathed or devised by such donee by will; and whenever any person possessing such a power of appointment so derived shall omit or fail to exercise the same in whole or in part, within the time provided therefor, a transfer taxable under the provisions of this chapter shall be deemed to take place to the person or persons receiving such property as a result of such omission or failure to the same extent that such property would have been subject to taxation if it had passed under the will of the donee of such power. The time at which such transfer shall be deemed to take place, for the purpose of taxation, shall be governed by the provisions of subsections (2) to (4) of this section.

(2) In the case of a power of appointment which passes to the donee thereof at the death of the donor, under any instrument, and if the donor dies on or after April 24, 1936, the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donor and the assessment be made at that time against the life interest of the donee and the remainder against the corpus. The value of the property to which the power of appointment relates shall be determined as of the date of the death of the donor and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donor. The determination of the applicable rates and exemptions (in effect at the death of the donor) shall be governed by the relationship of the beneficiary to the donee of the power of appointment. In the event the payment of the tax at the death of the donor should operate to provide an exemption for any beneficiary of a donee not authorized by KRS 140.080, then such exemption shall be retrospectively disallowed at the time of the death of the donee. It is further provided that the remainder interest passing under the donee's power of appointment, whether exercised or not, shall be added to and made a part of the distributable share of the donee's estate for the purpose of determining the exemption and rates applicable thereto.

(3) In all cases other than that described in subsection (2) the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donee. In such cases, the value of the property to which the power of appointment relates shall be determined as of the date of the death of the donee and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donee. The determination of the applicable rates and exemptions (in effect at the death of the donee) shall be governed by the relationship of the beneficiary to the donee of the power of appointment.

(4) The provisions of subsection (2) shall not preclude the taxation, at the death of the donee, of any transfer made by means of a power of appointment if such transfer was not in fact reported to or a tax assessed thereon by the ***Department of*** Revenue [~~Cabinet~~]within the period of limitation prescribed by KRS 140.160. If the transfer by the power of appointment is not so reported or a tax assessed thereon, the period of limitation prescribed in KRS 140.160 shall not begin to run until the death of the donee of such power.

(5) The amendments to this section, adopted by the 1948 General Assembly, shall apply to all powers of appointment whether created before or after the effective date of said amendments. It is the declared intention of the General Assembly to impose a tax upon every transfer of property by means of a power of appointment, regardless of when or how created, and it is the declared intention of the General Assembly that the use of the power of appointment device shall not permit the transfer of property, to which such a power relates, to escape thereby the payment of state inheritance taxes.

Section 275. KRS 140.080 is amended to read as follows:

(1) The following exemptions chargeable against the lowest bracket or brackets of inheritable interests shall be free from any tax under the preceding provisions of this chapter:

2. For decedents dying between July 1, 1996, and June 30, 1997, the greater of the exemption established pursuant to paragraph (1)(b) of this section or one-half (1/2) of each beneficiary's inheritable interest;

3. For decedents dying between July 1, 1997, and June 30, 1998, the greater of the exemption established pursuant to paragraph (1)(b) of this section or three-fourths (3/4) of each beneficiary's inheritable interest; and

4. For each decedent dying after June 30, 1998, each beneficiary's total inheritable interest;

(d) All persons of Class B, under KRS 140.070, $1,000; and

(e) All persons of Class C, under KRS 140.070, $500.

(2) If the decedent was not a resident of this state, the exemption shall be the same proportion of the allowable exemption in the case of residents that the property taxable by this state bears to the whole property transferred by the decedent.

Section 276. KRS 140.090 is amended to read as follows:

(1) In calculating the value of the distributive shares the following deductions and no others shall be allowed:

Section 277. KRS 140.100 is amended to read as follows:

(1) The Department of Insurance, on the application of the ***Department of*** Revenue[~~ Cabinet~~], shall determine, and certify in duplicate to the ***Department of Revenue***[~~cabinet~~], the value of any future or contingent estate, income or interest therein, limited, contingent, dependent or determinable upon the lives of persons in being, upon the facts contained in the application or other facts submitted by the ***Department of Revenue***[~~cabinet~~]. No fee shall be charged by the division for this service. The certificate shall be competent evidence that the method of computation therein is correct.

(2) The value of every future, contingent or limited estate, income or interest for the purpose of this chapter shall be determined by the rules, methods and standards of mortality and of value prescribed by the appropriate United States life mortality tables for ascertaining the value of life estates, annuities and remainder interests except that the rate of interest assessed in computing the present value of all future interests and contingencies shall be four percent (4%) per annum.

(3) When an annuity or a life estate is terminated by the death of the annuitant or life tenant, and the tax upon such interest has not been fixed and determined, the value of the interest for the purpose of taxation shall be that amount of the annuity or income actually paid or payable to the annuitant or life tenant during the period for which the annuitant or life tenant was entitled to the annuity or was in possession of the life estate. The tax on such annuities and life interests shall be payable out of the corpus of the estate, unless otherwise provided under the terms of the will.

(4) Notwithstanding anything in this chapter to the contrary, the value of a surviving spouse's interest in a trust or life estate which was exempt from Kentucky inheritance tax in the first spouse's estate pursuant to an election made under KRS 140.080(1)(a) shall be deemed to be equal to the entire value of the property held in the trust or life estate, at the surviving spouse's death, for Kentucky inheritance tax purposes in the surviving spouse's estate.

Section 278. KRS 140.110 is amended to read as follows:

(1) In the case of estates in expectancy which are contingent or defeasible, a tax shall be levied at the rate which, on the happening of the most probable contingencies or conditions named in the will, deed, trust agreement, contract, insurance policy, or other instrument, would be applicable under the provisions of this chapter. Moneys so collected shall be distributed as are other inheritance tax funds. If the property so taxed shall ultimately vest in possession in persons taxable at a lower rate, or in a person or a corporation exempt from taxation by this chapter, upon application by such beneficiary to the ***Department of*** Revenue [~~Cabinet~~]for refund of any excess tax, the ***Department of*** Revenue[~~ Cabinet~~], after investigation, shall certify to the Finance and Administration Cabinet the amount of such refund. The Finance and Administration Cabinet shall refund such excess payment of tax in the same manner as other refunds are made.

(2) Where an estate or interest can be divested by the act or omission of the legatee or devisee, it shall be taxed as if there were no possibility of divesting.

Section 279. KRS 140.160 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall have full supervision of the collection of all taxes due under the provisions of this chapter, including the power to institute suit in this and other states. It may employ attorneys and other persons necessary to carry out the full intent and purpose of this chapter. The ***department***[~~cabinet~~] shall furnish, upon application, blank forms covering information as may be necessary to determine the amount of tax due the state on the transfer of all property subject to tax.

(2) The ***department***[~~cabinet~~] may cause personal representatives or beneficiaries to file all statements required by this chapter with the clerks of the proper courts and with the ***department***[~~cabinet~~], and may require them to furnish any additional information deemed necessary to support the computation of the amount of tax that should be paid by the estate. The personal representative, or the beneficiaries in the absence of a personal representative, shall compute the taxes imposed by this chapter on the tax return provided by the ***department***[~~cabinet~~] when:

(a) 1. A United States estate tax return is required to be filed under federal law and applicable regulations; and

2. The estate includes property over which Kentucky has jurisdiction for purposes of the taxes imposed by this chapter; or

(b) Any assets from the estate subject to the taxes imposed by this chapter pass to a beneficiary taxable under KRS 140.070.

The tax return, when required, shall be filed with the ***department***[~~cabinet~~] within eighteen (18) months after the death of the decedent or at the time payment of the tax is made pursuant to KRS 140.210.

(3) Except as herein provided, no action to enforce the collection of the tax imposed by this chapter shall be commenced more than ten (10) years after the cause of action first accrued. In case the settlement of an estate is delayed because of litigation or other unavoidable cause, the delay shall suspend the limitation, prescribed by this subsection, until the cause of delay is removed. In the case of a fraudulent return or any other fraudulent representation affecting the amount of or the liability for the tax imposed by this chapter notwithstanding any provision of limitation provided elsewhere, the tax due by reason thereof may at any time be assessed and collected by the methods set out in this chapter, including action in a court of competent jurisdiction.

Section 280. KRS 140.170 is amended to read as follows:

(1) The District Court, upon the request of the personal representative or any interested party, shall appoint some competent person as appraiser of the estate. The appraiser shall give notice to all persons having an interest in the estate and to such other persons as the court may by order direct, and shall then appraise the property belonging to the estate. His report shall be filed with the court and a copy thereof with the ***Department of*** Revenue[~~ Cabinet~~]. He shall be paid for his services out of the funds of the estate, on the certification of the court, the amount to be fixed by that court. The total compensation of the appraiser shall not exceed one-tenth of one percent (0.1%) of the total appraised value of the estate for inheritance tax purposes, but there shall be a minimum allowance of five dollars ($5), together with the appraiser's actual and necessary traveling expenses.

(2) After investigation, the ***department***[~~cabinet~~] may change the value of the estate for inheritance taxes and advise the representatives of the estate of this changed valuation after the receipt of a completed tax return and full payment as shown by the tax return.

(3) No appraiser shall accept any fee or reward from a personal representative, trustee, legatee, next of kin or heir of the decedent, or from any other person liable to pay the tax or any portion thereof.

(4) No person shall willfully and knowingly subscribe to or make any false statement of fact, or knowingly subscribe to or exhibit any false paper or false report with intent to deceive any appraiser.

(5) The ***department***[~~cabinet~~] shall keep a record of all returns, reports, and schedules attached thereto required by this chapter for twelve (12) years.

Section 281. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due at the death of the decedent and shall be payable to the ***Department of*** Revenue[~~Cabinet~~] within eighteen (18) months thereafter. If they are paid within nine (9) months, a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months, no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, interest at the tax interest rate as defined in KRS 131.010(6) shall be paid from the expiration of the eighteen (18) months until payment is actually made to the ***department***[~~cabinet~~].

(2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond, in the form and to the effect prescribed by the ***department***[~~cabinet~~], for the payment of the taxes and interest.

Section 282. KRS 140.222 is amended to read as follows:

(1) When the net tax due from a beneficiary's distributive share exceeds five thousand dollars ($5,000), the beneficiary may elect to pay the inheritance tax in ten (10) equal installments. The first installment shall be due at the time the return is filed with succeeding payments due in annual installments beginning one (1) year after the return is filed.

(2) The portion of the tax deferred under this section shall be charged with interest at the tax interest rate as defined in KRS 131.010(6) commencing eighteen (18) months after the date of death.

(3) When the beneficiary elects to pay the tax on his share as provided in this section, such election must be made in writing and signed by the beneficiary and must be filed with the ***Department of*** Revenue[~~Cabinet~~] at the time of filing the tax return for the decedent's estate under KRS 140.160(2). The filing of the election together with payment of the first installment shall relieve the personal representative or trustee of the estate from further liability for the tax payments deferred under this section and the bond requirements of KRS 140.210, subject to the final approval by the ***Department of*** Revenue[~~Cabinet~~] of all other taxes due under this chapter.

(4) A beneficiary electing to defer the payment of taxes under this section shall be personally liable for the amount of deferred taxes until paid.

(5) The period of limitations for actions to enforce the collection of taxes imposed by this chapter as provided by KRS 140.160(3) shall be suspended for the period of time for deferred payment granted by this section.

Section 283. KRS 140.270 is amended to read as follows:

(1) In the absence of administration in this state upon the estate of a nonresident, the ***Department of*** Revenue[~~Cabinet~~], at the request of a personal representative duly appointed and qualified in the state of the decedent's domicile, or of a grantee under a conveyance made during the grantor's lifetime, and upon satisfactory evidence furnished by the personal representative or grantee, or otherwise, may determine whether or not any property of the decedent within this state is subject to the provisions of this chapter. If so, the ***department***[~~cabinet~~] may determine the amount of tax and adjust the same with the personal representative or grantee, and for that purpose may appoint an appraiser to appraise the property. The expense of appraisal shall be charged upon the property in addition to the tax. The ***department's***[~~cabinet's~~] certificate of the amount of tax and its receipt for the amount therein certified may be filed with the county judge/executive of the county where the property is located, and when so filed shall be evidence of the payment of the tax to the extent of such certification. When the tax is not adjusted within six (6) months after the death of the decedent, the proper District Court, upon application of the ***department***[~~cabinet~~], shall appoint an administrator in this state.

(2) When evidence of ownership of intangible personal property belonging to a nonresident decedent is found to be physically located in this state, the ***Department of*** Revenue[~~Cabinet~~] shall so inform the state official collecting death tax in the state of domicile of the decedent, if that state furnishes like information to the ***Department of*** Revenue[~~Cabinet~~] of this state in a reciprocal manner.

Section 284. KRS 140.275 is amended to read as follows:

(1) It is hereby declared to be the legislative policy that Kentucky shall not be a party to interstate double taxation under the terms of the Kentucky inheritance and estate tax laws. Pursuant to this policy, the ***commissioner***[~~secretary~~] of revenue is hereby authorized to omit from the property subject to tax under those laws, any intangible personal property of a nonresident decedent (having a domicile in the United States) held in trust by a Kentucky trustee if the jurisdiction (state, territory or District of Columbia) in which the decedent was domiciled grants similar immunity to residents of Kentucky, but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction. If another state, territory, or the District of Columbia of the United States constitutionally imposes a tax on the transfer of estates or of the distributive shares thereof, but grants immunity from the tax in respect of any intangible

property of its resident decedents held in trust by a Kentucky trustee, then the ***commissioner***[~~secretary~~] of revenue is hereby authorized to exclude from the property subject to tax under the Kentucky inheritance and estate tax laws, the intangible personal property of a Kentucky resident held in trust in that jurisdiction but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction.

(2) It is expressly provided, however, in view of the uncertainty now prevailing with respect to the correct interpretation of the Constitution of the United States regarding the jurisdiction of the several states, that the provisions of this section shall be inoperative under the second alternative until and unless an agreement, approved as to legality by the Attorney General, between the ***commissioner***[~~secretary~~] of revenue as agent for Kentucky and the appropriate administrative official of such other state, shall have been executed and an original copy thereof filed with the Kentucky ***Department of*** Revenue[~~Cabinet~~].

(3) This section is intended to apply retroactively to all estates of decedents on or after April 25, 1936, which are subject to Kentucky inheritance tax laws.

Section 285. KRS 140.285 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] claims that a decedent was domiciled in Kentucky at the time of death and the taxing authorities of another state or states make a similar claim with respect to their state or states, the ***commissioner***[~~secretary~~] of revenue may enter into a written agreement with such taxing authorities and the executor, administrator or trustee, fixing the sum acceptable to the ***department***[~~cabinet~~] in full settlement of the inheritance or estate taxes imposable under this chapter. Such agreement shall also fix the sum acceptable to such other state or states in full settlement of the death taxes imposable by such state or states.

(2) If the aggregate amount payable under such agreement to the states involved is less than the maximum sum allowable as a credit to the estate against the federal estate tax imposed thereon, then the executor, administrator or trustee shall also pay to the State of Kentucky as an estate tax so much of the difference between such aggregate amount and the amount of such credit as the amount payable to Kentucky under the agreement bears to such aggregate amount.

Section 286. KRS 140.290 is amended to read as follows:

Whenever debts are proved against the estate of a decedent after the payment of legacies or distribution of property from which the tax has been deducted or upon which it has been paid, and a refund is made by the legatee, devisee, heir or next of kin, a proportion of the tax so deducted or paid shall be repaid to him, by the personal representative or trustee if the tax has not been paid to the ***Department of*** Revenue[~~ Cabinet~~], or by the ***department***[~~cabinet~~] if it has been so paid.

Section 287. KRS 140.320 is amended to read as follows:

If, within five (5) years after the death of the decedent, a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value was reported shall cause to be paid, pursuant to administrative regulations promulgated by the ***Department of*** Revenue[~~ Cabinet~~], the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest at the tax interest rate as defined in KRS 131.010(6).

Section 288. KRS 140.330 is amended to read as follows:

In the event the qualified real estate is reported for inheritance tax purposes at its agricultural or horticultural value and that real estate has been assessed at its agricultural or horticultural value for ad valorem tax purposes, then that assessment shall be presumed to be its agricultural or horticultural value for inheritance tax purposes. If, however, the real estate has not been so assessed for ad valorem tax purposes, then the agricultural or horticultural value shall be determined pursuant to KRS Chapter 132 and such regulations as may be promulgated by the ***Department of*** Revenue[~~ Cabinet~~] to determine horticultural or agricultural value for inheritance tax purposes.

Section 289. KRS 140.350 is amended to read as follows:

At such time as the ***Department of*** Revenue[~~ Cabinet~~] accepts the agricultural or horticultural value on qualified real estate comprising a portion of a decedent's estate and issues tax waivers thereon, it shall cause to be filed in the office of the county clerk of the county where the real estate or the greater portion thereof is located, on a form prescribed by the ***Department of*** Revenue[~~ Cabinet~~], a lien which on its face shall expire in five (5) years and the lien shall secure the payment of any additional tax which may become due as the result of the qualified real estate being sold to others than qualified persons or the qualified real estate being converted to other than a qualified use.

If additional taxes are due as the result of the real estate being transferred to other than a qualified person or its use is converted to other than agricultural or horticultural use, and the additional tax is not paid after assessment of the tax, within the time prescribed by the regulations of the ***Department of*** Revenue[~~ Cabinet~~], then the ***Department of*** Revenue [~~Cabinet~~]may proceed to enforce the lien in accordance with law.

(8) No assessment of additional tax due for any taxable year ending on or before December 31, 1995, made after December 22, 1994, and based on requiring a change from any initially filed separate return or returns to a combined return under the unitary business concept or to a consolidated return, shall be effective or recognized for any purpose.

(a) Compute the income tax due at the applicable tax rates as provided by KRS 141.020 or 141.040, on net income as defined by KRS 141.010(11) or taxable net income as defined by KRS 141.010(14), including income from an economic development project; and

(c) The tax credit shall be the amount by which the tax computed under paragraph (a) of this subsection exceeds the tax computed under paragraph (b) of this subsection; however, the credit shall not exceed the limits set forth in

KRS 154.22-050.

(b) The amount of the tax credit shall be the same as the amount of the tax computed in this subsection or, upon the annual election of the approved company, in lieu of the tax credit, an amount shall be applied as an estimated tax payment equal to the tax computed in this section. (e) Any estimated tax payment made by the S-corporation, partnership, registered limited liability partnership, limited liability company, or trust in satisfaction of the tax liability of shareholders, partners, members, or beneficiaries shall not be treated as taxable income subject to Kentucky income tax by the shareholder, partner, member, or beneficiary.

(5) Notwithstanding any other provisions of this chapter, the net income subject to tax, the tax credit, and the estimated tax payment determined under subsection (4) of this section shall be excluded in determining each shareholder's, partner's, member's, or beneficiaries' distributive share of net income or credit of an S-corporation, partnership, registered limited liability partnership, limited liability company, or trust.

(6) If the economic development project is a totally separate facility, net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility and overhead expenses apportioned to the facility.

(7) If the economic development project is an expansion to a previously existing facility, net income attributable to the entire facility shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under this chapter directly attributable to the facility, and the net income attributable to the economic development project for the purposes of subsections (3), (4), and (5) of this section shall be determined by apportioning the separate accounting net income of the entire facility to the economic development project by a formula approved by the ***Department of*** Revenue~~[Cabinet]~~.

(8) If an approved company can show to the satisfaction of the ***Department of*** Revenue~~[Cabinet]~~ that the nature of the operations and activities of the approved company are such that it is not practical to use the separate accounting method to determine the net income from the facility at which the economic development project is located, the approved company shall determine net income from the economic development project using an alternative method approved by the ***Department of*** Revenue~~[Cabinet]~~.

(9) The ***Department of*** Revenue~~[Cabinet]~~ may issue administrative regulations and require the filing of forms designed by the ***Department of*** Revenue~~[Cabinet]~~ to reflect the intent of KRS 154.22-020 to 154.22-070 and the allowable income tax credit which an approved company may retain under KRS 154.22-020 to 154.22-070.

(5) A builder who installs qualifying energy property in a building constructed for resale may elect himself to claim the credit allowed in this section, or may provide the purchaser with necessary documentation or certification so that the purchaser

may claim the credit. The credit shall not be claimed by both the builder and the purchaser.

(6) In the case where the credit allowed in this section exceeds the tax due for the taxable year, that portion of the credit which exceeds the tax due may be carried over to the succeeding taxable years until the allowable credit has been fully exhausted, or until the credit has been claimed for three (3) successive years, whichever comes first.

(7) This tax credit shall not apply to trusts or estates.

(8) Before any tax credit can be claimed under the provisions of this section, the Natural Resources and Environmental Protection Cabinet must certify that the taxpayer's system is a viable system for using solar, wind or geothermal energy and documentation must be provided that the system has been completely installed. Any fee charged by the ***department***[~~cabinet~~] for review and certification of a system shall not exceed ten dollars ($10).

The regulations, including those describing the application procedure, shall be written in nontechnical language understandable to lay citizens untrained in engineering, architecture, or other technical fields.

(10) With the exception of the certification requirements delegated to the Natural Resources and Environmental Protection Cabinet by this section, the ***Department of*** Revenue[~~ Cabinet~~] may promulgate such rules and regulations as necessary to effectively administer the requirements of KRS 141.375 and this section.

(13) The provisions of KRS 141.375 and this section shall apply to the taxable years beginning on or after January 1, 1984, and ending on or before December 31, 1986, and no credit shall be allowed for any taxable year ending after December 31, 1986.
